RECITALS, AUTHORITY, PURPOSE AND SCOPE OF WORK

RECITALS

On June 22, 2015, U. S. Department of Housing and Urban Development (“HUD”) Secretary Julián Castro invited California and 39 other states and communities to compete in the second and final phase of the National Disaster Resilience Competition (“NDRC”). These finalists, representing areas that experienced a presidentially-declared major disaster in 2011, 2012 and/or 2013, competed for a portion of almost \$1 billion in funding for disaster recovery and long-term community resilience.

The CALIFORNIA DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT (“HCD” or “Department”) submitted an NDRC application to HUD on behalf of the State of California. This application included three (3) activities to address unmet recovery needs related to the December 13, 2013 presidentially-declared disaster known as the California Rim Fire (“DR-4158”) that occurred in Tuolumne County. In response to the NDRC Notice of Funding Availability (“NOFA”) (defined below), HCD, in conjunction with other Partners, developed a program known as the Community and Watershed Resilience Program (“CWRP”). The CWRP has three (3) separate activities located in Tuolumne County that are interconnected. Development of the CWRP and associated project activities requires HCD to work with Partners identified in the NDRC application approved by HUD.

Funding for the NDRC competition is from the Community Development Block Grant-National Disaster Resilience (“CDBG-NDR”) appropriation provided by the Disaster Relief Appropriations Act, 2013 (PL 113-2), which made emergency funds available for Hurricane Sandy and other presidentially-declared disasters occurring in 2011-2013. The competition focused states’ and local jurisdictions’ efforts to prepare their communities for the impacts of climate change and to support investments in more resilient infrastructure. HCD’s NDRC application requested \$117,000,000 for three project activities, and HUD awarded \$70,359,459 on January 21, 2016. The HUD award included approximately \$19,755,000 for the development and implementation of a Community Resilience Center (“CRC”) project activity to be carried out by Tuolumne County, \$22,000,000 for implementation of Biomass Utilization Facility (“BUF”) project activities with the feasibility and implementation to be coordinated by Sierra Nevada Conservancy (“SNC”), and \$28,604,459 for the Forest and Watershed Health Project (“FWHP”) with implementation by United States Forest Service (USFS) and project coordination by SNC. General administration funding not to exceed five percent (5%) of the total award will be allocated from within each awarded project activity budget as needed.

HUD announced the NDRC funding in a NOFA publication, attached in Exhibit E (Funding Opportunity Number: FR-5800-N-29, Opportunity Title: National Disaster Resilience Competition).

The NDRC is a response to requests for funding from states and local communities to address the unmet recovery needs, through strategic community investments for resilience, to recover from past presidentially declared disasters while improving their ability to withstand future environmental shocks and stresses.

HUD has awarded NDRC funds for innovative approaches that address unmet recovery needs from past disasters while also addressing the vulnerabilities that could put Americans in harm’s way during future disasters. The competition encourages communities to consider how they can recover from a past disaster and how to avoid and mitigate future disaster losses. Applicants (i.e., the State of California) had to link or “tie-back” their proposals to the disaster from which they were recovering, as

EXHIBIT A

well as demonstrate how they were reducing future risks and advancing broader community development goals within their target geographic area(s).

1. NDRC Competition Objectives

The Competition sought to meet the following six objectives:

- A. Fairly and effectively allocate \$1 billion in CDBG-NDR funds.
- B. Create multiple examples of modern disaster recovery that apply science-based and forward-looking risk analysis to address recovery, resilience, and revitalization needs.
- C. Leave a legacy of institutionalizing, in as many states and local jurisdictions as possible, the implementation of thoughtful, sound, and resilient approaches to addressing future risks.
- D. Provide resources to help communities plan and implement disaster recovery that makes them more resilient to future extreme weather events or other shocks, while also improving quality of life for existing residents.
- E. Fully engage community stakeholders to inform them about the impacts of climate change and develop pathways to resilience based on sound science.
- F. Leverage investments from the philanthropic community to help communities define problems, set policy goals, explore options, and craft solutions to inform their own local and regional resilient recovery strategies.

These six objectives are memorialized so that all parties to this Agreement, and all parties involved with carrying out this Agreement, better understand the purpose of the NRDC funds and fully implement the intent of the NDRC.

The NDRC NOFA defined “Partner” as a state, a unit of local government, a nonprofit entity, a private developer, a financial institution, or another entity chosen by the applicant to assist the applicant in applying for funding or in carrying out a funding award or project under this NOFA, and which submits a letter of intent and signs a partnership agreement to assist in that capacity, and which may be referenced by the applicant for purposes of demonstrating additional capacity for planning, design, financing, or implementation in applying for funding under the NOFA.

As part of the NDRC application, HCD provided executed partnership letters of intent and agreements, signed by the executive of the Partner entity, demonstrating a commitment to work collaboratively throughout the entirety of the grant application and implementation process and to undertake specified actions. HCD has one formal partnership for the CRC project(s) with the County of Tuolumne. HCD has four (4) separate formal partnership agreements for the FWHP with: 1) SNC; 2) the United States Forest Service (“USFS”); 3) the California Department of Forestry and Fire Protection (“CAL FIRE”); and 4) California Conservation Corps (“CCC”). HCD has one partnership agreement for the BUF project with SNC. HCD has a number of other partnerships with other state agencies, but those agencies will not be a party to the HCD NDR agreements.

EXHIBIT A

Through these less formal partnerships, the Governor's Office of Planning and Research ("OPR") and the California Environmental Protection Agency ("CalEPA") will continue to participate with other partners via the "Core Team". The Core Team is composed of HCD, SNC, USFS, County of Tuolumne, CAL FIRE, and on occasion representatives of OPR, CalEPA, and CCC, and it oversees HCD administration and the Partner's coordination of project development to ensure that the Program becomes operational, scalable, and replicable.

This Agreement must be executed before implementation of CDBG-NDR project activities. Pursuant to FR-5936-N-01, Section V.A.1.g. (v), this Agreement and other associated partnership agreements require parties to comply with CDBG-NDR requirements, including requirements found in the Disaster Relief Appropriations Act, 2013 PL 113-2, Title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5302, et seq.), the CDBG program federal regulations at 24 CFR part 570, FR-59-N-01, and any other applicable Federal Register notices, 2 CFR 200 requirements and commitments made in HCD's Phase 1 and Phase 2 NDRC applications.

As a condition of the State of California applying for CDBG-NDR funds, the State made certain certifications, which are shown in Exhibit F (Certifications), which involve at minimum:

- A. The State of California, and any contractor, subrecipient, or designated public agency carrying out an activity with CDBG-NDR funds, certifying that such entities possess the legal authority to carry out the project activities, in accordance with all applicable federal regulations and requirements.
- B. The State of California and its Partners certifying that project activities to be administered with funds under the NDRC are consistent with the State of California's application.

HCD and HUD have entered into a federal grant agreement for CDBG-NDR funding. Under that agreement, HCD is the sole entity that will have access to HUD's Line of Credit Control System ("LOCCS") through the Disaster Recovery Grant Reporting ("DRGR") system. HCD will use DRGR to draw down CDBG-NDR funding. Under PL113-2, HCD is legally and financially accountable for the use of all funds and may not delegate or contract to any other party any inherently governmental responsibilities related to the federal grant management of the funds, such as oversight, policy development, and financial management.

CDBG-NDR regulations and requirements impose specific funding restrictions (described in Exhibit D), which apply to HCD and also to the Rural Community Assistance Corporation ("RCAC") under this Agreement and their subrecipients, contractors, and BUF borrowers in conjunction with all approved BUF project activities.

The CWRP is made up of three **(3)** different but interrelated activities. The Program is designed to create partnerships and practices needed to support resilience in the communities and natural systems in California's upper watersheds, which provide sixty (60) percent of the State's developed water resources.

EXHIBIT A

2. **California's Approach: The Community & Watershed Resilience Program**

The following information describes the project activities selected for funding for the State of California's NDRC Program:

A. **Community Resilience Center (CRC)**

The development and operation of two CRC projects in Tuolumne County that will serve multiple purposes including year-round needed services, such as education and training facilities, commercial kitchen for local Meals-on-Wheels type programs, and children's services such as the Head Start program. On a limited basis, the CRC can serve as an evacuation center/emergency shelter as well as a facility for first responder operations. CRC location selections will include robust public participation.

B. **Biomass Utilization Facility (BUF)**

BUF project activities are intended to provide options for clean disposal of unmerchantable biomass removed from the forest, clean power, and wood products facilities for repurposing any merchantable biomass. This will be a two-phase development process, with the first phase including market and feasibility analysis. The second phase includes selecting a program administrator for origination of BUF project funding to build-out and operate feasible BUF projects.

C. **Forest & Watershed Health Project (FWHP)**

This green infrastructure project activities includes restoration of forest, meadows, watersheds and rangelands within the Rim Fire burn area, as well as expansion of existing fuel breaks and the creation of one new fuel break. Given the uncertain future of drought, climate change and wildfire, FWHP activities are designed to improve forest and watershed health and resilience against further environmental disturbances.

The foregoing Recitals are a part of this Agreement.

EXHIBIT A

1. **Authority and Purpose**

This Community Based Development Organization ("CBDO") Agreement ("Agreement") provides official notification of the conditional reservation of funding made available by the federal Disaster Relief Appropriations Act, 2013 (Public Law 113-2, approved January 29, 2013) ("Appropriations Act") and awarded to HCD under the National Disaster Resilience Competition as CDBG National Disaster Resilience grants, Catalog of Federal Domestic Assistance number 14.272 – National Disaster Resilience Competition. This is a three-party Agreement between HCD, RCAC, and SNC.

HCD also administers the federal CDBG Program for non-entitlement jurisdictions ("CDBG" or "the Federal Program") pursuant to the provisions of 42 U.S. Code ("U.S.C.") Section 5301 et seq., 24 Code of Federal Regulations ("CFR") Part 570, Subpart I, and the California State CDBG Regulations, pursuant to 25 California Code of Regulations (CCR), Sections 7050 et seq. The Federal Program is listed in the Catalog of Federal Domestic Assistance as 14.228 - CDBG - Community Development Block Grant Program.

Section 5305 (a)(15) of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et. seq.) allows nonprofit corporations to directly undertake certain CDBG activities including community economic development programs, when using funds from the United States Government under Title I of the Housing and Community Development Act of 1974, Public Law 93-383, called Community Development Block Grant program funds ("CDBG Funds") (including repayment of any such funds from permanent loans, which are not considered CDBG program income). Non-profits under this eligible activity are referred to as Community Based Development Organizations. HCD has determined that RCAC qualifies as a CBDO. RCAC has agreed to act in this role for the implementation of BUF activities under this Agreement.

For many years, HCD has successfully administered the federal CDBG program for non-entitlement jurisdictions and has developed boilerplate agreement language that complies with federal and state compliance standards. In addition, HCD used that existing agreement language to develop CDBG-NDR agreements with various entities, county, state, and federal agencies. This CBDO agreement is built upon the success of these past agreements. The language in this Agreement will ensure federal and state regulatory compliance and guide HCD, RCAC, and SNC to the successful completion of BUF project activities.

By executing this Agreement, RCAC is accepting this conditional reservation of CDBG-NDR funds, SNC agrees to work collaboratively with RCAC, and both will comply with the terms and conditions of this Agreement, the representations contained in HCDs CDBG-NDR application (the "Application"), the requirements of the authorities cited above, and any other terms and conditions imposed by HUD, HCD, and or the State.

2. **Three Party Structure**

HCD is a HUD Grantee awarded CDBG-NDR grant funds. Under this Agreement, HCD will provide CDBG-NDR grant funds to RCAC, as a CBDO and Subrecipient, for conducting the work described in the Scope of Work under this Agreement. RCAC shall accept CDBG-NDR funding to originate financing for eligible BUF projects. SNC is the BUF Program Coordinator for these CDBG-NDR funds and will oversee all RCAC work under this Agreement.

EXHIBIT A

To that end, SNC will work directly with RCAC, on behalf of the Department, to implement BUF authorized project activities in accordance with the NDRC application and HCD Action Plan. SNC will be the day-to-day BUF activity implementation coordinator for the duration of this Agreement. SNC's agreement with HCD, contract number 16-NDR-11311, is incorporated herein by reference.

RCAC, SNC, and HCD will follow all processes and procedures as set forth in this Agreement and the most recent versions of the HUD CDBG-NDR technical assistance and guidance, as may be amended from time to time, to ensure compliance with federal statutes, regulations, and register notices. RCAC and SNC shall also follow all HCD federal and state compliance guidance, as well as policies and procedures for administration and implementation of BUF activities during the term of this Agreement.

3. Eligible Activities and Costs

- A. RCAC shall only use funds under this Agreement for eligible CDBG-NDR BUF activities with eligible costs and that meet a National Objective under existing Section 105(a) of Title I of the Housing and Community Development Act of 1974, as amended by the Appropriations Act and applicable federal register notices. Eligible activities are contained in the NDRC HUD NOFA, HCD funding application, and Action Plan. All NDR-funded activities and costs shall be in compliance with current CDBG-NDR requirements. In addition, activities and costs shall be in compliance with conditions that may be imposed by HUD or HCD from time to time. Eligibility of an activity and associated activity costs are contingent upon the activity meeting a national objective and if, regardless of reason, a national objective is not achieved, then the activity and its associated costs shall be deemed ineligible. The eligible activities under this Agreement are described below in Section 6, Scope of Work.
- B. Eligible costs for eligible planning and project activities, including both activity delivery and direct financial assistance, under this Agreement must comply with the provisions of federal Office of Management and Budget ("OMB") regulations in 2 CFR Part 200, subpart E, as may be amended from time to time. The total amount of funds drawn during the entire Agreement term must be for actual and reasonable costs, according to the United States Office of Management and Budget's Uniform Guidance (issued December 26, 2013). Source documentation for all RCAC time, materials, and third-party service costs shall be in NDR administration and project files.

Eligible costs are also defined in HUD CPD Memo 13-07. RCAC will follow cost principles as defined in OMB Uniform Guidance, 2 CFR 200.

4. Meeting CDBG National Objective

Activity delivery costs under this Agreement are assumed to meet a National Objective, once a BUF project is approved for CDBG-NDR funding. For some economic development activities, final documentation of meeting a national objective is completed after project is completed and public benefit jobs are primarily provided to low moderate income county residents. Costs incurred by RCAC, their subcontractors and subrecipients, as part of planning activities

EXHIBIT A

delivery/project funding origination will require RCAC/HCD approval of one project prior to HCD reimbursement of said costs. RCAC project approval must document applicable CDBG-NDR project compliance, including but not limited to, applicable public benefit and national objective standards compliance, prior to release of activity delivery funding in Section 7.

County residents must be the primary beneficiaries of CDBG-NDR funded economic development and public facility project activities. BUF projects will be initially screened for national objective benefit to local low-moderate income (LMI) persons. LMI benefit for economic development project activities can be achieved in one of three ways: 1) through job creation or retention activities provided primarily to low- moderate-income persons (LMJ); or 2) through an economic development service activity that directly benefits an area which is primarily occupied by LMI households (LMA); 3) economic development activities provided to an eligible micro-enterprise business owner whose household is LMI. For the national objective of LMI jobs and service area, the public benefit standards below must also be met. Micro-enterprise activities may not require public benefit standards, if they directly assist a LMI household. Public facility projects shall meet LMA national objective. RCAC may qualify a project under any of the three LMI national objective standards listed above. HCD will provide guidance on documentation requirements for any of the three LMI national objective standards used to qualify a project. HCD may allow for use of one of the other two national objective benefit standards outlined in Exhibit D, Section 4 of this Agreement, but it will require a formal written approval.

5. Public Benefit Standards for Economic Development (ED)

Per 24 CFR 570.482(f) and (g) and 570.483(b)(4), RCAC is responsible for documenting fulfillment of the public benefit standards on each applicable CDBG-NDR Economic Development (ED) project activity. For direct financial assistance to for-profit business activities, under Sections 105(a)(2), (14) and (17) of the Act, public benefit standards must be met. Federal Register Notice FR 5936-N-01 HUD waives the public benefit subsidy requirements for CDBG-NDR projects. Micro-enterprise businesses may also be required to meet public benefit standards if the owner's household is not LMI. HCD will use the public benefit waiver to allow for higher subsidy amounts for CDBG-NDR projects, however, RCAC must provide documentation of "reasonable" public benefit in return for proposed subsidies. Public benefit is met via creation of new or retention of existing permanent full-time equivalent job positions (LMJ), or provision of services to residents of an LMI area (fifty one percent of the households are LMI). The project must document that the public benefit is a direct result of the BUF development, and it must be documented in the financial projections of the BUF funding application and funding security documents.

For LMI service area public benefit, the project must be shown to: 1) provide a service that is available to all households in their service area; and 2) have a service area that is primarily made up of LMI households (51% are LMI). The amount of CDBG-NDR assistance is based on the number of LMI households that would be able to benefit from the service.

Additional information on public benefit is included in Exhibit D, Section 5. Economic Development activities under Section 105(a)(17) and (14) must also comply with CDBG's six underwriting standards, pursuant to 24 CFR Part 570.482(e).

6. Scope of Work

EXHIBIT A

- A. RCAC shall perform the funded activities described in the Scope of Work described below (“WORK”). These activities were included in the State of California’s NDR Application to HUD, which is on file with the Department of Housing and Community Development, Division of Financial Assistance, 2020 West El Camino Avenue, Suite 500, Sacramento, California, 95833, and which is incorporated herein by reference. All NDR Application activities are formalized in the current NDR Action Plan, as approved by HUD. The current Action Plan or future amended Action Plan, as submitted and approved in writing by HUD, is hereby incorporated as part of the Agreement.

HCD reserves the right to require RCAC to modify any or all parts of the Work in order to comply with CDBG-NDR requirements. HCD reserves the right to review and approve all Work to be performed by RCAC or its contractors and subrecipients under this Agreement. Any proposed revision to the Work by RCAC must be submitted in writing for review and approval by the Department, may require an amendment to this Agreement, and may require an amendment to the Action Plan. Approval of revisions shall not be presumed. Revisions shall be valid upon receipt of HCD written approval.

The Work to be performed by SNC under this Agreement is the same as described in the Scope of Work set forth in Section 5 of Agreement 16-NDR-11311 between HCD and SNC, dated 05/30/2017, as may be subsequently amended. Agreement 16-NDR-11311 and any subsequent amendments are incorporated herein by reference.

- B. For the purposes of performing the work described in the Work and subject to the terms of this Agreement, HCD agrees to reimburse RCAC up to the amounts identified in Section 7 Budget, below for eligible and reasonable costs and expenses. Unless amended in writing, HCD shall not be liable for any costs for WORK in excess of these amounts, nor for any unauthorized or ineligible costs.
- C. The primary goals of funding eligible BUF projects are: 1) to create alternatives to pile burning of wood waste; 2) to create or expand wood waste markets; 3) to provide outlets for forest restoration treatments, such as ecologically based thinning; and 4) to support rural economic resilience through job creation and/or retention in Tuolumne County. RCAC will assist SNC and HCD in implementing the BUF program by using NDR funding to provide subsidized financing to eligible businesses or non-profit organizations that will be either new to the county or expanding. Project financing will be provided as grants and/or loans, based on economic viability of each individual BUF project. All CDBG-NDR funding must be used for assisting BUF projects located in Tuolumne County in accordance with the HUD approved NCRC Application.

1) BUF Planning and Administration

There are no CDBG-NDR General Administration (GA) activity funds included this Agreement’s Budget. RCAC will use SNC to assist with reporting and other general administration tasks. Therefore, the three budgeted activities under this Agreement will be Planning, Activity Delivery and BUF direct financial assistance to eligible projects.

EXHIBIT A

RCAC will administer and manage the CDBG-NDR BUF economic development and public facility financial assistance projects (Projects) in consultation with SNC. For ED implementation, RCAC will use planning funds to create a Program Tool Kit (Tool Kit) which will contain a manual with associated support documents required for BUF ED Program (ED Program). It will also contain an overview of implementation process with roles and responsibilities of staff and agencies involved in its operation. The Tool Kit will also contain a marketing plan, program guidelines with financing origination policies and procedures, standard application forms and disclosures. The Tool Kit's documents may include financial underwriting tools to document cash flow analysis and federal/state regulatory requirements. The completed Tool Kit will be provided to HCD as a final product of the ED planning activity. HCD and SNC will use the Tool Kit to assist in future replication of BUF ED activities throughout the state. HCD may direct RCAC to use planning funds under this Agreement to conduct other planning activities as needed.

2) BUF Activity Delivery

Activity Delivery (AD) will take place at the same time as planning activities and support the development of the Tool Kit. RCAC AD will include marketing and outreach to potential project developers, screening for NDR eligibility and final financial and eligibility analysis before ED or public facility project funding approval. Activity administration will also include monitoring of project development compliance with CDBG-NDR standards. After project completion, RCAC will be responsible for having projects monitored for compliance with public benefit and national objective standards, per Sections 4 and 5 above until the project's national objective is met.

RCAC may secure third-party service providers to assist with conducting some of the eligible AD and compliance oversight work e.g., environmental review consultants. These third-party consultants must be competitively procured or secured via subrecipient agreements to ensure that all costs are reasonable. RCAC will be reimbursed for eligible third-party costs it incurs under these agreement contracts, i.e. environmental reviews or financial underwriting services or federal overlay compliance.

3) BUF Project Funding

RCAC will have the BUF Tool Kit for economic development activity implementation approved by SNC and HCD program staff. RCAC will update the Tool Kit as needed from time to time to meet all state and federal standards. Any other supporting program documents, disclosures, loan agreements, etc. required for BUF Program administration will be developed by RCAC and approved by SNC and HCD staff for CDBG-NDR compliance.

After approval of initial Tool Kit, RCAC will market BUF project funding to eligible applicants. Initially eligible applicants shall be ED projects. Public facility application marketing will take place after required NDR Action Plan Amendment approval by HUD. At that time, BUF project developers may apply for CDBG-NDR implementation funds for ED or Public facility projects. Implementation funding

EXHIBIT A

proposals for ED and RCAC shall review public facility projects on a first come first served basis. RCAC shall review ED projects on a first come first served basis. Upon completion of project eligibility and financial feasibility, RCAC will provide the Core Team with a project approval document for review and approval. After Core Team approval, RCAC loan committee will review the project for NDR underwriting and eligibility compliance. Loan or Grant conditions, if any, will be included in the project approvals of Core Team and RCAC loan committee. After project approved, RCAC will work with recipient to clear HCD General Conditions Checklist items and any funding conditions prior to project release of funding and closing. Upon HCD approval of the completed Checklist, RCAC and recipient will receive a letter from HCD clearing General Conditions and releasing NDR funds for the BUF project activity. After HCD release of project funding and clearing of loan conditions, RCAC will execute project financing documents with project developer and project activity may begin.

BUF project environmental reviews will be prepared by a qualified environmental consultant. RCAC will issue a Request for Qualifications (RFQ) and compile a list of consultants that can be utilized on project environmental reviews. Project environmental reviews can be paid for by the project applicant or by RCAC, after completion of a proper Request for Proposals (RFP) from a qualified list of consultants. HCD will review the project's Environmental Review Record (ERR) and, if approved, sign the ERR as the Responsible Entity (RE). HCD may have to act as "Lead Agency" for CEQA. For NEPA reviews with high levels of review, HCD will need to request Authority to Use Grant Funds (AUGF) from HUD. Project costs or actions which constitute a "choice limiting action" under federal regulations will cause a project to become ineligible for funding. RCAC, SNC and HCD will disclose this information to each BUF applicant and monitor each project's progress to ensure this does not happen.

The parties acknowledge and agree that repayments of all NDR loans originated by RCAC shall lose their identity as federal CDBG funds, per the June 7, 2016 Federal Register Notice waiver Section V.17(2)(b)s. RCAC and SNC will enter a separate agreement and separate Program Manual for administration of any future repayments. These non-federal funds will be maintained by RCAC and operated as separate designated Healthy California Forest Fund Program "Forest Program" from other funds being administered by RCAC. The Forest Program Manual will consist of policies and procedures in conformance with RCAC loan policies as they may be from time to time amended. The State Program shall be used for investments in biomass or wood processing infrastructure or enterprises in forested areas of California, with a priority for the Sierra Nevada Region.

RCAC will comply with CDBG-NDR reporting requirements by:

- 1) preparing monthly NDR grant reports which will be reviewed and approved by SNC prior to submittal to HCD;
- 2) preparing Funds Request forms for all consultants and businesses receiving CDBG-NDR funding;

EXHIBIT A

- 3) preparing and submitting the Monthly Activity Reports;
- 4) preparing and submitting semi-annual prevailing wage reports for any project that includes construction that must comply with state and federal prevailing wage compliance;
- 5) collecting required supporting documentation, which may include payroll and income information, to demonstrate public benefit and nation objective compliance for each assisted business.

RCAC, with the assistance of third-party consultants as needed, will prepare and submit all reports to the SNC staff for review. Upon SNC review and approval, the report will be submitted to HCD before reporting deadlines provided in Exhibit B, Section 6 of this Agreement. HCD staff will review and approve final versions of reports. If other consultants are involved, RCAC will coordinate and facilitate reporting with SNC and other consultants.

The Parties agree that RCAC will maintain accounting oversight of all CDBG-NDR financial records and audits, as well as any repayments into the State Program. RCAC's fiscal staff will account for all CDBG-NDR expenditures and any match/leverage, or supporting funds used on NDR projects. RCAC shall not commingle CDBG-NDR or repayment funds with funding from any other source in their accounting system.

RCAC shall provide a current funds request form with a monthly billing statement and all source documentation as part of requesting reimbursement of costs for CDBG-NDR eligible activity costs. Costs shall not exceed the limits set forth in Section 7 below. For indirect costs, RCAC must provide HCD with documentation of an approved indirect-cost allocation plan.

4) Program Financial Assistance Activities

Responsibilities for BUF Project Application Process

- i. RCAC will be responsible for creating or modifying financial assistance security documents, including loan agreements or deeds of trust that allow RCAC to enforce CDBG-NDR regulatory requirements on BUF project developers. These documents will require repayment of CDBG-NDR funding if default violations of federal requirements take place. Recapture funds will be returned to HCD for repayment to federal treasury.

It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties in order to avoid program and fiscal delays, which would occur if this Agreement were executed after the determination was made.
- B. As noted in Section 38 below, this Agreement is valid and enforceable only if sufficient funds are available to the Department by the United States Government for the purposes of the CDBG-NDR Program. In the event there is a withdrawal of, or any limitation on, the Department's expenditure authority or any funding of the Program, the Department may elect to terminate this Agreement, in whole or in part, in its sole discretion and upon ten (10) days written notice to RCAC. In addition, this Agreement is subject to any additional restrictions, limitations, conditions or statute enacted by the Congress or State Legislature, promulgated in State or federal regulations or any State or federal statute, as now in effect and as may be amended from time to time which may affect the provisions, terms, or funding of this Agreement in any manner.

3. Litigation

- A. If any provision of this Agreement, or an underlying obligation, is held invalid by a court of competent jurisdiction, such invalidity, at the sole discretion of the Department, shall not affect any other provisions of this Agreement and the remainder of this Agreement shall remain in full force and effect. Therefore, the provisions of this Agreement are, and shall be, deemed severable.
- B. RCAC shall notify the Department immediately of any claim or action undertaken by or against it, which affects or may affect this Agreement or the Department, and shall take such action with respect to the claim or action as is consistent with the terms of this

EXHIBIT D

Agreement and the interests of the Department. RCAC acknowledges and agrees that in the event a court of competent jurisdiction grants any kind of temporary or permanent injunctive relief as a form of Legal Action against RCAC, then RCAC must immediately comply with the terms of the court's order and provide the Department with any notices, demands, claims, or orders it receives regarding the subject matter of this Agreement immediately upon receipt. RCAC shall ensure that all agreements with BUF funding recipients, with RCAC contractors or subcontractors shall contain a termination and suspension provision similar to this Section 3.C.

- C. In the event litigation or legal or administrative action or claim or any kind or nature ("Legal Action"), is threatened, asserted, or instituted against the NDRC project, the Department, HUD, and any of the NDRC Partners, and/or any contractors or subcontractors thereof, then the Department, in addition to the other rights or remedies it may have hereunder, shall be entitled to take the following actions in its sole discretion and upon written notice to RCAC:
- i. Terminate this Agreement, in whole or in part, in which case RCAC shall promptly submit a Funds Request covering eligible costs of services and projects provided to the date of termination or partial termination to SNC for review and approval and payment by the Department in accordance with the terms hereof, and/or
 - ii. Suspend performance under this Agreement, in whole or in part, for such time as the Department determines is required as a result of the existence of the Legal Action; and/or
 - iii. Continue performance under the Agreement while the parties thereto determine and necessary modifications to this Agreement as a result of the Legal Action.

The Department shall have a period of ninety (90) days from its receipt of notice of a Legal Action to notify RCAC in writing of its decision to either suspend or terminate. In the event of a termination of the Agreement in full, then upon payment to RCAC of its final Funds Request, the parties shall have no further rights or obligations and the Agreement except for those specifically stated as surviving termination of the Agreement. In the event of a partial termination or suspension of work, the parties shall in good faith negotiate, as applicable, any necessary revisions to the Scope of Work, milestones and deadlines, and an equitable adjustment to the Agreement amount reflecting the revisions to the Work. Any agreed-upon revisions and adjustment shall be documented in an amendment to this Agreement to be signed by all parties.

Notwithstanding the foregoing, as SNC's obligations to the Department in regard to the subject matter of this Agreement are contained in a separate agreement with the Department, SNC shall continue to perform its obligations to the Department pursuant to the terms of such separate agreement.

RCAC acknowledges the existence of existing litigation filed against the NDR partners and the project in the matter of Earth Island Institute, et al., v. HUD, HCD, et al. case ("Earth Island"). The plaintiffs in Earth Island are challenging among other things, the validity of the HUD NDR award to the Department and various environmental studies and

EXHIBIT D

reports pursuant to which portions of the NDR work are being performed. RCAC acknowledges that this litigation could potentially affect the ongoing viability of the NDR work and the subject matter of this Agreement, and an adverse ruling potentially could result in the inability of RCAC to perform the Work and achieve a required national objective. In the event RCAC is prevented from achieving a required National Objective as a direct result of the Earth Island litigation and as a result, HUD requires repayment of NDR funds relating thereto, the Department shall be solely responsible for making such repayment.

4. **National Objectives**

All grant project activities performed under this Agreement must be CDBG-NDR eligible, have eligible costs and be documented as meeting one of the National Objectives of the HUD regulations as included in the Application. Program activities and related costs not documented as meeting a national objective, regardless of reason, shall not be eligible. National Objective standards are found under Title I of the Housing and Community Development Act of 1974, Section 104(b)(3), as amended and 24 CFR Part 570.483. Waivers of National Objective Standards are published over the course of the CDBG-NDR Program. For the purposes of the NDR grant, General Administration and Planning Activities are assumed to meet a CDBG National Objective. The three National Objectives are:

- A. Activity primarily benefits HUD defined low- or moderate-income ("LMI") person (family) or household. The term low- or moderate-income is defined as a family or household having an annual income of no more than 80% of the median area income on a county level, which is annually determined by HUD, per 24 CFR, Part 570.483(b); unless a formal waiver is provided in a CDBG-NDR federal register notice. All activities under this Agreement shall primarily meet this national objective unless HCD written approval allowing use of another national objective.
- B. Activity eliminates conditions of Slum or Blight (on a spot or area basis) is an eligible CDBG National Objective. Slum and Blight's definition is found in 24 CFR, Part 570.483(c). The use of Slum or Blight is not eligible under this Agreement without prior Departmental written approval.
- C. Meeting an Urgent Need is an eligible CDBG National Objective under 24 CFR, Part 570.483(d). This National Objective was provided a waiver under Federal Register Notice FR-5936-N-01, Section V. A. 1. d. for activities using Urgent Need. The use of Urgent Need is not eligible under this Agreement without prior Departmental written approval

5. **Public Benefit Standards for Special Economic Development (ED) Activities**

Pursuant to 24 CFR 570.482(f), (g) and 570.483(b)(4), RCAC is responsible for providing fulfillment of HUD required public benefit standards when activities under this Agreement qualify as special ED activities. The NDRC NOFA and Federal Register Notice FR-5936-N-01 waives the public benefit subsidy standards at 42 U.S.C. 5305(e)(3), 24 CFR 570.482(f)(1), (2), (3), (4)(i), (5), and (6), and 570.209(b)(1), (2), (3)(i), (4), for economic development activities designed to create or

EXHIBIT D

retain jobs when assisting for profit businesses (including, but not limited to, long-term loans, short-term loans, and grants). However, recipients of CDBG-NDR funding shall report and maintain documentation on the creation and retention of total jobs; the number of jobs within certain salary ranges; the average amount of assistance provided per job, by activity or program; the North American Industry Classification System (NAICS) code for each business assisted; and the types of jobs. HUD is also waiving 570.482(9) and 570.209(c) and (d) to the extent these provisions are related to public benefit. Special ED activities must also comply with CDBG's six (6) underwriting standards, per 24 CFR Part 570.482(e).

6. **Waivers**

No waiver or any breach of this Agreement shall be held to be a waiver of any prior or subsequent breach. The failure of the Department to enforce at any time the provisions of this Agreement or to require at any time performance by RCAC of these provisions shall in no way be construed to be a waiver of such provisions nor to affect the validity of this Agreement or the right of the Department to enforce these provisions.

7. **Uniform Administrative Requirements**

RCAC and all other recipients of grant funds shall comply with the policies, guidelines and requirements of OMB Uniform guidance at 2 CFR 200 the Uniform Administrative Requirements, effective July 1, 2015.

8. **Non-Performance**

In the event that the National Objective requirements are not met due to any action or inaction of RCAC, HUD will require reimbursement of part or all project funding. As such, the Department may, in its sole discretion, require reimbursement of part or all project funding disbursed to RCAC under this Agreement, whether before or after the date of non-compliance.

Prior to closing out this Agreement, the Department will review the actual National Objective and/or Public Benefit achievements of the project activities with RCAC.

9. **Affirmatively Furthering Fair Housing**

Per Federal Register Notice FR-5936-N-01, Section 3: V.C.1.b., all activities under this Agreement and under any and all associated agreements, shall be carried out in a manner that affirmatively furthers fair housing, as required by section 808 (e) (5) of the Fair Housing Act, as amended (42 U.S.C. 3608 (e) (5)).

10. **Equal Opportunity Requirements and Responsibilities**

RCAC and its contractors and subrecipients shall comply with all of the following:

- A. **Title VI of the Civil Rights Act of 1964**: This act provides that no person shall be excluded from participation, denied program benefits, or subject to discrimination based on race, color, and/or national origin under any program or activity receiving federal financial

- B. Title VII of the Civil Rights Act of 1968 (The Fair Housing Act): This act prohibits discrimination in housing on the basis of race, color, religion, sex and/or national origin. This law also requires actions which affirmatively promote fair housing. RCAC will meet all civil rights related requirements pursuant to 24 CFR 570.503(b)(5).
- C. Restoration Act of 1987: This act restores the broad scope of coverage and clarifies the application of the Civil Rights Act of 1964. It also specifies that an institution which receives federal financial assistance is prohibited from discriminating on the basis of race, color, national origin, religion, sex, disability or age in a program or activity which does not directly benefit from such assistance.
- D. Section 109 of Title 1 of the Housing and Community Development Act of 1974 [42 U.S.C. 5309]: This section of Title 1 provides that no person shall be excluded from participation (including employment), denied program benefits, or subject to discrimination on the basis of race, color, national origin, or sex under any program or activity funded in whole or in part under Title 1 of the Act.

The Fair Housing Amendment Act of 1988: This act amended the original Fair Housing Act to provide for the protection of families with children and people with disabilities, strengthen punishment for acts of housing discrimination, expand the Justice Department jurisdiction to bring suit on behalf of victims in federal district courts, and create an exemption to the provisions barring discrimination on the basis of familial status for those housing developments that qualify as housing for persons age 55 or older.
- F. The Housing for Older Persons Act of 1995 (HOPA): Retained the requirement that the housing facilities must have one person who is 55 years of age or older living in at least 80% of its occupied units. The act also retained the requirement that housing facilities publish and follow policies and procedures that demonstrate intent to be housing for persons 55 or older.
- G. The Age Discrimination Act of 1975: This act provides that no person shall be excluded from participation, denied program benefits, or subject to discrimination on the basis of age under any program or activity receiving federal funding assistance. Effective January 1987, the age cap of 70 was deleted from the laws. Federal law preempts any State law currently in effect on the same topic including: KRS 18A.140; KRS 344.040; 101 KAR 1:350 Paragraph 11; 101 KAR 1:375 Paragraph 2(3); 101 KAR 2:095 Paragraphs 6 and 7.

This Section provides that no otherwise qualified individual shall, solely by reason of his or her disability, be excluded from participation (including employment), denied program benefits, or subjected to discrimination under any program or activity receiving federal funding assistance. Section 504 also contains

EXHIBIT D

design and construction accessibility provisions for multi-family dwellings developed or substantially rehabilitated for first occupancy on or after March 13, 1991.

- I. Americans with Disabilities Act of 1990 (ADA): This act modifies and expands the Rehabilitation Act of 1973 to prohibit discrimination against "a qualified individual with a disability" in employment and public accommodations. The ADA requires that an individual with a physical or mental impairment who is otherwise qualified to perform the essential functions of a job, with or without reasonable accommodation, be afforded equal employment opportunity in all phases of employment.
- J. Executive Order 11063: This executive order provides that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in housing and related facilities provided with federal assistance and lending practices with respect to residential property when such practices are connected with loans insured or guaranteed by the federal government.
- K. Executive Order 11259: This executive order provides that the administration of all federal programs and activities relating to housing and urban development be carried out in a manner to further housing opportunities throughout the United States.
- L. Equal Employment Opportunity Act: This act empowers the Equal Employment Opportunity Commission (EEOC) to bring civil action in federal court against private sector employers after the EEOC has investigated the charge, found "probable cause" of discrimination, and failed to obtain a conciliation agreement acceptable to the EEOC. It also brings federal, state, and local governments under the Civil Rights Act of 1964.
- M. Immigration Reform and Control Act (IRCA) of 1986: Under IRCA, employers may hire only persons who may legally work in the U.S., i.e., citizens and nationals of the U.S. and aliens authorized to work in the U.S. The employer must verify the identity and employment eligibility of anyone to be hired, which includes completing the Employment Eligibility Verification Form (1-9).

- D. Assisting and actively cooperating with HUD/HCD in obtaining the compliance of contractors and subcontractors with the requirements of this part and refraining from entering into any contract with any contractor where the recipient has notice or knowledge that the contractor has been found in violation of the regulations in 24 CFR Part 135.

The State must inform units of local government to whom funds are distributed of the requirements of this part; assist local governments and their contractors in meeting the requirements and objectives of this part; and monitor the performance of local governments with respect to the objectives and requirements of this part.

12. **Environmental Compliance**

RCAC shall assist HCD, HCD's technical assistance consultant, and any environmental compliance consultant/engineer, should one be procured, so that all National Environmental Policy Act (NEPA) requirements and California Environmental Quality Act (CEQA) requirements are met.

EXHIBIT D

Under federal regulations, RCAC cannot act as lead agency for NEPA, as the Department is required to be lead agency for the CDBG-NDR funds. RCAC shall not assume the role of lead agency for any CEQA review process. The Department or one of its designees shall assume the lead agency role for CEQA. RCAC will assist the Department in the CDQA/NEPA processes as needed and obtaining Authority to Use Grant Funds from HUD staff prior to incurring any project implementation costs.

13. Clean Air and Water Acts

This Agreement is subject to the requirements of the Clean Air Act, as amended, 42 U.S.C. 1857 et seq., the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR, Part 15, as amended from time to time.

RCAC and its contractors and subrecipients shall comply with all of the following:

- A. Davis-Bacon Act (40 U.S.C. 3141-3148) requires that workers receive no less than the prevailing wages being paid for similar work in their locality. Prevailing wages are computed by the Federal Department of Labor and are issued in the form of federal wage decisions for each classification of work. The law applies to most construction, alteration, or repair contracts over \$2,000.
- B. "Anti-Kickback Act of 1986" (41 U.S.C. 51-58) The act prohibits attempted as well as completed "kickbacks," which include any money, fees, commission, credit, gift, gratuity, thing of value, or compensation of any kind. The act also provides that the inclusion of

EXHIBIT D

- C. Contract Work Hours and Safety Standards Act - CWHSSA (40 U.S.C. 3702) requires that workers receive "overtime" compensation at a rate of one and one-half (1-1/2) times their regular hourly wage after they have worked forty (40) hours in one week.

- B. For the purposes of this requirement "construction work" includes, but is not limited to rehabilitation, alteration, demolition, installation or repair done under contract and paid for, in whole or in part, through this Agreement. All construction work shall be done through the use of a written contract with a properly licensed building contractor incorporating these requirements (the "construction contract"). Where the construction contract will be between RCAC and a licensed building contractor, RCAC shall serve as the "awarding body" as that term is defined in the LC. Where RCAC will provide funds to a third party that will enter into the construction contract with a licensed building contractor, the third party shall serve as the "awarding body." Prior to any disbursement of funds, including but not limited to release of any final retention payment, the Department may require a certification from the awarding body that prevailing wages have been or will be paid.

the program is situated, and no other public official of such locality or localities who exercise or have exercised any functions or responsibilities with respect to CDBG-NDR activities assisted under this part, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from a CDBG-NDR-assisted activity, or have a financial interest in any contract, subcontract or agreement with respect to a CDBG-NDR-assisted activity or its proceeds, either for themselves or those with whom they have business or immediate family ties, during their tenure, or for one (1) year thereafter. RCAC shall incorporate, or cause to be incorporated, in all such contracts or subcontracts a provision prohibiting such interest pursuant to the purposes of this section.

20. **Conflict of Interest of Certain Federal Officials**

No member of or delegate to the Congress of the United States, and no resident commissioner, shall be admitted to any share or part of this Agreement or to any benefit to arise from the same. Pursuant to 24 CFR 570.482(h) CDBG-NDR funds may not be used to directly assist a business, including a business expansion, in the relocation of a plant, facility, or operation from one labor market area to another labor market area if the relocation is likely to result in a significant loss of jobs in the labor market area from which the relocation occurs. Job loss of more than 500 employees is always considered significant. Job loss of 25 or fewer positions is never considered significant. A waiver has been granted by HUD for this regulation in the Federal Register Notice FR-5936-N-01, but RCAC must receive Department written permission to use.

22. **Anti-Lobbying Certification**

RCAC shall require that the language of this certification be included in all contracts or subcontracts entered into in connection with this grant activity(ies) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and no more than \$100,000 for such failure.

EXHIBIT D

update on each activity. RCAC shall provide written reports on the Monthly Project Update Report form which is reviewed by SNC first before being provided to HCD. Report information is used to update BUF project status in DRGR reporting system.

- C. Annual Performance Report (APR): Submit APR by July 31, starting from the contract effective date to subsequent June 30.
- D. Annual Single Audit Report: Submit Annual Audit within six (6) months of end of fiscal year end.
- E. Labor Standards Wage Compliance Report: Submit Semi-annual Wage Compliance Reports by October 7 and April 7 during the entire project construction period. Submit final Wage Compliance Report thirty (30) days after construction is completed.

The Department reserves the right to request any other periodic reports that may be necessary or desirable, in the opinion of the Department, for the implementation of this Agreement.

27. Monitoring Requirements

The Department shall perform a monitoring of project activities and/or fiscal monitoring of the grant in accordance with requirements of 42 U.S.C. 5304(e)(2), as amended and as modified by Federal Register Notice FR-5936-N-01. RCAC shall be required to resolve any monitoring findings to the Department's satisfaction by the deadlines set by the Department. RCAC will work with HCD technical assistance consultant to conduct ongoing monitoring compliance of contractors and subrecipients funded under this Agreement. RCAC shall assist HCD and HCD technical assistance consultant in complying and maintaining recordkeeping files to facilitate HUD audit reviews under 24 CFR 570.493 for all activities under this Agreement.

In determining appropriate monitoring for each grant activity, the Department shall consider prior grant administration, audit findings, as well as factors such as complexity of the project and the amount of funding. The Department shall determine the areas of monitoring, the number of monitoring visits, and their frequency. Monitoring shall address program compliance with contract provisions, including to but not limited to eligible activity, eligible costs, meeting a National Objective. In addition, monitoring reviews of financial management and requirements of Disaster Relief Appropriations Act, 2013 (Public Law 113-2), Title I of Housing Community Development Act (HCDA) of 1974 (42 U.S. C. 5302 et seq.), HCDA regulations 24 CFR, Part 85, 24 CFR 570 Part I, all applicable federal overlay requirements and all CDBG-NDR published Federal Register Notices shall be conducted.

28. Inspections of Grant Activity

The Department and/or HUD reserves the right to inspect any grant activity(ies) performed hereunder to verify that the grant activity(ies) is being and/or has been performed in accordance with the applicable federal, state and/or local requirements and this Agreement.

- A. RCAC shall inspect any grant activity performed by contractors and subrecipients hereunder to ensure past and current grant activities meet the applicable federal, state

EXHIBIT D

and/or local requirements per this Agreement.

- B. RCAC agrees to require that all grant activities found by such inspections not to conform to the applicable requirements be corrected, and to withhold payment to its contractor or subcontractor and subrecipients, respectively, until it is so corrected.

29. Access to Records

RCAC and its contractors and subrecipients shall at all times during the term hereof provide to the Department, HUD, the State, the Comptroller General of the United States, the California State Auditor, or any of their duly authorized representatives, access to any books, documents, papers, and records for the purpose of making audit, examination, excerpts, and transcriptions pursuant to 24 CFR 85.36(i)(10).

30. Audit/Retention and Inspection of Records

- A. RCAC must have intact, auditable fiscal and program records at all times. If the RCAC is found to have missing audit reports from the California State Controller's Office ("SCO") during the term of this Agreement, RCAC will be required to submit a plan to the Department with task deadlines, for submitting the audit to the SCO. If the deadlines are not met, RCAC will be subject to termination of this Agreement and disencumbrance of the funds awarded. RCAC's audit completion plan is subject to prior review and approval by the Department.
- B. RCAC agrees that the Department or its designee will have the right to review, obtain, and copy all records pertaining to performance of this Agreement. RCAC agrees to provide the Department or its designee with any relevant information requested. RCAC shall permit the Department or its designee access to its premises, during normal business hours for the purpose of interviewing employees and inspecting and copying such books, records, accounts, and other material that may be relevant to a matter under investigation for the purpose of determining compliance with 24 CFR 570 et seq. RCAC further agrees to maintain such records for a minimum period of five (5) years after the Department notifies RCAC that the HUD HCD CDBG-NDR grant contract has been closed. RCAC shall comply with the caveats and be aware of the penalties for violations of fraud and for obstruction of investigation as set forth in PCC 10115.10.
- C. An expenditure that is not authorized under this Agreement or that cannot be adequately documented shall be disallowed. If this determination is made after reimbursement was made to RCAC, then expenditure must be reimbursed to the Department or its designee by RCAC, within 30 days of demand by the Department. Expenditures for grant activity(ies) not described in Exhibit A shall be deemed authorized if the performance of such grant activity(ies) is approved in writing by the Department prior to the commencement of such grant activity(ies).
- D. Absent fraud or mistake on the part of the Department, the determination by the Department of the allowability of any expenditure shall be final.

EXHIBIT D

- E. For the purposes of annual audits under OMB Uniform Guidance, RCAC shall use the Federal Catalog number 14.272 for the CDBG-NDR Program.
- F. Pursuant to OMB Uniform Guidance 2 CFR 200, RCAC shall perform an annual audit at the close of each fiscal year in which this Agreement is in effect. Audit costs for this Agreement are a general administration expense and are subject to the general administration expenditure limits associated with this Agreement. The costs of the CDBG-NDR-related portion of the audit may be charged to the program in accordance with Public Law 98-502, Uniform Guidance, and Section 7122 of Title 25 CCR.
- G. Notwithstanding the requirement of A-F above, the foregoing, the Department will not reimburse RCAC for any audit cost incurred after the expenditure deadline of this Agreement.
 - 1) The audit shall be performed by a qualified State, department, local or independent auditor. The agreement/contract for audit shall include a clause which permits access by the Department to the independent auditor's working papers.
 - 2) If there are audit findings, RCAC must submit a detailed response to the Department for each audit finding. The Department will review the response and, if it agrees with the response, the audit process ends and the Department will notify RCAC in writing. If the Department is not in agreement, RCAC will be contacted in writing and informed what corrective actions must be taken. This action may include the repayment of disallowed costs or other remediation.
 - 3) The Department shall not approve reimbursement for any expenditures for the audit, prior to receiving an acceptable audit report.
 - 4) If so directed by the Department upon termination of this Agreement, RCAC shall cause all records, accounts, documentation and all other materials relevant to the grant activities to be delivered to the Department as depository.

31. **Signs**

If RCAC places signs stating that the activity is funded with private or public dollars and the Department is also providing financing, it shall indicate in a typeface and size commensurate with the Department's funding portion of the project that the Department is a source of financing through the CDBG-NDR Program.

32. **Citizen Participation**

RCAC is subject to the requirements concerning citizen participation contained in Federal Regulations at 24 CFR, Part 570.486, Local Government Requirements, Part 91.105 and 91.115. RCAC must follow a detailed citizen participation plan that satisfies 24 CFR, Part 70.486.

EXHIBIT D

33. Flood Disaster Protection

- A. This Agreement is subject to the requirements of the Flood Disaster Protection Act (FDPA) of 1973 (Public Law 93-234). No portion of the assistance provided under this Agreement is approved for acquisition or construction purposes as defined under FDPA, Section 3(a) of said act, for use in an area identified by the Secretary of HUD as having special flood hazards which is located in a community not then in compliance with the requirements for participation in the national flood insurance program pursuant to FDPA, Section 102(d) of said act.
- B. The use of any assistance provided under this Agreement for such acquisition or construction in such identified areas in communities then participating in the national flood insurance program shall be subject to the mandatory purchase of flood insurance requirements of FDPA, Section 102(a) of said act.
- C. Any contract or agreement for the sale, lease, or other transfer of land acquired, cleared or improved with assistance provided under this Agreement shall contain certain provisions. These provisions will apply if such land is located in an area identified by the Secretary of HUD as having special flood hazards and in which the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4001 et seq.
- D. These provisions shall obligate the transferee and its successors or assigns to obtain and maintain, during the ownership of such land, such flood insurance as required with respect to financial assistance for acquisition or construction purposes under FDPA, Section 102(s) of the Flood Disaster Protection Act of 1973. Such provisions shall be required notwithstanding the fact that the construction on such land is not itself funded with assistance provided under this Agreement.

34. Procurement

RCAC shall comply with the procurement provisions, administrative requirements for grants and cooperative agreements to state, local and federally recognized Indian tribal governments and 2 CFR 200.318 through 200.326, per the Department's certification of these procurement standards.

In accordance with federal register notice FR-5936-N-01, a Data Universal Numbering System (DUNS) number must be collected and reported in the Disaster Recovery Grants Reporting (DRGR) system.

35. Program Income

The Parties acknowledge and agree that repayments from all NDR loans originated by RCAC shall lose their identity as federal CDBG funds, per the June 7, 2016 Federal Register Notice waiver Section V.17(2)(b)s. As such, repayments received will be used in accordance with Exhibit A, Section 3, Healthy California Forest Fund Program.

EXHIBIT D

36. **Obligations of RCAC with Respect to Certain Third Party Relationships**

RCAC shall remain fully obligated under the provisions of this Agreement notwithstanding its designation of any third party or parties for the undertaking of all or any part of the Scope of Work with respect to which assistance is being provided under this Agreement to RCAC. The RCAC shall comply with all lawful requirements of the Department necessary to ensure that the Scope of Work, with respect to which assistance is being provided under this Agreement to RCAC, is carried out in accordance with the Department's Assurance and Certifications, including those with respect to the assumption of environmental responsibilities of the Department under Section 104(g) of the Housing and Community Development Act of 1974 [42 U.S.C. 5304(g)] and Certifications in Exhibit F of this Agreement.

37. **Energy Policy and Conservation Act**

This Agreement is subject to mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

38. **State Contract Manual Requirements (Section 3.11, Federally Funded Contracts (Rev. 3/03):**

- A. All contracts, except for State construction projects that are funded in whole or in part by the Federal government, must contain a 30-day cancellation clause and the following provisions:
- 1) It is mutually understood between the parties that this contract may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds to avoid program and fiscal delays that would occur if the contract were executed after that determination was made.
 - 2) This contract is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the purpose of this Program. In addition, this contract is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this contract in any manner.
 - 3) The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this contract shall be amended to reflect any reduction in funds.
 - 4) The Department has the option to invalidate the contract under the 30-day cancellation clause or to amend the contract to reflect any reduction in funds.
- B. Exemptions from provisions A.1 through A.4 above may be granted by the Department of Finance provided that the director of the State agency can certify in writing that Federal funds are available for the term of the contract.

EXHIBIT D

- C. Government Code (“GC”) § Section 8546.4(e) provides that State agencies receiving Federal funds shall be primarily responsible for arranging for Federally required financial and compliance audits, and shall immediately notify the Director of Finance, the State Auditor, and the State Controller when they are required to obtain Federally required financial and compliance audits.

39. **Required Expenditure Dates**

In accordance with P.L. 113-2, all CDBG-NDR funds must be expended within two years of the date HUD obligates funds to HCD (funds are obligated to a HCD upon HUD’s signing of HCD’s CDBG-NDR grant agreement), unless a waiver is requested and granted by HUD. For purposes of this Agreement, on July 18, 2016, HUD granted the Department a waiver of this requirement and establishing a new expenditure date of September 30, 2022. Subsequently, Congress allowed HUD to extend the expenditure deadline to September 30, 2023, through the Consolidated Appropriations Act, 2021, enacted on December 27, 2020; and the Consolidated Appropriations Act, 2022, signed into law March 15, 2022, provides that funds previously made available in chapter 9 of P.L. 113-2 are to remain available through the federal fiscal year 2025 (September 30, 2025). Then, through the 2022 Omnibus Spending Bill, Congress has allowed all fund allocated under Public Law 113-2 to be available until expended.

40. **Grant Reduction**

If, after HCD is awarded funds and enters into a grant agreement with HUD, HCD then or subsequently proposes to make a substantial amendment to any of the CDBG-NDR project activities, then HUD and HCD reserve the right to amend the award and change the budget amounts under this Agreement.

41. **Withdrawal of Grant Amounts**

If RCAC does not proceed within a reasonable timeframe, HUD and HCD reserve the right to withdraw any funds HCD has not obligated under the award. If funds are withdrawn prior to September 30, 2017, HUD shall redistribute any withdrawn amounts to one or more other jurisdictions eligible for CDBG-NDR funding.

42. **Financial Controls**

The NDRC NOFA requires that any party involved in the CDBG-NDR projects, whether directly or indirectly, must agree to provide any information HCD requires in order to maintain proficient financial controls; on a project costing over \$100 million, the magnitude of such controls will be wide and varying. HCD has developed a Grant Administration Manual (“GAM”) for CDBG-NDR funding and by executing this Agreement, RCAC commits to using the manual as guidance in completing fiscal reports and maintaining accounting records.

43. **Administrative and National Policy Requirements**

Certain Administrative and National Policy Requirements apply to all HUD funding, including CDBG-NDR funding. See NDRC NOFA, Exhibit E, for a list of these requirements. All recipients of this funding or any party involved in a CDBG-NDR project, whether directly or indirectly, must agree to provide any information HCD requires in order to meet the aforementioned

EXHIBIT D

administrative and national policy requirements.

44. **Reporting**

HUD requires RCACs under the NDRC NOFA to report the sources and uses of all amounts expended and other information for HUD's annual report to Congress or other purposes as determined by HUD. All recipients of CDBG-NDR funding for project implementation, whether directly or indirectly, shall report amounts shown in project sources and uses forms and all amounts expended on eligible activities under this Agreement. Parties shall provide information as requested by HCD for purposes of reporting to federal, state and local entities including but not limited to CDBG-NDR quarterly report to HUD, and HUD's annual report to Congress or other purposes as determined by HUD.

Appendix A of the NDRC NOFA contains the requirements applicable to Community Development Block Grant (CDBG) funds made available by the Disaster Relief Appropriations Act, 2013 (PL113-2, approved January 29, 2013) Appropriations Act and awarded under the National Disaster Resilience Competition as CDBG-NDR grants. Appendix A to the NDRC NOFA was subsequently incorporated into Federal Register Notice FR-5936-N-01.

45. **Use of Funds**

- A. The Appropriations Act made funds available for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from a major disaster declared pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. 5121 et seq.) (Stafford Act), due to Hurricane Sandy and other eligible events in calendar years 2011, 2012, and 2013. The Appropriations Act requires funds to be used only for these specific disaster-related purposes.
- B. All recipients of CDBG-NDR grants are subject to: (1) the requirements of the Appropriations Act; (2) the Fiscal Year (FY) 2014 Notice of Funding Availability for National Disaster Resilience Competition (NDRC NOFA), including all appendices and incorporated portions of the FY 2014 General Section (as amended); and (3) applicable regulations governing the CDBG program at 24 CFR Part 570, unless modified by waivers and alternative requirements published by HUD in this NOFA or other applicable Federal Register Notice.

46. **Performance Measures and Related Remedies**

Performance Measures and Penalties provisions are set forth in Exhibit B Section 8. In addition, RCAC shall incorporate sufficient Performance Measures and Penalties in all their contractor and subrecipient agreements to ensure compliance with this federal regulation.

47. **Disputes**

Except as otherwise provided in this Agreement, any dispute arising under or relating to the performance of this Agreement, which is not disposed of, by mutual agreement of the parties shall be decided by a two-tier process. First, RCAC will present their dispute documentation to the

EXHIBIT D

CDBG-NDR Project Manager for review and resolution. If the dispute cannot be resolved by the Project Manager, then it will be presented to the Deputy Director of HCD's Housing Policy Division. The decision of the Deputy Director shall be final, conclusive and binding.

48. Award Date

Given the uniqueness of this NDRC competitive award, HCD is treating the HUD award date as the date of the award for RCAC. Since RCAC was not in the original NDRC funding application, then this provision does not apply to RCAC, so the date of execution is the date of signing of this Agreement by all parties.

As noted in item 1 above, on July 18, 2016, HUD approved HCD's request to extend the expenditure deadline to September 30, 2022. As noted in item 36 above, the Consolidated Appropriations Act, 2022, enacted on March 15, 2022, Congress allowed HUD to extend the expenditure deadline to September 30, 2025-, then the 2022 Omnibus Spending Bill passed by Congress has allowed all fund allocated under Public Law 113-2 to be available until expended.

49. Suspension or Termination

A. Suspension of Work

The Director of HCD, the Acting Director, or any designee of either, by written notice may suspend the work of RCAC, or any portion thereof, for any period up to ninety (90) days, as the Director, Acting Director, or their designee may deem necessary in their reasonable discretion.

B. Termination at Option of Department

The Director, Acting Director, or their designee may, in their sole and absolute discretion and upon ten (10) days' written notice to RCAC, terminate this Agreement in whole or in part. Upon receipt of a termination notice, RCAC shall immediately discontinue all services affected unless the notice specifies otherwise.

C. Termination for Default

The Director, Acting Director, or their designee may, upon three (3) day written notice to RCAC, and without any prejudice to its other remedies, terminate this Agreement in whole or in part for cause. Cause shall consist of violations of any terms and/or special conditions of this Agreement and for the HUD agreement, upon the request of HUD, or the withdrawal of, or any limitation on the Department's expenditure authority. Upon receipt of any notice terminating this Agreement in whole or in part, RCAC shall (1) immediately discontinue all services affected (unless the notice directs otherwise); and (2) deliver to the Department's Contract Manager all data, reports, summaries, and such other information and materials as may have been accumulated by RCAC in performing under this Agreement, whether completed or in progress. At the sole discretion of the Department, the Department may offer RCAC an opportunity to cure any breach(es) prior to terminating for a breach. If after notice of termination for failure to fulfill contract obligations, it is determined that RCAC had not so failed, the termination shall be deemed to have been effected for the convenience of the Department.

EXHIBIT D

D. Termination at Option Upon Bankruptcy of RCAC

In the event proceedings in bankruptcy are commenced against RCAC, or RCAC is adjudged bankrupt or a receiver is appointed, RCAC shall notify the Department immediately in writing and Department may terminate this Agreement and all further rights and obligations by giving three (3) days' notice in writing to RCAC in the manner specified herein.

E. Termination or Suspension in Cases of Litigation

The Department shall have the right to either termination of this Agreement or suspend performance hereunder pursuant to this Exhibit, Section 3 above.

F. Effects of Suspension and Termination

Costs incurred by or paid by RCAC relating to obligations incurred by RCAC during a suspension or after termination of an award are not allowable unless the Department expressly authorizes them in the notice of suspension or termination or subsequently. Other RCAC costs during suspension or after termination which are necessary and not reasonably avoidable are allowed if:

- 1) The costs resulting from obligations which were properly incurred by RCAC before the effective date of suspension or termination, are not in anticipation of suspension or termination; and, in the case of a termination, are non-cancellable; and,
- 2) The costs would be allowable if the award was not suspended or expired normally at the end of the funding period in which the termination takes place. Notwithstanding the previous sentence, any costs incurred after this contract is terminated are not reimbursable.
- 3) Relationship to Debarment and Suspension. The enforcement remedies identified in this Section, including suspension and termination, do not preclude a RCAC from being subject to 2 CFR Part 2424. CDBG funds may not be provided to excluded or disqualified persons, organizations, companies or entities per 24 CFR 570.489(i).

G. Non-Compliance

Enforcement for noncompliance may include, but is not limited to, the following remedies if RCAC materially fails to comply with any term of this Agreement, whether stated in a federal statute or regulation, an assurance in a State plan or application, a notice of award, or elsewhere:

- 1) Temporarily withhold cash payments pending correction of the deficiency by the RCAC.
- 2) Disallow (that is, deny use of funds for) all or part of the cost of the activity or

EXHIBIT D

action not in compliance.

- 3) Wholly or partly suspend or terminate the current award for RCAC's program.
- 4) Exercise any other remedies or any other rights that may be legally available to the Department, including termination of this Agreement.

H. Cumulative Remedies

The rights and remedies of the Department provided in this Agreement are cumulative and are in addition to any other rights and remedies provided by law, all of which are hereby reserved.

I. Completion

In the event of termination for default, the Department reserves the right to take over and complete the work by contract or other means; RCAC will fully cooperate with the Department and provide all information needed for a smooth transition. In such case, RCAC is liable to Department for any additional costs incurred by the Department to complete the work.

50. Force Majeure

“Force Majeure” is an unforeseeable event outside of a party’s reasonable control which prevents or delays performance of that party’s obligations under this Agreement. Such event does not include the normal risks a party assume when it enters a contract. A Force Majeure event is a natural disaster such as an earthquake, flood, hurricane, pandemic, an Act of God, act of war, act of public enemies of this state or of the United States, or other similar event.

“Force Majeure” also includes actions or measures taken by any governmental authority, including executive orders, public health orders, or other governmental orders, laws, regulation, or other governmental action taken in response to a “Force Majeure” event, such as a quarantine or other restriction, which prevents or delays the performance of a parties’ obligations under this Agreement.

The party asserting “Force Majeure” must give notice to the other party(s) to this Agreement within ten calendar days of the occurrence of the Force Majeure event, notice to be given in accordance with the notice provisions of this Agreement. Such notice must include a description of the Force Majeure event, how the event has prevented or delayed the party’s ability to perform its obligations under this Agreement, a description of the reasonable measures the asserting party proposes to take to resume performance of its obligations under this Agreement, and a date by which the party anticipates it will resume performance of its obligations hereunder.

51. Federal Register Notice(s)

The parties agree that in addition to complying with all other terms and conditions set forth in the Standard Agreement and the various Exhibits thereto, to the extent additional requirements or conditions are imposed upon HCD by HUD in any Federal Register Notice (“FRN”) relating to the

EXHIBIT D

NDRC project, the parties will be required to comply with such additional requirements or conditions, as will their respective recipients of CDBG NDR funding. In connection therewith, the parties acknowledge having reviewed the following three FRNs issued by HUD prior to the date hereof: (i) 81 FRN 109, page 36557 [Docket No. FR-5936-N-01] dated June 7, 2016; (ii) 80 FRN 21, page 5570 [Docket No. FR-5831-N-03] dated February 2, 2015; and (iii) 79 FRN 202, page 62654 [Docket No. FR-5753-N-11] dated October 20, 2014. The parties further acknowledge that additional FRNs relative to the NDRC project will be issued by HUD in the future, and that each party must also comply with any requirements and conditions set forth in such subsequent FRNs.

52. HCD National Disaster Resilience (DR) Grant Administration Manual (GAM)

RCAC shall utilize the most current version of the CDBG-NDR Manual in implementing CDBG-NDR activities. RCAC will work with HCD's technical assistance consultant to ensure all activities are in compliance with CDBG and CDBG-NDR rules and regulations.

53. Duplication of Benefit

Duplication of benefits (DOB) requirements in section 312 of the Stafford Act and in the Appropriations Act applies to the use of CDBG-NDR funds. HCD has developed a process for documenting any DOB for project activities. This process is based on HUD Federal Register Notice 76 FR 71060 published on November 16, 2011, and other HUD published guidance. Prior to release of any project activity funding, RCAC must follow HCD process for documentation of DOB. The DOB calculations must be completed and approved in writing by HCD as part of clearing general conditions for each project activity under this Agreement upon clearance of general conditions, project funding will be released.

54. Non-Discrimination Language from 41 CFR Part 60-1.4(b)

RCAC shall comply with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity", as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapters 60).

55. Policies on Excessive Use of Force

RCAC must have and follow these policies: 1) Prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in nonviolent civil rights demonstration; and, 2) Enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location that is the subject of such nonviolent civil rights demonstration within its jurisdiction.

56. Project Design/Feasibility

RCAC will demonstrate that the engineering design and financial feasibility for each project activity under this Agreement is feasible prior to obligation of funds for construction or project development. This demonstration is satisfied if a registered professional engineer (or other design

EXHIBIT D

professional) certifies that the design meets the appropriate code or industry design and construction standards. RCAC will ensure project designs, to the greatest degree possible, use construction methods that are high quality, green construction, energy and water efficient, healthy indoor environments, resilient and mitigating the impact of future disasters.

57. Use of Web Based Grant Management Software

RCAC staff shall utilize the current web-based software that HCD provides for CDBG-NDR grant administration. The HCD technical assistance consultant shall develop such software and shall provide training and technical assistance to RCAC's staff on accessing and using the software. The software license from the consultant is extended to HCD's employees as Authorized Users and is extended to RCAC's staff as Non-HCD Authorized Users.

RCAC, as Non-HCD Authorized User, acknowledges that its and its employee use of the CDBG-NDR software created for this Agreement by the technical assistance consultant is expressly subject to the terms and conditions of the software license granted to HCD in Section 1 of Exhibit F to that certain agreement between HCD and the consultant (the "License"), which License RCAC has reviewed and agrees to be fully bound by. These indemnity, defense and hold harmless obligations of RCAC shall indefinitely survive the completion or earlier termination of this Agreement.

58. Required Federal Language from 2 CFR Part 200 Appendix II

Appendix II to CFR Part 200 sets forth mandatory provisions which must be incorporated into non-Federal entity contracts involving federal funds awards. This requirement applies to the subject matter of this Agreement. Accordingly, Appendix II to CFR Part 200 is hereby incorporated into and made part of this Agreement by reference. RCAC acknowledges having reviewed such provisions and agrees to the terms thereof. RCAC further acknowledges that HCD is requiring that all other recipients of CDBG-NDR funding incorporate Appendix II to CFR Part 200 into their agreements.

59. Procurement of Recovered Materials

A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act (42 USC 6901, et seq.), as amended by the Resource Conservation and Recovery Act (42 USC 6962, et seq.). The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

60. Rights to Inventions Made Under a Contract or Agreement

If a Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit

EXHIBIT D

organization regarding the substitution of parties, assignment or performance of recipient or subrecipient must comply with requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements, " and any implementing regulation issued by the awarding agency.

61. Ethical Standards/Code of Conduct

RCAC must develop and maintain written standards of conduct as required by 2 CFR 200.318 and ensure all of its principals, employees and contractors/subrecipients conduct themselves in accordance herewith.
