Division of Financial Assistance

SUBJECT: AMENDMENT #1 NOTICE OF FUNDING AVAILABILITY HOME INVESTMENT PARTNERSHIPS PROGRAM

The Department of Housing and Community Development (HCD) is announcing revisions to the Notice of Funding Availability (NOFA) dated June 5, 2018 regarding the availability of approximately $72 million in funding for the Home Investment Partnerships (HOME) Program as set forth below. A strikeout/underline version of the changes is included as an attachment. All other provisions remain in effect.

III. State and federal requirements

C. Timeframes for use of funds

Recipients of HOME funds are subject to progress deadlines and expenditure deadlines that are defined in the state and federal regulations and specified in the Standard Agreement. Failure to meet applicable deadlines may potentially result in the assessment of penalties, potential recapture of HOME funds (spent and/or unspent), and point deductions from future NOFA applications:

Projects

When committing HOME funds to rehabilitation or new construction projects, HCD must ensure that: 1) all necessary financing is secured, 2) a budget and schedule
has been established, 3) underwriting by HCD is complete, and 4) and construction is scheduled to start within 12 months. In addition, HCD must enter this project set-up information in HUD’s IDIS system.

If a project fails to meet one or more of the deadlines outlined in state HOME regulations 25 CFR section 8217, the applicant (city, county, developers applying directly, or CHDO), as well as the project’s developer, owner, and managing general partner, may receive a performance penalty on the next project application in which they are involved. If a project fails to meet three or more deadlines, the applicant shall be held out of future project funding rounds until that project is completed, occupancy is obtained, all expenditures are made, and all necessary HOME funds are drawn.

IV. Award Announcements and Contracts

B. Contracts

Awardee(s) will enter into a Standard Agreement with HCD. The Standard Agreement contains all the relevant state and federal requirements, as well as specific information about the award and the work to be performed. All projects are required to close all permanent loans by March 2022. The Standard Agreement will contain deadlines that are consistent with federal requirements; failure to meet these deadlines will be considered a material breach of the Standard Agreement.

Note: The Standard Agreement will be delayed if awardee does not timely provide HCD with all entity resolutions and other entity documentation (e.g., bylaws, articles of incorporation, 501(c)(3) certification, certificate of good standing), which evidences that Awardee has the legal authority to contract with HCD.

A condition of award will be that a Standard Agreement must be executed by the awardee(s) within 90 days (Contracting Period) of HCD’s issuance of the award letter. Failure to execute the Standard Agreement(s) within the Contracting Period may result in award cancellation. The awardee(s) shall remain a party to the Standard Agreement for the entire term of the Standard Agreement; removal of the awardee(s) shall be prohibited.

Additionally, consistent with the communication sent though HCD’s listserv, the application due date has been extended from August 6, 2018 to August 30, 2018.

If you have any questions, contact NOFA Manager, Charles Gray at (916) 263-1014 or charles.gray@hcd.ca.gov.
