

# 2013 CDBG ROUNDTABLE DISCUSSIONS

The Department of Housing and Community Development (HCD), CDBG Program will be holding Roundtable discussions throughout the state. We invite you to attend one of the area Roundtable Discussions. *These discussions are being held the day after each of the NOFA Workshops.* The CDBG Program continues to adjust to changing needs, reduced funding amounts, new Federal Regulations and the ongoing need to improve what we do. To that end, we have scheduled these Roundtable Discussions for our customers to dialog with Program staff.
