Notes:

Map base is provided by County GIMS (Geographic Information Management System). Census Tract Base is provided by County GIMS, but amended consistent with the US Department of Census Maps for accuracy (i.e., location on streets). Rail and river locations are based on County GIMS Street Centerline Maps.

The zoning designations pertain only to that area within Census Tract 94.00 and within the Barstow Industrial Park. All other areas have been excluded.

This drawing is on file with the City of Barstow. It is made available pursuant to Section 6250 et. seq., C.G.C. upon payment of the appropriate fee. The City of Barstow makes no representation concerning the accuracy of these items and recommends that they be examined in the field prior to making engineering/design decisions.
