

2015-2025 SHP Proposed Outline

Executive Summary

Preface – Housing: A Cross-Sector Platform

I. Guiding Principles (examples)

- Ensure access to housing opportunities for all income levels, all demographic groups (ages, abilities, race/ethnicity)
- Identify targeted strategies to expand housing opportunity for California’s low-income, vulnerable and underserved populations, including but not limited to: low income families and seniors, the homeless, veterans, foster children, farmworkers, low wage workers, and people with disabilities. .
- Create partnerships for cross-sector integration and improved outcomes
- Build location-efficient affordable housing to address climate goals and expand opportunity
- Foster mixed-income communities and promote strategies that overcome historical patterns of racial and economic housing segregation.
- Support economic sustainability and resilience
- Prevent the displacement of households that face rising costs

II. Statewide Housing Plan Purpose

- Present a strategic vision to guide California housing policy
- Build public will for robust housing investments at all levels
- Demonstrate collaborative approaches
- Reaffirm housing as a platform to improve quality of life
- Guide strategic investment and implement broader State planning goals
- To provide guidance and accessible and useable tools for local governments’ systematic approach to meet their housing need

III. Historical Perspective and Current Context

1. **National context**
2. **California context**
 - Regional context
 - Update on state of housing in California
 - Unique role for the State in housing

IV. Looking Forward – 5 Years, 10 Years

- Statewide housing need, regional context
- Economy
- Demographics

2015-2025 SHP Proposed Outline

V. Community Integrated Outcomes: Baseline and Measuring Progress

- Integrated Goals
- Objectives/Strategies
- Community Outcomes
- Indicators measuring progress

VI. Implementation Tools

Financial Investment Strategy

- a. Typology framework to inform/prioritize investment

Policy/Research Investment

- a. Best practices/Innovations in regions
- b. SCS housing integration assessment metrics (indicators and baseline)
- c. Policy Focus Areas

Capacity Building Investment (Local Toolbox)

- a. Place/ Housing need typologies with set of strategies
- b. Community Assessment Tool
- c. Opportunity Mapping
- d. Capacity building/TA

VII. Conclusions and Recommendations

Appendices
