MEMORANDUM

DATE: April 24, 2014

TO: Planning Directors and Interested Parties

FROM: Lisa Bates, Deputy Director Division of Housing Policy Development

SUBJECT: Transitional and Supportive Housing Chapter 183, Statutes of 2013 (SB 745)

This memorandum is to update local decision makers on recent amendments to housing element law (Government Code Section 65582) related to transitional and supportive housing zoning requirements. In 2007, SB 2 (Chapter 633, Statutes of 2007) revised housing element law requiring that transitional and supportive housing be permitted as a residential use, subject only to restrictions that apply to other residential dwellings of the same type in the same zone. SB 745, which took effect on January 1, 2014, generally amends the Section 65582 of the Government Code to replace prior Health and Safety Code definitions of "supportive housing," "target population," and "transitional housing" with definitions now more specific to housing element law.

Previously, definitions for "supportive housing," target population," and "transitional housing" were found in subdivision (b) of Section 50675.14, subdivision (3)(a) of Section 50675.14 and subdivision (h) of Section 50675.2 of the Health and Safety Code, respectively. SB 745 deletes reference to these sections and creates new definitions in Government Code Section 65582.

The intent for this change is to remove cross references in Government Code Section 65582 to the definitions of "supportive housing" and "transitional housing" that are used in the statues governing the Multifamily Housing Program (MHP) and replace them with the current definitions that are used for the purposes of zoning applicable at the time SB 2 (Cedillo, Chapter 633, Statutes of 2007) passed. For your assistance, the specific language of SB745 that amends Section 65582 of the Government Code is included in Attachment A.
