## **1. DESCRIPTION OF WORK**

---

The intent of this project is to secure services for the transportation and the installation of three new HiHog cattle guards on the Stanislaus National Forest, Groveland Ranger District.

Additional Work Descriptions:

The third cattleguard will replace an existing non-functional cattleguard; the project shall require the removal of the existing non-functional cattleguard on Forest Road 1N26 and replacing it with a new Government furnished HiHog Cattle Guard.

All three cattle guard installations shall require that the road surface to be restored to its original tread surface with an easy transition to the cattle guard surface. Local material may be used to assist with this. No transportation of fill material will be required. All waste material from the installation shall be treated. Cattle guards will be provided by the Forest Service. All three cattleguards are "footingless" cattleguards, so footings are not required. Contractor shall follow the manufactures installation requirements.

## **2. PROJECT LOCATION**

---

The first just east of Jones meadow on Forest Road 1S26, second is also on Forest Road 1S26 near the intersection of 1S02 in the "Ike Dye" area. The third cattleguard will be installed on Forest Road 1N26 near the intersection with 1N01 in the Jawbone Lava Cap area.

## **3. SPECIFIC WORK REQUIREMENTS**

---

Work Item #1 -

## **4. INSPECTION AND ACCEPTENCE**

---

Inspection of the finished installed cattleguard to be done prior to payment.

## **5. COMMENCEMENT, PROSECUTION, AND COMPLETION OF WORK (FAR 52.211-10) (APR 1984)**

---

The Contractor shall be required to (a) commence work under this contract September 1, 2019, the date the Contractor receives the notice to proceed, (b) prosecute the work diligently, and (c) complete the entire work ready for use not later than 5 days later.

## **6. EVALUATION CRITERIA**

---

Price, Availability, Past Performance, and Community Benefit will be considered for the "Best Value" evaluation. The order of importance corresponds with each criteria's preceding order of appearance.

## **7. CONTRACTOR FURNISHED CRITICAL ITEMS**

---

The Contractor shall provide all labor, housing, supervision, transportation, tools, and material (except Government-furnished Property) necessary to perform the requirements of the contract.

### 8. GOVERNMENT FURNISHED PROPERTY

---

The Government will deliver to the Contractor the following listed materials, supplies, property, and/or services (hereinafter referred to as "Government-furnished property"). The Contractor shall be liable for all loss or damage of such Government-furnished property until completion and final acceptance of all work required under the contract. The Contractor shall sign a Transfer of Government property receipt upon acceptance of Government-furnished property.
