Borrower's duty to indemnify the Department shall survive the term of this Development Agreement, the release and cancellation of the Note and the reconveyance or partial reconveyance of the Deed of Trust.
- b. Waiver and Release. The Borrower waives any and all rights to any types of express or implied indemnity against the Department or its agents, officers or employees.
- c. Waiver. The Borrower expressly waives the protections of section 1542 of the Civil Code in relation to subparagraphs a. and

b. above. Said section 1542 provides as follows: A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

### **MISCELLANEOUS**

29. Further Assurances. At the Department's request and at Borrower's expense, Borrower shall execute, acknowledge and deliver any other instrument and perform any other act necessary, desirable or proper (as determined by the Department) to carry out the purpose of the Loan Documents or to perfect and preserve any liens created by the Loan Documents.
30. Notice. Except for any notice required under applicable law to be given in another manner, any notices, demands or communications between the parties hereto shall be sufficiently given if, and shall not be deemed given unless, dispatched by certified mail, postage prepaid, return receipt requested or delivered by express delivery service with delivery receipt, to the address of the respective party as indicated herein, or to such other address as the respective party may have designated by written notice given to the other party in the manner provided herein. Such written notices, demands and communications shall be effective on the date shown on the delivery receipt as the date delivered, the date on which delivery was refused, or the date on which delivery was attempted.
31. Displacement and Relocation. If the acquisition or rehabilitation of the Development will result in the temporary or permanent displacement of tenants, the Borrower shall comply with all requirements of California relocation law, including the preparation and implementation of a tenant relocation plan, if applicable. The relocation plan shall be subject to the approval of the Department. Borrower shall be solely responsible for all costs of relocation benefits and assistance.
32. Amendments and Additional Agreements. This Agreement shall not be altered or amended except in writing executed by all parties. The Borrower agrees that any other agreements entered into by the Borrower relating to the performance of this Agreement shall be subject to the written approval of the Department.
33. Books and Records. Borrower shall maintain complete books of accounts and other records for the Development and for the use of the Loan proceeds and operating income; including, but not limited to, records of preliminary notices, lien releases, invoices and receipts, and certificates of insurance pertaining to the contractor and each subcontractor; and the same shall be available for inspection and copying by the Department upon reasonable notice to Borrower.

34. No Third Parties Benefited. No person other than the Department and Borrower, and their permitted successors and assigns or, in the case of the Regulatory Agreement, the tenants of the Development to the extent specified therein, shall have any right of action under any of the Loan Documents.
35. Authority to File Notices. Borrower irrevocably appoints and authorizes the Department, as Borrower's attorney-in-fact, which agency is coupled with an interest, to execute and record, on either of them, in the Department's or Borrower's name, any notices, instruments or documents that the Department deems appropriate to protect the Department's interest under any of the Loan Documents.
36. Actions. The Department may commence, appear in or defend any action or proceeding purporting to affect the Property, Development, Loan Documents or the rights, duties or liabilities of Borrower or the Department under the Loan Documents. In exercising this right, the Department may incur or incur and pay reasonable costs and expenses including, without limit, attorney's fees and court costs and Borrower agrees to pay all such expenses so incurred and reimburse the Department for any expenses so paid.
37. Relationship of Parties. The relationship of Borrower and the Department under the Loan Documents is, and shall at all times remain, solely that of borrower and lender. The Department neither undertakes nor assumes any responsibility or duty to Borrower or to any third party with respect to the Property or the Development, except as expressly provided in the Loan Documents.
38. Assignment of Loan Documents. Borrower shall not assign Borrower's interest, of any portion thereof, under any of the Loan Documents, or in any monies due or to become due thereunder, without the Department's prior written consent. Any such assignment made without the Department's consent shall be void. Borrower recognizes that this is not an ordinary commercial loan and that the Department would not make the Loan except in reliance on Borrower's expertise and reputation, the Department's knowledge of Borrower, and the Department's understanding that this Development Agreement is more in the nature of an agreement involving personal services than a standard loan where the Department would rely on security which already exists. In this instance, the work funded has not been performed at the time of Loan approval and the Department is relying on Borrower's expertise and prior experience to rehabilitate the Development in accordance with the terms of the Loan Documents.
39. Restrictions on Transfer of Property, Project and Interest in Borrower. Borrower shall not assign, sell, transfer or convey any interest in the

Borrower, the Property, or the Development, including, without limitation, any general partnership interest in the Borrower, without the Department's prior written consent. Borrower shall promptly notify the Department of such transfers and shall provide the Department with any documents respecting such transfer as the Department may reasonably request. Provided however that Borrower, if Borrower is a limited partnership, may sell, assign, transfer or convey limited partnership interests without the prior approval of the Department.

40. Signs. During the construction period, the Department may require Borrower to place on the Property signs stating that the Department is providing financing for the Development.
41. Department's Agents. The Department may designate an agent or independent contractor to exercise any of the Department's rights under the Loan Documents. Any reference to the Department in any of the Loan Documents shall include the Department's agents, employees or independent contractors.
42. Severability. If any provision of the Loan Documents shall be determined by a court of competent jurisdiction to be invalid, illegal or unenforceable, that portion shall be deemed severed from the Loan Documents and the remaining parts shall remain in full force as though the invalid, illegal, or unenforceable portion had never been part of the Loan Documents.
43. Heirs, Successors and Assigns. The terms of the Loan Documents shall be binding upon and inure to the benefit of the heirs, successors and assigns of the parties; provided however, that this paragraph does not waive the provisions of paragraph 39.
44. Time. Time is of the essence of each term of the Loan Documents.
45. Headings. All headings appearing in any of the Loan Documents are for convenience only and shall be disregarded in construing the Loan Documents.
46. Governing Law. The Loan Documents shall be governed by, and construed in accordance with, the laws of the State of California, except to the extent preempted by federal laws. Borrower and all persons and entities in any manner obligated to the Department under the Loan Documents consent to the jurisdiction of any federal or state court within the State of California having proper venue and also consent to service of process by any means authorized by California or federal law.
47. Integration; Interpretation. The Loan Documents contain or expressly incorporate by reference the entire agreement of the parties with respect to the matters contemplated herein and supersede all prior negotiations. No Loan Document shall be modified except by written instrument

executed by all the parties thereto. Any reference in any of the Loan Documents to the Property or Development shall include all or any parts of the Property or Development. Any reference to the Loan Documents in any of the Loan Documents includes any amendments, renewals or extensions approved by the Department. Any reference in this Development Agreement to the Loan Documents shall include all or any of the provisions of this Development Agreement and the Loan Documents unless otherwise specified.
