**Re: Native American Contact List for the Owner Occupied Rehabilitation and Reconstruction Program - 2017 Community Development Block Grant-Disaster Recovery Project, Butte, Lake, Los Angeles, Mendocino, Napa, Nevada, Orange, San Diego, Santa Barbara, Sonoma, Ventura and Yuba Counties**

Dear Mr. Helo:

Attached are lists of tribes that have cultural and traditional affiliation to the area of potential effect (APE) for the project referenced above. I suggest you contact all of the tribes listed, and if they cannot supply information regarding the presence of cultural resources, they may recommend others with specific knowledge. The list should provide a starting place to locate areas of potential adverse impact within the APE. By contacting all those on the list, your organization will better able to respond to claims of failure to consult, as consultation may be required under specific state Statutes. If a response from the tribe has not been received within two weeks of notification, the Native American Heritage Commission (NAHC) requests that you follow up with a telephone call or email to ensure that the project information has been received.

The NAHC also recommends that the project proponents conduct a record search of the NAHC's Sacred Lands File (SLF) and also of the appropriate regional archaeological Information Center of the California Historic Resources Information System (CHRIS) to determine if any tribal cultural resources are located within the APE of the project.

The SLF, established under Public Resources Code sections 5094. subd. (a) and 5097.96, includes sites submitted to the NAHC by California Native American tribes. The request form to search the SLF can be found at <http://nahc.ca.gov/resources/forms>. To request a search of the CHRIS system, please contact [http://ohp.parks.ca.gov/?page\\_id=1068](http://ohp.parks.ca.gov/?page_id=1068). Please note, the records maintained by the NAHC and CHRIS are not exhaustive or conclusive. A negative response to a search does not preclude the existence of tribal cultural resources. A tribe may in fact be the only source for information about tribal cultural resources within an APE.

If you receive notification of change of addresses and phone numbers from tribes, please notify the NAHC. With your assistance, we can assure that our contact list remains current.

If you have any questions, please contact me at my email address:  
[Sarah.Fonseca@nahc.ac.gov](mailto:Sarah.Fonseca@nahc.ac.gov).

Sincerely,

Sarah Fonseca
