Section 100. Purpose and Scope

- (a) The No Place Like Home (NPLH) Program was established by Part 3.9 of Division 5 of the Welfare and Institutions Code (commencing with Section 5849.1) enacted in 2016.
- (b) The purpose of the NPLH Program is to provide financing for acquisition, design, construction, rehabilitation and preservation costs, and to capitalize operating reserves for permanent supportive housing for individuals living with a serious mental illness who are homeless, chronically homeless, or at-risk of chronic homelessness.
- (c) The purpose of these Technical Assistance Guidelines (Guidelines) is to implement and interpret the technical assistance component of the NPLH Program. Section 5849.10 authorizes the Department of Housing and Community Development (Department) to establish terms, conditions and procedures for awarding funds for technical and application preparation assistance to Counties.

Section 101. Definitions

All terms not defined below shall, unless their context suggests otherwise, be interpreted in accordance with the meaning of terms ascribed in Part 3.9 of Division 5 of the Welfare and Institutions Code (commencing with Welfare and Institutions Code Section 5849.1).

- (a) "Applicant" means a County.
- (b) "Chronically Homeless" has the same meaning as defined in 24 Code of Federal Regulations (CFR) 578.3, as that section read on May 1, 2016, as follows:
 - (1) A "homeless individual with a disability," as defined in section 401(9) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11360(9)), who:
 - (A) Lives in a place not meant for human habitation, a safe haven, or in an emergency shelter; and
 - (B) Has been homeless and living as described in paragraph (1) (A) of this definition continuously for at least 12 months or on at least 4 separate occasions in the last 3 years, as long as the combined occasions equal at least 12 months and each break in homelessness separating the occasions included at least 7 consecutive nights of not living as described in paragraph (1) (A). Stays in institutional care facilities for fewer than 90 days will not constitute as a break in homelessness, but rather such stays are included in the 12-month total, as long as the individual was living or residing in a place not meant for human habitation, a safe haven, or an emergency shelter immediately before entering the institutional care facility;

- (2) An individual who has been residing in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital, or other similar facility, for fewer than 90 days and met all of the criteria in paragraph (1) of this definition, before entering that facility; or
- (3) A family with an adult head of household (or if there is no adult in the family, a minor head of household) who meets all of the criteria in paragraph (1) or (2) of this definition, including a family whose composition has fluctuated while the head of household has been homeless.
- (c) “County” or “Counties” includes, but is not limited to, a city and county, and a city receiving funds pursuant to Section 5701.5 of Welfare and Institutions Code.
- (d) “At-Risk of Chronic Homelessness” includes, but is not limited to, persons who are at high-risk of long-term or intermittent homelessness, including persons with mental illness exiting institutionalized settings, including, but not limited to, jail and mental health facilities who were homeless prior to admission, transition age youth experiencing homelessness or with significant barriers to housing stability, and others.
- (e) “Homeless” has the same meaning as defined in 24 CFR 578.3, as that section read on May 1, 2016, including, but not limited to:
- (1) An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:
- (A) An individual or family with a primary nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground,
- (B) An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, State, or local government programs for low-income individuals), or
- (C) An individual who is exiting an institution where he or she resided for 90 days or less, and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution;
- (2) An individual or family who will imminently lose their primary nighttime residence provided that:
- (A) The primary nighttime residence will be lost within 14 days of the date of application for homeless assistance,
- (B) No subsequent residence has been identified, and

(C) The individual or family lacks the resources or support networks, such as family, friends, faith-based or other social networks, needed to obtain other permanent housing,

(3) Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:

(A) Are defined as homeless under Section 387 of the Runaway and Homeless Youth Act (42 U.S.C. 5732a), Section 637 of the Head Start Act (42 U.S.C. 9832), Section 41403 of the Violence Against Women Act of 1994 (U.S.C. 14043e-2), Section 330(h) of the Public Health Service Act (42 U.S.C. 254b(h)), Section 3 of the Food and Nutrition Act of 2008 (7 U.S.C. 2012), Section 17(b) of the Child Nutrition Act of 1966 (42 USC 1786 (b)), or Section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a),

(B) Have not had a lease, ownership interest, or occupancy agreement in permanent housing at any time during the 60 days immediately preceding the date of application for homeless assistance,

(C) Have experienced persistent instability as measured by two moves or more during the 60-day period immediately preceding the date of applying for homeless assistance, and

(D) Can be expected to continue in such status for an extended period of time because of chronic disabilities; chronic physical health or mental health conditions; substance addiction; histories of domestic violence or childhood abuse (including neglect); the presence of a child or youth with a disability; or two or more barriers to employment, which include the lack of a high school degree or General Education Development (GED), illiteracy, low English proficiency, a history of incarceration or detention for criminal activity, and a history of unstable employment, or

(4) Any individual or family who:

(A) Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual's or family's primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence,

(B) Has no other residence, and

(C) Lacks the resources or support networks, such as family, friends, and faith-based or other social networks, to obtain other permanent housing.

(f) "Continuum of Care" has the same meaning as defined in 24 CFR Section 578.3, that is, the group organized to carry out the responsibilities under 24 CFR Part 578, and that is composed of representatives of organizations, including nonprofit homeless providers, victim service providers, faith-based organizations,

governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within the geographic area and are available to participate.

- (g) “Coordinated Entry System” means a centralized or coordinated process developed pursuant to 24 CFR Section 578.7(a)(8), as that section read on May 1, 2016, designed to coordinate program participant intake assessment and provision of referrals. A centralized or coordinated assessment system covers the geographic area, is easily accessed by individuals and families seeking housing or services, is well advertised, and includes a comprehensive and standardized assessment tool.¹
- (h) “Department” means the Department of Housing and Community Development.
- (i) “County Homeless Plan” means a county plan to combat homelessness, which includes a description of homelessness countywide, any special challenges or barriers to serving the Target Population, county resources applied to address the issue, available community-based resources, an outline of partners and collaborations, and proposed solutions.

Housing First providers offer services as needed, and requested, on a voluntary basis and do not make housing contingent on participation in services or programs.
- (k) “Permanent Supportive Housing” has the same meaning as “supportive housing,” as defined in Section 50675.14 of the Health and Safety Code, except that permanent supportive housing shall include associated facilities if used to provide services to housing residents.

Serious mental disorders include, but are not limited to, schizophrenia, bipolar disorder, post-traumatic stress disorder, as well as major affective disorders or other severely disabling mental disorders. This section shall not be construed to exclude persons with serious mental disorder and a diagnosis of substance abuse, developmental disability, or other physical or mental disorder.”²

- (n) “Target Population” means individuals or households that include one or more individuals described in Welfare and Institutions Code Section 5600.3 (including, but not limited to “Seriously Emotionally Disturbed Children or Adolescents” and adults or older adults who have a “Serious Mental Disorder”) who are homeless, chronically homeless, or at risk of chronic homelessness.
