

Rapid Re-Housing Manual Checklist
CA HCD ESG Program

PART 1: PROJECT IDENTIFICATION

Project Subrecipient, Project Name, Project HMIS ID, and other identifying information

PART 2: CHECKLIST

Criteria

Pass?

The P&Ps must detail how its intake process complies with the Coordinated Entry process for the local Continuum of Care (CoC). (II.C.a)

The P&Ps must include an intake policy that describes how the project establishes and documents participant eligibility.

...which includes verification that the participant is experiencing literal homelessness as described in section III.B of the Manual.

The P&Ps must define the full suite of services it offers, which can only include those services enumerated in IV.B. (II.C.c)

...including the project's process for assessing participants' barriers to housing and self-sufficiencies to determine which services are necessary. (II.D.b)

...including the project's process for periodically reassessing each participant's barriers to housing, self-sufficiencies, and services needed. (II.D.c)

...including evidence that any rental assistance provided will be consistent with the progressive engagement framework, i.e. amounts and limitations on assistance will be tailored to the needs and barriers of each household (IV.B.3.a.i)

The P&Ps must detail the project's staffing pattern, including estimated caseloads for direct service staff and adequate staffing for HMIS data entry. (II.C.d)

The P&Ps must include a termination and appeals process that incorporates all elements in III.F. (II.C.e)

To the best of the reviewer's knowledge, the P&Ps meet any other requirements that may apply to them, including requirements in CA HCD's contract with the subrecipient and any CA HCD ESG Written Standards. (II.C.f)

The P&Ps provide sufficient information about the operations of the project that a person who is not familiar with the project (ideally, the reviewer) could reasonably reconstruct it from the P&Ps. (II.C.g)

PART 3: CERTIFICATION

CA HCD ESG Program**

INSTRUCTIONS

This Checklist is intended to help CA HCD ESG staff review ESG-RRH project policies and procedures to ensure they are fully compliant with the ESG-RRH Rapid Re-Housing Manual.

On the attached sheet, record the project's identifying information (Part 1, "Project Identification"). This information is a critical part of ensuring that this checklist can be tied back to the correct project and subrecipient.

Review the project policies and procedures using the attached sheet (Part 2, "Checklist"). Once you have determined that the project policies and procedures meet ALL of the checklist criteria, sign and date the attached sheet (Part 3, "Certification"), retain the original in the CA HCD project file, and send a copy to the project subrecipient as confirmation that the project's policies and procedures have been reviewed and approved.
