**RE: Tiered Environmental Review of Single-Family Home Projects in Shasta County 2018
Community Development Block Grant Disaster Recovery**

Dear Mr. Ganey,

The Shasta County Air Quality Management District (District) received your November 9, 2020, letter regarding the Tiered Environmental Review of Single-Family Homes in Shasta County 2018 Community Development Block Grant Disaster Recovery project.

The District understands that operations related to this program will comply with local and state regulations related to activities which may include lead-based paint and asbestos removal, material removal and hauling as well as other activities that will be mitigated as appropriate by dust control and vehicle idling limits. Further, the District understands that the project will conform with the State Implementation Plan.

If you have any questions or require further coordination, please feel free to contact the District office at 530-225-5674.

Sincerely,

John Waldrop
Air Quality District Manager
