

INSURANCE GUIDELINES CHECKLIST

REV 7/3/2020

Project Name: _____ HCD Contract and Loan#: _____

Insurance Company: _____ Insurance Policy Number: _____

Preparer Name: _____ Preparer Phone Number: _____

These Guidelines govern insurance coverage on rental properties purchased or improved using HCD loans or direct grants. HCD reserves the right to revise these guidelines based on, among other items, the availability of coverage, current insurance industry standards and concerns specific to the insured property. Property owners are responsible for carrying the minimum required insurance coverage according to HCD's loan documents, including its regulatory agreement. Insurance coverage meeting the following guidelines will be deemed by HCD to comply with HCD's loan documents.

These requirements apply initially at close of escrow and annually thereafter. At these times the property owner must provide to HCD a one-year prepaid proof of an insurance policy that acknowledges HCD's security interest and has appropriate coverage in force for property and liability exposures as indicated below.

Insurance Agent Instructions: By checking each of the requirements below, the Sponsor's insurance agent certifies that the policy meets the following guidelines. Attach proof of an insurance policy to this checklist and return to HCD at the address listed in Section 6, below.
