References: HUD 01/10/2012

The federal Consolidated Plan regulations Section 91.305 Subpart D refer to the extremely low-income target group, the 30 percent level, used in both HOME and CDBG programs. For CDBG, 24 CFR 570.3 describes that HUD's income limits for the 50 percent and the 80 percent income levels are CDBG's Low- and Moderate-income limits, respectively. For HOME, 24 CFR 92.216 establishes what is called the "60% limit". HOME's income limits for the 50 percent and 80 percent levels are called Very Low- and Low-income, respectively.

<http://www.hud.gov/offices/cpd/affordablehousing/programs/home/limits/income/2012/>

For all income categories, the income limits for households larger than eight persons are determined as follows: for each person in excess of eight, add eight percent of the four-person "50%" limit to the "50%" limit for eight persons and round the answer to the nearest \$50. For example, the nine-person "50%" limit for Alameda County equals \$65,500 ( \$46,750 \* .08 = \$ 3,740 added to \$ 61,750 = \$ 65,490 rounded to \$65,500)

**46,750                      0.08                      3,740                      61,750                      65,490                      65,500**

\* Percentages may not be mathematically related to each other. Percents are used as names for the categories because programs' actual names for limits differ.
