Common Sponsor User Errors

- Not using Copy and "Paste Values" when copying data into the consolidated SRI. "Copy and Paste" corrupts the form by bringing in different formats.
- Tab 1 - not entering the number of Regulatory Agreements in the project - cell G5.
- Tab 1 - not checking box(es) in section B identifying HCD funding in the project.
- Tab 2 - entering or copying data into cells that does not conform to cell drop down list selections.
Helpful Hints

► Always download the most recent version of the form from HCD’s website at http://www.hcd.ca.gov/grants-funding/already-have-funding/all-rental-projects.shtml.

► Utility Allowances should only be applied if tenants pay utilities

► Managers Unit:
  ➢ Report on “Non-assisted” (Tab 3) if not “assisted” or income-restricted
  ➢ Even if the unit is rent-free, the gross potential rent must be listed

► Tab 2 - hide blank (unused) yellow shaded rows by clicking down arrow in cell A6 and unchecking (Blanks) box.
