APPLICATION PROCEDURES AND DEADLINE

A. Application Process

Applicants who have submitted a concept proposal and have been invited to submit a full application must submit a full and complete application using the Financial Assistance Application Submittal Tool (FAAST) system by **no later than 5:00 PM on April 20, 2015**. HCD will evaluate competitive applications for compliance with all requirements in Sections 105 and 106 of the Guidelines, and will score eligible applications based on the criteria in Section 107. HCD will contact applicants recommended for funding.

B. Application Packaging and Submittal

2. Full Applications

- a. Applicants must complete and submit the Full Application using the Financial Assistance Application Submittal Tool (FAAST) system according to the following instructions:
 - Access the FAAST online application tool at:
https://faast.waterboards.ca.gov/User_Registration/SignUpOrgSearch.aspx.
 - Enter your existing PIN #, your login name, and password to use the FAAST tool. Application information will be entered into FAAST by typing information into text boxes, selecting choices from preset lists, and uploading attachments.
 - Explore the FAAST tool before beginning work on your application. Then prepare answers in an unformatted text document for editing. Finally, cut and paste information into the online application and ensure that your content is displaying correctly and responses are not cut off.
 - Review Full Application instructions to submit all required attachments and documentation.
 - Be sure to save your work often. The FAAST tool starts a 90-minute timer each time a user logs into their account. The timer resets to 90 minutes each time a user saves their work to the system. When working in FAAST, you can save work-in-progress at any point, and you can then return to your application at another time.
 - Use only basic formatting. Extra symbols or layout designs can interfere with completion of the online application.
 - Full Applications and attachments, including the Full Application Workbooks (Excel), must be submitted via the FAAST system by **no later than 5:00 PM on April 20, 2015**.

- b. Applicants that are also Metropolitan Planning Organizations (MPOs), or affiliated with an MPO, must provide documentation satisfactory to the Department specifically detailing the MPO evaluation process of the AHSC applications and how that process results in an unbiased evaluation of all AHSC applications. Additionally, the authorizing resolution to be submitted with the Applicant's AHSC application shall clearly indicate the capacity in which the MPO is acting and confirm that the Applicant is an eligible applicant under the AHSC Program Guidelines.

- c. Applicants are also required to submit a hard copy of the Full Application Workbooks (Excel) with wet signatures, through a mail carrier service such as U.S. Postal Service, UPS, Fed Ex or other carrier services that provide date stamp postmark verification to HCD's offices at:

No applicant may appeal the evaluation of another applicant's application.

D. State Prevailing Wages

AHSC Program funds awarded under this NOFA are subject to State prevailing wage law, as set forth in Labor Code Section 1720 et seq. SB 854 (Stat. 2014, Chapter 28) made several changes to the laws governing how the Department of Industrial Relations (DIR) monitors compliance with prevailing wage requirements on public works projects. No contractor or subcontractor may bid or work on a public works project unless registered with DIR.

State prevailing wage law applies to the Capital Project (for both grants and loans) funded by the AHSC Program. The Capital Project is a component of the overall project, as defined in the Guidelines. However, State prevailing wage law may not necessarily apply to the overall project. The nature and extent of prevailing wage requirements will depend on the financial structure of each project receiving or supported by AHSC Program assistance. **Applicants are urged to seek professional advice as to how State prevailing wage law may affect their application.**

The AHSC Program information and any updates will be posted on HCD's website at <http://www.hcd.ca.gov/fa/ahsc>.

Questions may be directed to the AHSC Program at (916) 263-2771 or ahsc@hcd.ca.gov.
