Section 100. **Purpose and Scope**

(a) These guidelines (variously hereinafter Guidelines or guidelines) implement and interpret the Veterans Housing and Homelessness Prevention Program (VHHP) authorized pursuant to the Veterans Housing and Homeless Prevention Act (the “Act”) (as set forth in Military and Veteran’s Code Division 4 Chapter 6, Article 3.2, commencing with Section 987.001). The Guidelines interpret and make specific the following Military and Veteran’s Code Division 4, Article 3.2 Sections applicable to this Program (and programs thereunder): Sections 987.005, 987.007, 987.008. The Act relies on and references, provisions of the Veterans Housing and Homeless Prevention Bond Act of 2014 (the VHHP Bond Act) (as set forth in Military and Veteran’s Code Division 4 Chapter 6, Article 5y, commencing with Section 998.540). The Act, and the VHHP Bond Act were adopted pursuant to Stats. 2013, Ch. 727 (AB 639). The Act relies on and references provisions of Sections 4, 5, 6, 7, and 8 of AB 639, which amend the following sections of the Health and Safety Code: 50408, 50501, 50505, 50510, and 50512. The Guidelines should be interpreted in accord with all the forgoing references to provisions of AB 639 (even those that are not part of the Act itself) to the extent that the Act relies on those provisions.

(b) These guidelines establish terms, conditions and procedures for funds awarded under the second round of the Veterans Housing and Homelessness Prevention Program (under the NOFA issued in October, 2015).

Section 101. **Definitions**

All terms not defined below shall, unless their context suggests otherwise, be interpreted in accordance with the meanings of terms ascribed in Subchapter 19 of Chapter 7 of Division 1 of Title 25 of the California Code of Regulations (commencing with Section 8300).

(a) “Affordable Rental Housing Development” means a structure or set of structures with rental housing units restricted by the Department in accordance with these guidelines, operated under landlord-tenant law, and with common financing, ownership, and management. This term includes Supportive Housing. No more than one of the dwelling units may be occupied as a primary residence by a person or household who is the owner of the structure or structures.

(b) “Assisted Unit” means a housing unit that is subject to the rent, occupancy and other restrictions specified in these guidelines, as a result of the financial assistance provided under the Program.

(c) “Case Manager” means a social worker or other individual who assists in individualized service planning and the assessment, coordination, monitoring, referral and advocacy of services to meet tenants' comprehensive needs, including access to medical and mental health services, substance abuse services, vocational training, employment, and crisis management and
interventions. Resident service coordinators are not Case Managers.

(d) “Chronically Homeless” means the same as defined under the federal Continuum of Care Program, at 24 CFR 578.3.

(e) “CPI” means the Consumer Price Index for All Urban Consumers, West Region, All Items.

(f) “Department” means the California Department of Housing and Community Development.

(g) “Distributions” means the same as defined in the Uniform Multifamily Regulations, at 25 CCR 101.

(i) “Homeless” means the same as defined under the federal Continuum of Care Program, at 24 CFR 578.3, as may be amended and renumbered from time to time. “Homeless” includes “Chronically Homeless” and “Homeless with a Disability”.

(j) “Homeless with a Disability” means the same as “Chronically Homeless”, excluding the requirement of having been homeless for a defined period of time.

(k) “Lead Service Provider” means the organization that has overall responsibility for the provisions of supportive services and implementation of the supportive services plan in the Project. The Lead Service Provider may directly provide comprehensive case management (individualized services planning and the provision of connections to mental health, substance abuse, employment, health, housing retention and similar services) or coordinate with other agencies that do so. If not part of the owner entity, the Lead Service Provider will enter into a written agreement with the owner.

(l) “Net Developer Fee” means developer fee paid less contributions to the project by the Sponsor or their affiliate of cash or real property.

(m) “Operating Expenses” means the amount approved by the Department that is necessary to pay for the recurring expenses of the project, such as utilities, maintenance, management, taxes, licenses, and supportive services coordination, but not including debt service, required reserve account deposits, or other supportive services costs.
(n) “Program” means the Veterans Housing and Homelessness Prevention Program, authorized by Proposition 41, the Veterans Housing and Homeless Prevention Bond Act of 2014.

(o) “Rent” means the same as “gross rent,” as defined in accordance with the Internal Revenue Code (26 USC 42(g)(2)(B)). It includes all mandatory charges, other than deposits paid by the tenant, for use and occupancy of an Assisted Unit, plus a utility allowance established in accordance with TCAC regulations, if applicable. For units assisted under the Housing Choice Voucher (HCV) or similar rental or operating subsidy program, Rent includes only the tenant contribution portion of the contract rent.

(p) “Sponsor” is the entity relied upon for experience and capacity, and which controls the project during development and occupancy. In a project with multiple layers of ownership, the Sponsor cannot have more than one entity between itself and the borrowing entity. For example, if the borrowing entity is a limited partnership with a limited liability company as the general partner, the Sponsor must either be a member of the company or a non-member manager. Sponsors may be any of the following: a for-profit or nonprofit corporation, City, County, City and County, joint powers authority, any other special district or political subdivision of the State of California, limited liability company, limited partnership, general partnership, business trust or joint venture. If awarded funds, all joint applicants for a single project will be considered co-recipients and be held jointly and severally liable for the completion of the project.

(q) “SSVF” means the Supportive Services for Veteran Families Program established pursuant to 38 CFR Part 62 and operated by the VA.

(r) “Supportive Housing” means the same as that term is defined under Health and Safety Code Section 50675.14(b)(2), and refers to Assisted Units.

(s) “TCAC” means the California Tax Credit Allocation Committee.

(t) “Transitional Housing” means Assisted Units restricted under the Program in buildings configured as rental housing developments, but operated under program requirements that call for the termination of assistance and recirculation of the assisted unit to another eligible program recipient at some predetermined future point in time, which shall be no less than six months. Licensed residential care or treatment facilities do not qualify.

(u) “VA” means the United States Department of Veterans Affairs.

(v) “Veteran” means any person who served in the active military, naval, or air service of the United States, or as a member of the National Guard who was called to and released from active duty or active service, for a period of not less than 90 consecutive days or was discharged from the service due to a service-
connected disability within that 90-day period. This includes all Veterans regardless of discharge status.

Section 102. **Threshold Requirements**

To be eligible to receive funding, projects must:

(a) Involve the acquisition and/or construction or rehabilitation of an Affordable Rental Housing Development or Transitional Housing, or the conversion of an existing structure into one of these housing types.

(b) Restrict occupancy for at least 45 percent of Assisted Units to Extremely Low Income Veterans, with rents not exceeding the 30 percent of 30 percent of Area Median Income (AMI), calculated in accordance with TCAC regulations and procedures.

(c) For projects with Supportive Housing or Transitional Housing:

(1) Utilize a Lead Service Provider with at least four years of experience providing services to homeless people that includes comprehensive case management (individualized services planning and the provision of connections to mental health, substance abuse, employment, health, housing retention, and similar services).

(A) This experience must include two years’ experience providing services that include comprehensive case management in affordable rental or transitional housing, which can include scattered site housing with multiple owners.

(B) Experience must be documented through contracts with public agencies, housing owners or foundations for services provided to at least ten households at any one time, either in housing projects subject to agreements with public agencies restricting rent and occupancy, or through tenant-based housing assistance programs.

(2) Certify adherence to Housing First property management and tenant selection practices, as described in Sections 112, 113 and 114.

(3) Satisfy the requirements of Section 115 regarding supportive services.

(d) For projects with Assisted Units other than Supportive Housing and Transitional Housing, utilize an organization to provide resident services coordination that has at least 24 months’ experience in providing this service in publically assisted affordable housing.
(e) For new construction of Transitional Housing, projects shall have a physical configuration that allows for ready conversion of the Transitional Housing to permanent housing, at minimal cost.

(f) Follow the requirements of the federal Uniform Relocation Act, if tenant relocation is necessary.

(g) Not have commenced construction prior to the Program funding award date, excluding emergency repairs to existing structures, and with the exception of developments where construction has halted due to a major change in the development plan, such as the conversion of a market-rate development to affordable housing, or the cancellation of redevelopment agency funding commitments, or where limited work has been completed to meet the requirements of a project-based HUD commitment.

(h) Involve a Sponsor with a long-term, controlling interest in the project that has successful prior experience developing and owning at least two affordable rental or transitional housing developments that are subject to agreements with public agencies restricting rent and occupancy. If at least 35 percent of the Assisted Units in the proposed project will be Supportive Housing and/or Transitional Housing, this requirement may be satisfied if the Sponsor has a developer partner with the required development experience, and if the Sponsor has owned or operated at least two affordable rental or transitional housing developments that are subject to agreements with public agencies restricting rent and occupancy.

(i) Involve a development site that is reasonably accessible to services and amenities appropriate for the proposed tenant population, considering the hours that the services and amenities are available and the frequency, travel time, and cost of transportation to the tenants.

(j) Involve a development site controlled by the Sponsor at the time of application, as detailed in 25 CCR 8303.

(k) Demonstrate clear market demand for the proposed project and target population, through waiting lists and low vacancy rates for comparable projects serving similar tenants, statistical information from the Veteran’s Administration, the local Continuum of Care, or other similar information.

(l) Have reasonable development costs (not counting capitalized reserves), as compared to other similar projects in the area of the project site, and adequate development sources to cover these costs.

(m) Ensure compliance with the Disabled Veteran Business Enterprise (DVBE) and veteran hiring requirements set forth in Section 109.
(n) Meet the occupancy requirements set forth in Section 104, the underwriting standards set forth in Section 106, the fee limitations in Section 107, and otherwise comply with these guidelines.

Section 103. **Uses and Terms of Program Assistance**

(a) Program funds shall be used for the development cost categories listed in 25 CCR Section 7304 (a) and (b), and to refinance loans used to cover such costs, except that the limitation on developer fee specified in Section 107 shall apply, instead of the limitation in Section 7304(b)(9).

(b) The total amount of Program assistance shall not exceed development costs associated with Assisted Units. In determining these costs, the cost allocation rules described in 25 CCR Section 7304(c) shall apply (substituting Assisted Units for Restricted Units).

(c) Program assistance shall be provided as post-construction, permanent loans. Program loans shall have an initial term of 55 years or longer to match the period of affordability restrictions under the tax credit program, commencing on the date of recordation of the Program loan documents.

(d) Program loans shall be secured by the project’s real property and improvements, and subject only to liens, encumbrances and other matters of record approved by the Department, consistent with 25 CCR Section 8315. Projects with ground leases shall be subject to 25 CCR Section 8316.

(e) Program loans may have two tranches, a base tranche and an operating reserve offset tranche.
   
   (1) The base tranche covers development budget gaps, excluding reserves that cover scheduled long-term operating deficits or supportive services.

   (2) The operating reserve offset tranche covers development budget gaps which result from utilizing funds other than Program funds to capitalize a long-term operating reserve used solely to defray scheduled operating deficits for Assisted Supportive Housing Units restricted to Chronically Homeless Veterans or Veterans who are Homeless with a Disability (and not deficits in supportive services funding, beyond services coordination). It is available only if the project includes such an operating reserve.

(f) The base tranche shall have the following terms:

   (1) It shall bear simple interest at the rate of three percent per annum on the unpaid principal balance, unless the Department reduces this rate pursuant to Health and Safety Code section 50406.7. Interest shall accrue from the date funds are disbursed to or on behalf of the borrower.
(2) For the first 30 years of the loan term, annual payments in the amount of 0.42 percent of the outstanding principal loan balance attributable to the base tranche shall be payable to the Department. After 30 years, the Department may reset the required payment amount to cover its monitoring costs.

(3) Except for the required 0.42 percent loan payment, and if the borrower is not in default, the Department shall permit the deferral of accrued interest for the term of the loan, except for the payments described in Section 108.

(4) Maximum per-unit loan amounts for the base tranche shall be the same as the maximum loan amounts established for the Multifamily Housing Program (MHP) in accordance with 25 CCR 7307, substituting Assisted Units for Restricted Units, and with initial base amounts set at:

   (A) $65,000 for nine-percent tax credit projects.

   (B) $80,000 for projects that do not use nine-percent tax credits.

(5) The maximum amount of a Program Loan for a single project under the 2015 Notice of Funding Availability (NOFA) shall be $10,000,000. This amount may be adjusted in future NOFAs.

(g) The operating reserve offset tranche shall have the following terms:

   (1) It shall not bear interest and not require repayment until the end of the term, unless the borrower defaults.

   (2) The amount shall not exceed the amount from other sources deposited into an operating reserve to cover scheduled deficits, as set forth in Subsection (h) below.

   (3) The amount shall also not exceed $140,000 per Supportive Housing Unit restricted to Chronically Homeless Veterans or Veterans who are Homeless with a Disability.

(h) Operating reserves capitalized as the result of operating reserve offset tranches shall be:

   (1) Governed by an agreement between the borrower and/or Sponsor, the Department, and the reserve holder requiring Department approval of any withdrawals.

   (2) Used only to defray operating deficits for Assisted Supportive Housing Units restricted to Chronically Homeless Veterans or Veterans who are Homeless with a Disability.
(3) Be sized to last for a period of not less than 17 years and not more than
20 years, based on projections approved by the Department, and with
Rents limited to 30 percent of actual household income.

(4) Subject to unexpended funds being recaptured by the Department if other
rental or operating subsidies are obtained, or if some other event occurs
that reduces the need for funds in the capitalized operating reserve.

(5) Not used to cover:

(A) Loan payments (except for loans from the Department),

(B) Ground lease payments.

(C) Sponsor distributions.

(D) Costs associated with units other than Assisted Units restricted
to Chronically Homeless Veterans or Veterans who are
Homeless with a Disability, except for a proportionate share of
the resident manager’s unit.

(E) Costs for units with rent or operating subsidies from another
source.

(F) Deferred developer fees, asset management fees or partnership
management fees beyond those allowed under these guidelines
and in proportion to the ratio of Assisted Units benefitting from
the operating reserve to total units in the project.

(G) Deposits to contingent operating reserves beyond those
required by these guidelines.

(H) Vacancy loss, beyond three months for a tenant who has left
their unit.

Section 104. **Occupancy Requirements**

(a) Occupancy of all Assisted Units shall be restricted to households including one or
more Veterans with incomes at time of move-in not exceeding the limits
approved by the Department and specified in the Program regulatory agreement.
The maximum income limit at move-in shall be 60 percent of Area Median
Income.

(b) If the Veteran who qualified a household for occupancy moves out, and
household members remain, the unit shall still be considered an Assisted Unit,
unless the qualifying Veteran’s occupancy was for less than three months, or there is evidence that the Veteran’s occupancy was intended to be for a short duration.

(c) Occupancy of units designated as Supportive Housing or Transitional Housing shall be further restricted to households that include Veterans who are Homeless, Homeless with a Disability, or Chronically Homeless, as approved by the Department and specified in the Program regulatory agreement. Sponsor shall maintain documentation of eligibility consistent with federal regulations implementing the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009.

(d) Any occupancy restrictions based on conditions of separation from military service are subject to Department approval.

(1) Projects may only restrict occupancy to Veterans who separated from military service under certain conditions (e.g. under other than dishonorable conditions), or who qualify for VA health care, when required by a public agency funding source.

(2) In any case, a minimum of ten percent of Assisted Units shall be prioritized for occupancy by Veterans who are ineligible for VA health care and/or HUD-VASH.

(e) Occupancy requirements shall apply for the full term of the Program loan. In the event the Department determines, and the California Department of Veterans Affairs concurs that there are no longer sufficient Veterans eligible for one or more categories of households eligible for Supportive Housing or Transitional Housing, based on evidence from the local Continuum of Care, the VA, the local Point-in-Time count of persons experiencing homelessness, and similar sources, the Department may adjust the occupancy requirements for these units, but only to the minimum extent required for project feasibility, and not sooner than five years from the date of Program loan closing. The Department shall periodically evaluate the need for continuing any adjustments made to the original occupancy requirements, and may modify these adjustments over time or reinstate the original requirements.

Section 105. **Rent Limits**

Assisted Unit Rent limits shall be the same as specified in 25 CCR Section 7312, except that:

(a) Rent limits for units restricted to Extremely Low Income Households shall not exceed TCAC’s 30 percent AMI Rent limit.

(b) The minimum amount of the transition reserve for renewable project-based rental assistance described in subdivision 25 CCR 7312(f) shall be the amount
sufficient to prevent Rent increases for one year following the loss of the rental assistance, instead of two years. The minimum amount of the transition reserve for non-renewable project-based rental assistance or operating subsidies shall be the amount sufficient to prevent Rent increases for two years following the loss of the rental assistance.

Section 106. Underwriting Standards
(a) In analyzing feasibility for Affordable Rental Housing Developments, the following assumptions and criteria shall be used:

(1) Residential vacancy rates shall be assumed to be 5 percent, unless a different figure is required by another funding source (including TCAC), or supported by compelling market evidence.

(2) Commercial vacancy rates shall be assumed to be 50 percent.

(3) All operating expenses, including property management fees, shall be within the normal market range for the area, as determined based on comparison with similar affordable housing projects.

(4) Supportive services coordination costs paid out of operating income as a project operating expense shall not exceed the limits specified in Section 108(d).

(5) Asset and partnership management fees paid to the Sponsor prior to Sponsor distributions shall not exceed the limits specified in Section 107(c).

(6) First year debt service coverage ratio shall not be:
   
   (A) less than 1.10:1, unless the project is receiving an operating subsidy; or

   (B) greater than 1.20:1, except where projected cash flow after debt service and projected reserve deposits is equal to or less than 12 percent of operating expenses, or where a higher amount is necessary to project a positive cash flow over 20 years, using the assumptions specified in this section.

   (C) In applying these requirements, payments on the Program loan shall be considered debt service, and, for purposes of Subsection (B) above, operating income required by the Department to be deposited into a reserve account to defray scheduled operating deficits shall be excluded.

(7) The project must demonstrate a positive cash flow for 15 years, using the income and expense increase assumptions specified in TCAC’s
regulations, at 4 CCR Section 10327. If projected operating income includes rental assistance or operating subsidy payments under a renewable contract, the Department may assume renewal of the contract.

(8) Loans with balloon payments are prohibited unless the Sponsor demonstrates, to the Department’s satisfaction, that the project will generate sufficient operating income, and income obtained through refinancing, to be able to pay the balloon payment when due, or if the loan with a balloon payment is recorded junior to the Program regulatory agreement.

(9) Variable interest rate debt shall be underwritten at the ceiling interest rate.

(10) The Department may modify the requirements of this section to conform to the requirements of other funding sources, if the Program loan does not exceed the lesser of $1,500,000 or 15 percent of total project development costs.

(b) In analyzing the feasibility of Transitional Housing, factors to be considered shall include:

(1) The experience of the Sponsor and its partners with similar projects, and the current financial viability of these projects.

(2) The experience of the Sponsor and its partners with obtaining government contracts to cover operations and services costs for similar projects, and with the specific government funding sources identified for the proposed project.

(3) The likelihood the identified sources of funds to cover operating costs and services, and particularly government contracts, will continue to be available for the proposed project over time.

(4) The financial condition of the Sponsor as measured by indicators such as amounts and trends in organizational net income, net assets, unrestricted net assets, and current ratio.

(5) The reliability of project operating projections, including the adequacy of projected operating expenses, as compared to other similar projects, and whether they show at least breakeven operation over time.

Section 107. **Fee Limits**

(a) For projects utilizing low income housing tax credits, Net Developer Fee shall not exceed the amount that may be included in basis under TCAC’s rules for nine percent low-income housing tax credits, plus any amount allowed by TCAC for
non-residential space.

(b) For projects not utilizing low-income housing tax credits, Net Developer Fee shall not exceed the amount allowed under 25 CCR 8312.

(c) Asset management, partnership management and similar fees paid to the Sponsor or an affiliate on a priority basis, pursuant to Section 108(a), shall not exceed a combined total of $20,000 for 2015. This limit shall be increased each year at the rate of two percent per year. If there is insufficient cash flow in a given year to pay the maximum allowable amount, the unpaid portion may accrue, without interest, and be paid in subsequent years. Fees paid to investor partners do not count towards this limit.

(d) The Department may modify the requirements of Subsection (a) to conform to the requirements of other funding sources, if the Program loan does not exceed the lesser of $1,500,000 or 15 percent of total project development costs.

Section 108. Use of Operating Cash Flow

(a) Operating Income remaining after payment of approved operating expenses, reserve deposits and mandatory debt service shall be applied in the following priority order:

1. First, towards payment of any:
   
   (A) deferred portion of the approved Net Developer Fee, pursuant to 25 CCR Section 8312 (a) and (b); and
   
   (B) asset management, partner management and similar fees, pursuant to 25 CCR Section 8312(c).

2. Second, 50 percent to the Sponsor as distributions, and 50 percent to the Department as payment on the Program loan.

   (A) If the terms of other public agencies' financing also require payments from remaining cash flow, the Department may agree to share what would otherwise be its 50 percent share of available cash flow with the public agencies in amounts proportional to the agencies' respective loan amounts.

   (B) To be consistent with the terms of other public agency loans, the Department may agree to set the percentage payable to the Sponsor at an amount less than 50 percent.

   (C) For projects with income from project-based Section 8 or similar project-based rental assistance that is not underwritten by other project lenders, the Department may reduce the Sponsor’s share to an amount equivalent to the amount they would receive
if one of the other lender’s loan amount was based on an income stream that included the income from the rental assistance.

(b) A Sponsor may not accumulate Distributions from year to year. A Sponsor may deposit all or a portion of permitted Distributions into a project account for distribution in subsequent years. These future Distributions shall not reduce the otherwise permitted Distribution in those subsequent years.

(c) Payment of Distributions, deferred Developer Fees, asset management fees, partnership management and similar fees shall be permitted only after the Sponsor submits a complete annual report, operating budget and other reports required pursuant to Section 116, and the Department determines that the reports and budget demonstrate compliance with all Program requirements for the applicable year. Circumstances under which no Distributions, deferred Developer Fees, asset management fees or partnership management and similar fees shall be paid include:

(1) when written notice of default has been issued by any entity with an equitable or beneficial interest in the project;

(2) when the Department determines that the Sponsor has failed to comply with the Department's written notice of any reasonable requirement for proper maintenance or operation of the Rental Housing Development, including occupancy and rent requirements, or use of project income;

(3) if all currently required debt service, including mandatory payments on the Program loan, and Operating Expenses have not been paid;

(4) if the replacement reserve account, operating reserve account, or any other reserve accounts are not fully funded as required under the Program regulatory agreement.

(d) For 2015, supportive service coordination and case management costs paid as a project operating expense shall not exceed the following amounts:

(1) $4,000 per unit per year for Supportive Housing units restricted to Veterans who are Chronically Homeless.

(2) $3,000 per unit per year for Supportive Housing units restricted to Veterans with a Disability Experiencing Homelessness.

(3) $1,300 per unit per year for units restricted to Extremely Low Income households, but not to Veterans who are Chronically Homeless or Veterans with a Disability Experiencing Homelessness.

(4) $750 per unit per year for other units.
These maximum amounts shall be increased each year after 2015 at the rate of two percent per year.

Section 109. **Miscellaneous Requirements.**

(a) Entities certified by the California Department of General Services as Disabled Veteran Business Enterprises (DVBEs) shall receive an amount at least equal to 5 percent of total construction costs for work performed or supplies provided for each project.

1. As part of the application for program funds, applicants shall submit a utilization plan describing how this requirement will be satisfied, including:
   
   (A) Identification of a plan administrator responsible for implementing the plan and ensuring achievement of the 5 percent requirement; and
   
   (B) Description of outreach methods to be used to recruit DVBEs.

   Applicants are encouraged to contact the California Department of Veterans Affairs Small Business / DVBE advocate for assistance in locating DBVEs.

2. Prior to the commencement of construction, the Sponsor shall submit a report to the Department and the California Department of Veterans Affairs on DVBE plan implementation. This report will include:

   (A) The total amount budgeted for construction costs;
   
   (B) The names and addresses of DVBE contractors, subcontractors and suppliers that have received or are scheduled to receive payment, together with the amount paid or scheduled to be paid to each; and
   
   (C) If the report does not show achievement of the 5 percent requirement, documentation that the Sponsor has requested assistance with recruiting DVBEs from the California Department of Veterans Affairs, and of its recruitment efforts.

3. Upon completion of construction, and prior to the Program loan closing, the Sponsor shall submit a report similar to the one described in the preceding subsection, detailing actual payments to DVBEs. If the 5 percent requirement has not been met, the Sponsor must provide documentation of its requests for assistance with recruiting DBVEs from the California Department of Veterans Affairs, and of its recruitment efforts.
efforts.

(4) If the Sponsor fails to achieve the 5 percent minimum requirement, the Department may award negative points for subsequent applications.

(b) Sponsors shall make good faith efforts to hire veterans for development, construction, and related jobs associated with the Project.

(1) As part of the application for program funds, applicants shall submit a plan describing how this requirement will be satisfied. The plan may include registering with Helmets to Hardhats, working with local Homeless Veteran Reintegration Programs, entering into First Source Hiring Agreements with local America’s Job Centers of California Agencies (formerly One Stop Centers), and/or subcontracting with DVBEs and other entities that hire veterans.

(2) Upon completion of construction, and prior to the Program loan closing, the Sponsor shall submit a report on plan implementation, including the number of veterans hired.

(c) Labor Code Section 1720 et seq. requires payment of prevailing wages for certain developments paid for in whole or in part from any public funding source, and exempts other developments from this requirement. All funds provided under this Program are public funds within the meaning of these Labor Code sections. Program funding of a portion of a project shall not necessarily, in and of itself, be considered public funding of the entire project. Each applicant shall be responsible for determining on a case-by-case basis the extent of applicability of State prevailing wage law to its individual project.

(d) The unit standards set forth in 25 CCR 8304 shall apply.

(e) Projects must meet the accessibility requirements specified in the TCAC regulations, as may be amended and renumbered from time to time, including those of Section 10325(f)(7)(M) and, for senior projects, those of Section 10325(g)(2)(B) and (C). Exemption requests, as provided for in the TCAC regulations, must be approved by the Department. Projects must also provide a preference for accessible units to persons with disabilities requiring the features of the accessible units in accordance with Section 10337(b)(2) of the TCAC regulations.

(f) Sponsors must establish and maintain a contingent operating reserve meeting the requirements of 25 CCR 8308, and a replacement reserve meeting the requirements of 25 CCR 8309.

Section 110. Application Process
(a) The Department shall offer funds through a competitive application process, as
detailed in a Notice of Funding Availability.

(b) Applications shall be on forms made available by the Department.

(c) Applications shall be evaluated for compliance with the threshold and eligibility
requirements of these guidelines and the statutes applicable to the Program and
scored based on the application selection criteria listed in Section 111. The
applications with the highest number of points shall be selected for funding,
provided that they meet all threshold and eligibility requirements and achieve
specified minimum scores.

(d) Each project must achieve the minimum overall application (total) score for the
applicable project type, as well as minimum scores in the Supportive Service
Plan and Readiness to Proceed scoring categories, as follows:

(1) Overall application:
   a. 100 for projects with Supportive Housing;
   b. 80 for projects with Transitional Housing but not Supportive
      Housing; and
   c. 65 for all other projects.

(2) Supportive Services Plan (Section 111(c)):
   a. 10 for projects that include Supportive Housing or Transitional
      Housing; and
   b. 7 for projects that do not include Supportive Housing or
      Transitional Housing.

(3) Readiness to Proceed (Section 111(f)): 5.

(e) Applications selected for funding shall be approved subject to conditions
specified by the Department.

(f) The Department may adjust this procedure as follows:

(1) It may elect to not evaluate compliance with some or all eligibility
requirements for applications that are not within a fundable range, as
indicated by a preliminary point scoring.
(2) It may adjust awards to meet the following geographic distribution objectives, to the extent there are applications from the identified regions that meet all Program eligibility requirements and score above the minimum required score:

(A) Awarding not less than 14 percent of the total amount awarded to projects located in Alameda, Contra Costa, Marin, San Francisco, San Mateo, Santa Clara, Santa Cruz or Sonoma Counties.

(B) Awarding not less than 31 percent of the total amount awarded to projects located in Los Angeles County.

(C) Awarding not less than 8 percent of the total amount awarded to projects located in Orange, Riverside or San Bernardino Counties.

(D) Awarding not less than 7 percent of the total amount awarded to projects located in San Diego County.

(E) Awarding not less than 16 percent of the total amount awarded to projects located outside any of the counties named in (A) through (D) above.

(3) Funds remaining after satisfying the geographic distribution objectives set forth in the previous Subsection shall be awarded without regard to project location.

(B) Building entrance and exit points should only allow admittance to residents or guests that residents admit.

(C) Common areas within the project should be oriented so as to have:
   i. two ways to enter or exit the area;
   ii. visibility to the area from outside of it, i.e. windows in walls or doors; and
   iii. a centralized location, to the extent possible.

(D) Safety lighting that reduces or eliminates blind or dark spaces where people can hide.
