Instructions

Applicant Organization Name

Enter the legal name of the agency applying for CA HCD ESG funds.

ESG Grant Term

Enter the performance period of the ESG grant year for which funds are being requested.

Cash Match

Enter the amount of cash match for each source listed. For *Description*, enter the name of the specific program or other relevant descriptor for the source of match. If there is more than one program providing match from a specific source, list all program names in the *Description* column, and include the combined total in the *Amount* column.

In-Kind Match

Enter the amount of in-kind match to be provided from each source. In the *Source* column, list the organization or entity providing the in-kind match. In the *Description* column, enter a description of the in-kind resource (e.g., volunteer hours, donated supplies, etc.). In the *Amount* column, enter the value of the in-kind resource, calculated pursuant to 2 CFR 200.
