

## APPENDIX A

This data is the primary data used by the Department to score Need for each activity in the CDBG application. HUD did not update the LOW/MOD data for 2018; therefore, it remains the same as published in 2017. All other data was updated. Data sources: U.S. Department of Housing & Urban Development (HUD); State of California Department of Finance (DOF); and, State of California Employment Development Department (EDD). Both HUD and DOF use the American Community Survey (ACS) Data 5-Year Summary File as gathered by the U.S. Census Bureau.

Please direct all 2018 CDBG NOFA inquiries to the CDBG NOFA Unit, [cdbgnofa@hcd.ca.gov](mailto:cdbgnofa@hcd.ca.gov).
