

California Interagency Council on Homelessness

Homeless Housing, Assistance and Prevention Round 4 Application

Application Information

Application Due Date: 11/29/2022

This Cognito platform is the submission portal for the Cal ICH HHAP-4 Application. You will be required to upload a full copy of the HHAP-4 Data Tables Template and enter information into the portal from specific parts of the HHAP-4 Local Homelessness Action Plan and Application Template as outlined below.

Please review the following HHAP-4 resources prior to beginning this application:

- [Homeless Housing, Assistance, and Prevention Program Statute](#)
- [HHAP-4 Local Homelessness Action Plan & Application Template](#) and
- [HHAP-4 Data Tables](#)

Application Submission for HHAP-4 Funding

Using the [HHAP-4 Local Homelessness Action Plan & Application Template](#) as a guide, applicants must provide the following information in the applicable form section (see below) to submit a complete application for HHAP-4 funding:

1. **Part I: Landscape Analysis of Needs, Demographics, And Funding:** the information required in this section will be provided in Tables 1, 2, and 3 of the HHAP-4 Data Tables file uploaded in the *Document Upload* section.
2. **Part II: Outcome Goals and Strategies for Achieving Those Goals:** the information required in this section will be provided in Tables 4 and 5 of the HHAP-4 Data Tables file uploaded in the *Document Upload* section, **AND** copy and pasted into the fields in the *Outcome Goals and Strategies* section of this application form.
3. **Part III: Narrative Responses:** the information required in this section will be provided by entering the responses to the narrative questions within the *Narrative Responses* section of this application form. Applicants are **NOT** required to upload a separate document with the responses to these narrative questions, though applicants may do so if they wish. The responses entered into this

Cognito form will be considered the official responses to the required narrative questions.

4. **Part IV: HHAP-4 Funding Plans and Strategic Intent Narrative:** the information required in this section will be provided in Tables 6 and 7 (as applicable), of the HHAP-4 Data Tables file uploaded in the *Document Upload* section, **AND** copy and pasted into the fields in the *Funding Plan Strategic Intent* section of this application form.
5. **Evidence of meeting the requirement to agendize the application at a meeting of the governing board** will be provided as a file upload in the *Document Upload* section.

How to Navigate this Form

This application form is divided into **seven sections**. The actions you must take within each section are described below.

- **Applicant Information:** In this section, indicate (1) whether you will be submitting an individual or joint application, (2) list the eligible applicant jurisdiction(s), and (3) provide information about the Administrative Entity.
- **Document Upload:** In this section, upload (1) the completed HHAP-4 Data Tables as an Excel file, (2) evidence of meeting the requirement to agendize the application at a regular meeting of the governing board where public comments may be received, and (3) any other supporting documentation you may wish to provide to support your application.
- **Part I. Landscape Analysis:** In this section, answer the questions confirming that Tables 1, 2, and 3 have been completed and included in the HHAP-4 Data Tables file uploaded in the previous section.
- **Part II. Outcome Goals and Strategies:** In this section, copy and paste your responses from Tables 4 and 5 of the completed HHAP-4 Data Tables.
- **Part III. Narrative:** In this section, enter your responses from Part III of the HHAP-4 Local Homelessness Action Plan & Application Template.
- **Part IV. HHAP-4 Funding Plan Strategic Intent Narrative:** In this section, enter your responses from Tables 6 and 7 of the completed HHAP-4 Data Tables file, and answer the narrative questions.
- **Certification:** In this section, certify that the information is accurate and submit the application.

Prior to the submission deadline, you can save your progress in this application and come back to it later by clicking the save button. This will provide you with a link to the saved application, and there will be an option to email that link to the email address(es) of your choosing.

After submitting the application, you will not be able to make changes to your responses unless directed by Cal ICH staff.

I have reviewed the HHAP-4 statute, FAQs, and application template documents

Yes

I am a representative from an eligible CoC, Large City, and/or County

Yes

Applicant Information

List the eligible applicant(s) submitting this application for HHAP-4 funding below and check the corresponding box to indicate whether the applicant(s) is/are applying individually or jointly.

Eligible Applicant(s) and Individual or Joint Designation

Individual

This application represents the individual application for HHAP-4 funding on behalf of the following eligible applicant jurisdiction(s):

Eligible Applicant Name

Trinity County

Administrative Entity Information

Funds awarded based on this application will be administered by the following Administrative Entity:

Administrative Entity

Trinity County Grants and Housing

Contact Person

Suzi Kochems

Title

Division Director Grants and Housing

Contact Person Phone Number

(530) 228-7811

Contact Person Email

skochems@trinitycounty.org

***Agreement to Participate in HDIS and HMIS**

By submitting this application, we agree to participate in a statewide Homeless Data Integration System, and to enter individuals served by this funding into the local Homeless Management Information System, in accordance with local protocols.

Document Upload

Upload the completed [HHAP-4 Data Tables](#) (in .xlsx format), evidence of meeting the requirement to agendize the application at a regular meeting of the governing body where public comments may be received (such as a Board agenda or meeting minutes), and any other supporting documentation.

Part II. Outcome Goals and Strategies for Achieving Those Goals

Copy and paste your responses to Tables 4 and 5 from the [HHAP-4 Data Tables](#) into the form below. All outcome goals are for the period between July 1, 2022 and June 30, 2025.

Table 4: Outcome Goals

Name of CoC

CA-523 Colusa, Glenn, Trinity Counties CoC

1a. Reducing the number of persons experiencing homelessness.

Goal Statement

By the end of the performance period, HDIS data for the Dos Rios CoC will show 50 total people accessing services who are experiencing homelessness annually, representing 50 fewer people and a 8% reduction from the baseline.

Goal Narrative

By increasing our staffing capacity and our resources, the County will be able to conduct additional outreach activities, have a housing navigator who can work with persons at risk of homelessness and prevent them from becoming homeless through the use of subsidies."

Baseline Data	Change in # of People	Change as % of Baseline	Target Annual Estimate of # of people accessing services who are experiencing homelessness
648	-150	-23%	498

Decrease/Increase in # of People

Decrease

Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

Chronically homeless persons, persons with co-occurring disorders, mentally disabled, and individuals with no income source, yet are likely eligible for social security benefits.

Describe the trackable data goal(s) related to this Outcome Goal:

- 1) A reduction in new homeless
- 2) Reduction in the number of persons who experience homelessness

1b. Reducing the number of persons experiencing homelessness on a daily basis

Goal Statement

By the end of the performance period, data for the Dos Rios CoC will show 35 total people experiencing unsheltered homelessness daily, representing 35 fewer people and a 10% reduction from the baseline.

Goal Narrative

Due to a lack of shelters, the County will secure additional funding to support interim sheltering (motel vouchers), as well as collaborating with NVCSS on an affordable housing development to establish dedicated affordable housing units to meet the needs of homeless persons identified through coordinated entry."

Baseline Data	Change in # of People	Change as % of Baseline	Target Daily Estimate of # of people experiencing unsheltered homelessness
196	-96	-49%	100

Decrease/Increase in # of People
Decrease

Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

Chronically homeless persons, persons with co-occurring disorders, mentally disabled, and individuals with no income source, yet are likely eligible for social security benefits.

Describe the trackable data goal(s) related to this Outcome Goal:

- 1) Increase in the number of landlord incentives granted to property owners as measure by assistance provided
- 2) Reduction in the number of persons experiencing homelessness on a daily basis

2. Reducing the number of persons who become newly homeless.

2. Reducing the number of persons who become newly homeless.

Goal Statement

By the end of the performance period, HDIS data for the Dos Rios CoC will show 346 total people become newly homeless each year, representing 10 fewer people and a 3% reduction from the baseline.

Goal Narrative

By increasing our staffing capacity and our resources, the County will be able to conduct additional outreach activities, have a housing navigator who can work with persons at risk of homelessness and prevent them from becoming homeless through the use of subsidies.

Baseline Data	Change in # of People	Change as % of Baseline	Target Annual Estimate of # of people who become newly homeless each year
356	-81	-23%	275

Decrease/Increase in # of People

Describe Your Related Goals for Underserved Populations and

Populations Disproportionately Impacted by Homelessness

Describe any underserved and/or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

Chronically homeless individuals with co-occurring disorders, high barriers, frequent utilizers of public services, and those with no income source.

Describe the trackable data goal(s) related to this Outcome Goal:

1) The level and types of assistance provided (rental assistance, prevention/eviction assistance and documented in HMIS

3. Increasing the number of people exiting homelessness into permanent housing.

3. Increasing the number of people exiting homelessness into permanent housing.

Goal Statement

By the end of the performance period, HDIS data for the Dos Rios CoC will show 15 total people people exiting homelessness into permanent housing annually, representing 7% more people exiting to permanent destinations from homelessness.

Goal Narrative

By increasing our staffing capacity and our resources, the County will be able to conduct additional outreach activities to landlords to establish rental relationships, securing a housing navigator who can work with persons at risk of homelessness and prevent them from becoming homeless through the use of subsidies, will improve our ability to exit persons from homelessness to longer term housing, and increasing our revenue/resources to provide long term subsidies up to 24 months to ensure proper exits from RRH.

Baseline Data	Change in # of People	Change as % of Baseline	Target Annual Estimate of # of people exiting homelessness into permanent housing
229	63	28%	292

Decrease/Increase in # of People

Increase

Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

Chronically homeless adults over the age of 25 and without children.

Describe the trackable data goal(s) related to this Outcome Goal:

- 1) The number of exits to permanent housing from temporary housing projects (ES, TH)
- 2) The number of exits to permanent housing from RRH projects
- 3) The level and types of assistance provided (RRH) and documented in HMIS

4. Reducing the length of time persons remain homeless.

4. Reducing the length of time persons remain homeless.

Goal Statement

By the end of the performance period, HDIS data for the Dos Rios CoC will show 100 days as the average length of time that persons are enrolled in street outreach, emergency shelter, transitional housing, safehaven projects and time prior to move-in for persons enrolled in rapid rehousing and permanent housing programs annually, representing 14 fewer people and a 10% reduction from the baseline.

Goal Narrative

By increasing our staffing capacity and our resources, the County will be able to conduct additional outreach activities to landlords to establish rental relationships, securing a housing navigator who can work with persons at risk of homelessness and prevent them from becoming homeless through the use of subsidies, will improve our ability to exit persons from homelessness to longer term housing, and increasing our revenue/resources to provide long term subsidies up to 24 months to ensure proper exits from RRH.

Baseline Data 141	Change in # of Days -17	Change as % of Baseline -12%	Target Average length of time (in # of days) persons enrolled in street outreach, emergency shelter, transitional housing, safehaven projects and time prior to move-in for persons enrolled in rapid rehousing and permanent housing programs 124

Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

All homeless are disproportionately served due to a lack of housing, and especially affordable housing.

Describe the trackable data goal(s) related to this Outcome Goal:

Reduce the numbers of days/length of time a person enrolled in outreach or temporary housing before moving to rapid rehousing.

5. Reducing the number of persons who return to homelessness within two years after exiting homelessness to permanent housing.

5. Reducing the number of persons who return to homelessness within two years after exiting homelessness to permanent

housing.

Goal Statement

By the end of the performance period, HDIS data for the Dos Rios CoC will show 2% of people return to homelessness within 2 years after having exited homelessness to permanent housing, representing 4 fewer people and a 3% reduction from the baseline.

Goal Narrative

By increasing our staffing capacity, we may be able to provide ongoing case management services beyond the period of the rental subsidy to support struggling households.

Baseline Data	Change in % of People	Change as % of Baseline	Target % of people who return to homelessness within 2 years after having exited homelessness to permanent housing
4%	-3%	-75%	1%

Decrease/Increase in # of People

Decrease

Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

Local data demonstrates that all populations of unsheltered persons struggle to remain housed once a rental subsidy is no longer available. The chronically homeless population with multiple barriers to remaining safe and stably housed will be our focus population; this population contains persons with co-occurring disorders and/or a disability.

Describe the trackable data goal(s) related to this Outcome Goal:

Reduction in the rate of return to homelessness

6. Increasing successful placements from street outreach.

6. Increasing successful placements from street outreach.

Goal Statement

By the end of the performance period, HDIS data for the Dos Rios CoC will show 5 total people served in street outreach projects exit to emergency shelter, safe haven, transitional housing, or permanent housing destinations annually, representing 5 more people and a 100% increase from the baseline.

Goal Narrative

By retaining funding for street outreach, we will have capacity to conduct outreach, meet supportive service needs, and build rapport and case management relationships that will aid in moving persons off the street and into shelter/housing,

Baseline Data	Change in # of People	Change as % of Baseline	Target Annual # of people served in street outreach projects who exit to emergency shelter, safe haven, transitional housing, or permanent housing destinations.
0	120	100%	

Decrease/Increase in # of People

Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

Chronically homeless persons living in encampments; most will have a mental or physical disability

Describe the trackable data goal(s) related to this Outcome Goal:

Annual number of persons served in street outreach projects who exit to emergency shelter, safe haven, transitional housing, or permanent housing destinations.

Table 5: Strategies to Achieve Outcome Goals**Strategy 1****Type of Strategy**

Strategic uses of other sources of funding

Description

Increase access to, and the supply of, non-congregate/interim housing by utilizing Project Homekey funding to acquire and rehabilitate a local motel to establish a non-congregate shelter/interim living environment for the target population; these units will be converted into permanent housing for the target population.

Timeframe

July 1, 2023-June 30, 2024

Entities with Lead Responsibilities

Trinity County Housing Department: Trinity County HHS and BHS

Measurable Targets

13 interim to permanent housing beds will be developed and occupied by June 2024.

Performance Measure(s) to Be Impacted (Check all that apply)

1. Reducing the number of persons experiencing homelessness.
3. Increasing the number of people exiting homelessness into permanent housing.
4. Reducing the length of time persons remain homeless.
6. Increasing successful placements from street outreach

Strategy 2**Type of Strategy**

Building the capacity of homelessness response system to utilize resources, implement best practices, and/or achieve outcomes

Description

Increase the housing department's staffing capacity for outreach and engagement including the hiring of a housing case manager, housing navigator and program coordinator.

Timeframe

By June 2024

Entities with Lead Responsibilities

Trinity County Housing Department

Measurable Targets

3 additional staff to provide outreach, comprehensive case management, housing navigation and landlord engagement.

Performance Measure(s) to Be Impacted (Check all that apply)

- 4. Reducing the length of time persons remain homeless.
- 5. Reducing the number of persons who return to homelessness after exiting homelessness to permanent housing.
- 6. Increasing successful placements from street outreach

Strategy 3

Type of Strategy

Strategic uses of other sources of funding

Description

Secure funding to support rental subsidies, landlord incentives, security and pet deposits, move-in furniture, and utility assistance for the target population.

Timeframe

June 2023-July 2025

Entities with Lead Responsibilities

Trinity County Housing Department and Crisis Response Team

Measurable Targets

Secure \$500,000 in flexible funding to support RRH, move in costs, and landlord incentives

Performance Measure(s) to Be Impacted (Check all that apply)

- 1. Reducing the number of persons experiencing homelessness.
- 3. Increasing the number of people exiting homelessness into permanent housing.
- 4. Reducing the length of time persons remain homeless.
- 6. Increasing successful placements from street outreach

Click + Add Strategy above to add additional strategies as needed.

Part III. Narrative Responses

Copy and paste your responses to Part III. Narrative Responses from the [HHAP-4 Local Homelessness Action Plan & Application Template](#) into the form below.

Question 1

[50220.8(b)(3)(D)] My jurisdiction (e.g., City, County, CoC) collaborated with other overlapping jurisdictions to develop the strategies and goals related to HHAP-4

Q1

Other

Question 1 Response

The CoC simply provided the goals and there was no coordination of effort based on resources, revenue, housing availability and other factors. Within our CoC there is no overlapping jurisdictions per se.

Question 2

[50220.8(b)(3)(D)] My jurisdiction (e.g., City, County, CoC) consulted with each of the following entities to determine how HHAP-4 funds would be used:

Public agencies (governmental entities)

Yes

Private sector partners (philanthropy, local businesses, CBOs, etc.)

Yes

Service providers (direct service providers, outreach, shelter providers, etc.)

Yes

Local governing boards

Yes

People with lived experience

Yes

Other

Yes

Other response

Local NorEI Muk tribe

a. Please describe your most notable coordination and collaborative processes with these entities.

All service providers in the county are part of the crisis response team and come together to meet the needs of the target population willingly and collaboratively; the county has established a countywide release of information that allows us to share some information about client needs across departmental lines; not perfect, but it is an improvement in data sharing.

Question 3

[50220.8(b)(3)(B) and 50220.8(b)(3)(E)] My jurisdiction (e.g., City, County, CoC) is partnering or plans to use any round of HHAP funding to increase partnership with:

People with lived experience

No

Social services (CalFresh, Medi-cal, CalWORKs, SSI, VA Benefits, etc.)

Yes

Is this partnership formal or informal?

Formal partnering

Is this partnership current or planned?

Current

Do HHAP Funds Support This Partnership?

Current

Do HHAP Funds Support This Partnership?

Yes

Other (please specify)

Yes

Is this partnership formal or informal?

Formal partnering

Is this partnership current or planned?

Current

Do HHAP Funds Support This Partnership?

Yes

Other response

Coordinating efforts with the out of county housing authority that represents the county, but doesn't have much of a presence here.

a. Please describe your most notable partnership with these groups (e.g. MOUs, shared funding, data sharing agreements, service coordination, etc.)

The County has developed a crisis response team that integrates the services of behavioral health, mainstream resources, adult protective services/public guardian, the food bank, health care system and veteran's services. Together, this group developed a data sharing agreement which somewhat improves our ability to share information across county departments and service providers

Question 4

[50220.8(b)(3)(B) and 50220.8(b)(3)(E)] My jurisdiction (e.g., City, County, CoC) is strengthening its partnership, strategies, and resources across:

Managed care plans and resources (such as the Housing and Homelessness Incentive Program [HHIP])

Yes

Data Sharing Agreement Established

Physical and behavioral health care systems and resources

Yes

Data Sharing Agreement Established

Public health system and resources

Yes

a. Please describe your most notable coordination, planning, and/or sharing of data/information that is occurring within these partnerships.

The development of a Countywide release of information that has improved the sharing of information; however, due to specific program regulations in each department (BHS, HHS, APS/PG) it still continues to be a challenge

Question 5

[50220.8(b)(3)(F)] Please select what actions your jurisdiction will take to ensure racial/ethnic/gender groups that are overrepresented among residents experiencing homelessness have equitable access to housing and services:

[50220.8(b)(3)(F)] Please select what actions your jurisdiction will take to ensure

racial/ethnic/gender groups that are overrepresented among residents experiencing homelessness have equitable access to housing and services:

Disaggregating administrative data for use in decision making processes

Ensuring those with lived experience have a role in program design, strategy development, and oversight

a. Please describe the most notable specific actions the jurisdiction will take regarding equity for racial/ethnic/gender groups.

Reviewing and analyzing actual data to ensure that we are providing services that are representative of our county's demographics

Question 6

[50220.8(b)(3)(G)] My jurisdiction (e.g., City, County, CoC) has specific strategies to prevent exits to homelessness from **institutional settings** in partnership with the following mainstream systems:

Physical and behavioral health care systems and managed care plan organizations

Yes, informal partnering

Public health system

No

Criminal legal system and system for supporting re-entry from incarceration

Yes, informal partnering

Child welfare system

Yes, informal partnering

Affordable housing funders and providers

Yes, informal partnering

Income support programs

Yes, formal partnering

Education system

Yes, informal partnering

Workforce and employment systems

Yes, informal partnering

Other (please specify)

No

a. Please describe the most notable specific actions the jurisdiction will take to prevent exits to homelessness from institutional settings

Having the participation of the discharge planning team as part of our local crisis response system has been extremely beneficial to resolving exits to homelessness

Question 7

[50220.8(b)(3)(H)] Specific and quantifiable **systems improvements** that the applicant will take to improve the delivery of housing and services to people experiencing homelessness or at risk of homelessness, including, but not limited to, the following:

(I) Capacity building and workforce development for service providers within the jurisdiction, including removing barriers to contracting with culturally specific service providers and building the capacity of providers to administer culturally specific services.

There are no culturally specific service providers in Trinity County as a result of not being ethnically or racially diverse. The County will work with our local Smart Center to ensure that they have the staffing levels and capacity to meet the needs of our program participants

(II) Strengthening the data quality of the recipient's Homeless Management Information System.

The County is adding three-four new HMIS users this fall to meet the needs of timely data entering and management. These persons will be dedicated in their departments and hold the responsibility for quality control of the data

(III) Increasing capacity for pooling and aligning housing and services funding from existing, mainstream, and new funding.

Pooling resources is already taking place in Trinity County. Through the crisis response system, service providers and partners discuss funding streams and how best to leverage existing resources to make a comprehensive program. The County's Housing Department is in the process of hiring three additional team members to build upon the capacity to serve; the funding to support this effort came from the CMSP/LICN grant award

(IV) Improving homeless point-in-time counts.

Stronger coordination and increasing volunteers to participate in the count is our goal. Since the majority of the county does not have broadband, it is futile for us to use a web-based system to improve the process. We intend to partner with code enforcement to identify the places where encampments have been identified in our more wooded and remote sectors of the County

(V) Improving coordinated entry systems to strengthen coordinated entry systems to eliminate racial bias, to create a youth-specific coordinated entry system or youth-specific coordinated entry access points, or to improve the coordinated entry assessment tool to ensure that it contemplates the specific needs of youth experiencing homelessness.

Based on the County's last 3 PIT counts, we do have an identified population of youth that are at risk or homeless, so establishing youth specific access points or a youth specific CES is not the best use of time or resources. We are currently working with Change Well, consultant, to develop an assessment tool that is updated and user friendly; this tool does articulate addressing the specific needs of youth experiencing homelessness.

Question 8

***Responses to these questions are for informational purposes only.**

What **information, guidance, technical assistance, training, and/or alignment of resources and programs** should Cal ICH and other State Agencies prioritize to support jurisdictions in progressing towards their Outcome Goals, Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness, and/or would otherwise help strengthen local partnerships, coordination, planning, and progress toward preventing and ending homelessness?

Information, Guidance, and Technical Assistance

Trainings on topics of equity

Alignment of Resources and Programs

In the space below, please describe what Cal ICH and other State Agencies should prioritize related to

alignment of resources and programs, strengthening partnerships and collaborations, or any other ways that State can support communities' progress:

Untitled

Small, rural counties are vastly different than large metropolitan counties/cities and we are often held to the same timelines, standards and requirements of larger jurisdictions that have access to more resources, have significantly more capacity and have an abundance of providers/options to choose from. Small counties often have to compete for funds, and there is most often only one person in the department who is wearing every hat-administration, fiscal, program delivery, evaluation, reporting, etc. In small counties there is usually only one or two nonprofits that handle all community-based programming so if they are underperforming, there isn't an alternative or another provider to go to. Small counties do not have culturally specific organizations to partner with, because we are often not culturally or ethnically diverse. The cost of doing business in a small, rural county is typically higher than that of a metropolitan area due to the remoteness, lack of options, lack of skilled labor, lack of capacity, etc.; smaller jurisdictions actually need more funding due to this reality. When resources are distributed, small, non-entitlement jurisdictions have to work harder to obtain/maintain the funding, while entitlement jurisdictions, simply get theirs distributed to them.

Part IV. Funding Plan Strategic Intent Narrative

Question 1

Eligible Use 1

Eligible Use Category Intended to be Supported with HHAP-4

1. Rapid rehousing

Approximate % of TOTAL HHAP-4 ALLOCATION to be used on this Eligible Use(%)

28.00%

Approximate % of TOTAL HHAP-4 ALLOCATION to be used under this Eligible Use as part of the Youth Set Aside? (%)

5.00%

Activities to be Supported with HHAP-4

Rapid rehousing rental and utility assistance, security and pet deposits, landlord incentives to support persons who are experiencing homelessness

How is this a strategic use of HHAP-4 resources that will address needs and gaps within the homelessness response system?

Due to the lack of affordable housing and master lease programs, in order for our service providers to negotiate with landlords for leases with our program participants at FMR rates, we must offer incentives and pet deposits. These incentives help to reduce the length of time a person experiences homelessness and builds the capacity of our homeless response system.

How were these decisions to invest HHAP-4 into these activities informed by the planned uses of other state, local, and/or federal funding sources (as documented in the Landscape Analysis in Part I)?

Most revenue streams do not include incentives as an eligible activity so leveraging RRH funds that includes incentives encourages faster housing placement

Eligible Use 2

Eligible Use Category Intended to be Supported with HHAP-4

3. Street outreach

Approximate % of TOTAL HHAP-4 ALLOCATION to be used on this Eligible Use(%)

35.00%

Approximate % of TOTAL HHAP-4 ALLOCATION to be used under this Eligible Use as part of the Youth Set Aside? (%)

5.00%

Activities to be Supported with HHAP-4

Street outreach costs of providing essential services necessary to connect with and providing information and referrals to persons on the street, including gas/vehicle lease costs, transportation, food, clothing, toiletries, OTC medicine, pre-paid phone, staff phone costs, etc.

How is this a strategic use of HHAP-4 resources that will address needs and gaps within the homelessness response system?

Improve access to supportive services, as well as physical and behavioral health services for unsheltered persons. In order to decrease the number of people experiencing unsheltered homelessness, we need to build rapport and address the basic needs of each individual, from over-the-counter medication, to

specialized food, to hygiene and wound care, clothing, blankets and other necessities.

How were these decisions to invest HHAP-4 into these activities informed by the planned uses of other state, local, and/or federal funding sources (as documented in the Landscape Analysis in Part I)?

Most revenue streams do not include Outreach as an eligible activity and HHAP allows for flexibility to meet the unsheltered where they are.

Eligible Use 3

Eligible Use Category Intended to be Supported with HHAP-4

5. Systems support

Approximate % of TOTAL HHAP-4 ALLOCATION to be sed on this Eligible Use(%)

30.00%

Approximate % of TOTAL HHAP-4 ALLOCATION to be used under this Eligible Use as part of the Youth Set Aside? (%)

0.00%

Activities to be Supported with HHAP-4

Maintenance of a housing delivery system, including coordinated entry, HMIS, local CoC meetings, crisis response team meetings, coordination and collaboration with partners

How is this a strategic use of HHAP-4 resources that will address needs and gaps within the homelessness response system?

Expanding and strengthening cross system collaborations to establish a true, collaborative crisis response system that provides a more comprehensive response to homelessness in the County.

How were these decisions to invest HHAP-4 into these activities informed by the planned uses of other state, local, and/or federal funding sources (as documented in the Landscape Analysis in Part I)?

We must align housing solutions and crisis response with data/outcomes in order to gauge our success towards exiting persons out of homelessness. Other funding sources do not have systems support as an eligible activity.

Eligible Use 4

Eligible Use Category Intended to be Supported with HHAP-4

10. Administrative (up to 7%)

Approximate % of TOTAL HHAP-4 ALLOCATION to be sed on this Eligible Use(%)

7.00%

Approximate % of TOTAL HHAP-4 ALLOCATION to be used under this Eligible Use as part of the Youth Set Aside? (%)

0.00%

Activities to be Supported with HHAP-4

Grant administration activities, rent/utilities for office space

How is this a strategic use of HHAP-4 resources that will address needs and gaps within the homelessness response system?

All revenue streams share a portion of the administrative costs to run homeless/housing programs and services

How were these decisions to invest HHAP-4 into these activities informed by the planned uses of other state, local, and/or federal funding sources (as documented in the Landscape Analysis in Part I)?

All revenue streams share a portion of the administrative costs to run homeless/housing programs and services

Question 2

Please describe how the planned investments of HHAP-4 resources and implementation of the activities to be supported will:

Help drive progress toward achievement of the Outcome Goals and Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness (as identified in Part II above):

By increasing the number of staff, we have in our department and the increased funding for sheltering, the County will be able to work on barrier removal, supportive services and housing navigation while a program participant is off the streets and in temporary housing

Help address racial inequities and other inequities in the jurisdiction's homelessness response system:

Housing staff will continue to review data to ensure that we are serving persons that are representative of our county's demographics

Be aligned with health and behavioral health care strategies and resources, including resources of local Medi-Cal managed care plans:

Through the regular crisis response team meetings, we will continue our efforts to align all new and existing programs and resources with our housing program and supportive services portfolio. We are already engaged with the Change Well consultants to ensure that CDSS programs are aligned with our housing options and services.

Support increased exits to permanent housing among people experiencing homelessness:

The County is working with Northern Valley Catholic Social Service, a housing provider and developer, to establish additional affordable housing units in the county to meet the needs of our homeless/at risk program participants. This opportunity will increase the access to affordable housing units and improve our exits to permanent housing for those in the coordinated entry system. The Housing Program Manager has built rapport with several property owners who are willing to rent to our program participants and those efforts will continue moving forward as long as resources continue to be available

Certification

I certify that all information included in this Application is true and accurate to the best of my knowledge.

Yes

*If data is not available, please input N/A in the cell and explain why the data is not available below:

Goal Statement:

By the end of the performance period, HDIS data for the Dos Rios CoC will show **498** total people accessing services who are experiencing homelessness annually, representing **150** fewer people and a **23% reduction** from the baseline.

Goal Narrative:

By increasing our staffing capacity and our resources, the County will be able to conduct additional outreach activities, have a housing navigator who can work with persons at risk of homelessness and prevent them from becoming homeless through the use of subsidies.

Baseline Data: Annual estimate of number of people accessing services who are experiencing homelessness	Outcome Goals July 1, 2022 - June 30, 2025		
	Change in # of People	Change as % of Baseline	Target Annual Estimate or # of people accessing services who are experiencing homelessness
648	-150	-23%	498

Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

Chronically homeless individuals with co-occurring disorders, high barriers, frequent utilizers of public services, and those with no income source.

Describe the trackable data goal(s) related to this Outcome Goal:

Note: Meeting the trackable data goals for the underserved populations is not required for eligibility for Bonus Funds.

- 1) A reduction in new homeless
- 2) Reduction in the number of persons who experience homelessness

Outcome Goal #1b. Reducing the number of persons experiencing homelessness on a daily basis.**Goal Statement:**

By the end of the performance period, data for the Dos Rios CoC will show **100** total people experiencing unsheltered homelessness daily, representing **96** fewer people and a **49%** reduction from the baseline.

Goal Narrative:

Due to a lack of shelters, the County will secure additional funding to support interim sheltering (motel vouchers), as well as collaborating with NVCSS on an affordable housing development to establish dedicated affordable housing units to meet the needs of homeless persons

Baseline Data: Daily Estimate of # of people experiencing unsheltered homelessness	Outcome Goals July 1, 2022 - June 30, 2025		
	Change in # of People	Change as % of Baseline	Target Daily Estimate of # of people experiencing unsheltered homelessness
196	-96	-49%	100

Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

Chronically homeless persons, persons with co-occurring disorders, mentally disabled, and individuals with no income source, yet are likely eligible for social security benefits.

Describe the trackable data goal(s) related to this Outcome Goal:

Note: Meeting the trackable data goals for the underserved populations is not required for eligibility for Bonus Funds

- 1) Increase in the number of landlord incentives granted to property owners as measure by assistance provided
- 2) Reduction in the number of persons experiencing homelessness on a daily basis

Outcome Goal #2. Reducing the number of persons who become newly homeless.**Goal Statement:**

By the end of the performance period, HDIS data for the Dos Rios CoC will show **275** total people become newly homeless each year, representing **81** fewer people and a **23%** reduction from the baseline.

Goal Narrative:

By increasing our staffing capacity and our resources, the County will be able to conduct additional outreach activities, have a housing navigator who can work with persons at risk of homelessness and prevent them from becoming homeless through the use of subsidies.

Baseline Data: Annual Estimate of # of people who become newly homeless each year	Outcome Goals July 1, 2022 - June 30, 2025		
	Change in # of People	Change as % of Baseline	Target Annual Estimate of # of people who become newly homeless each year
356	-81	-23%	275

Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

Describe the trackable data goal(s) related to this Outcome Goal:

Note: Meeting the trackable data goals for the underserved

Chronically homeless individuals with co-occurring disorders, high barriers, frequent utilizers of public services, and those with no income source.	1) The level and types of assistance provided (rental assistance, prevention/eviction assistance and documented in HMIS
--	---

Goal Statement:
 By the end of the performance period, HDIS data for the Dos Rios CoC will show **292** total people people exiting homelessness into permanent housing annually, representing **63** more people exiting to permanent destinations from homelessness.

Goal Narrative:
 By increasing our staffing capacity and our resources, the County will be able to conduct additional outreach activities to landlords to establish rental relationships, securing a housing navigator who can work with persons at risk of homelessness and prevent them from becoming

Baseline Data: Annual Estimate of # of people exiting homelessness into permanent housing	Outcome Goals July 1, 2022 - June 30, 2025		
	Change in # of People	Change as % of Baseline	Target Annual Estimate of # of people exiting homelessness into permanent housing
229	63	28%	292

Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:	Describe the trackable data goal(s) related to this Outcome Goal: <i>Note: Meeting the trackable data goals for the underserved populations is not required for eligibility for Bonus Funds.</i>
Chronically homeless adults over the age of 25 and without children.	1) The number of exits to permanent housing from temporary housing projects (ES, TH) 2)The number of exits to permanent housing from RRH projects 3) The level and types of assistance provided (RRH) and documented in HMIS

Outcome Goal #4. Reducing the length of time persons remain homeless.

Goal Statement:

By the end of the performance period, HDIS data for the Dos Rios CoC will show **124** days as the average length of time that persons are enrolled in street outreach, emergency shelter, transitional housing, safehaven projects and time prior to move-in for persons enrolled in rapid rehousing and permanent housing programs annually, representing **17 fewer** people and a **12% reduction** from the baseline.

Goal Narrative:

By increasing our staffing capacity and our resources, the County will be able to conduct additional outreach activities to landlords to establish rental relationships, securing a housing navigator who can work with persons at risk of homelessness and prevent them from becoming homeless through the use of subsidies, will improve our ability to exit persons from homelessness to longer term housing, and increasing our

Baseline Data: Average length of time (in # of days) persons enrolled in street outreach, emergency shelter, transitional housing, safehaven projects and time prior to move-in for persons enrolled in rapid rehousing and permanent housing programs	Outcome Goals July 1, 2022 - June 30, 2025		
	Change in # of People	Change as % of Baseline	Target Average length of time (in # of days) persons enrolled in street outreach, emergency shelter, transitional housing, safehaven projects and time prior to move-in for persons enrolled in rapid rehousing and permanent housing programs
141	-17	-12%	124

Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:

All homeless are disproportionately served due to a lack of housing, and especially affordable housing.

Describe the trackable data goal(s) related to this Outcome Goal:

Note: Meeting the trackable data goals for the underserved populations is not required for eligibility for Bonus Funds.

Reduce the numbers of days/length of time a person enrolled in outreach or temporary housing before moving to rapid rehousing.

Outcome Goal #5. Reducing the number of persons who return to homelessness within two years after exiting homelessness to permanent housing**Goal Statement:**

By the end of the performance period, HDIS data for the Dos Rios CoC will show **1%** of people return to homelessness within 2 years after having exited homelessness to permanent housing, representing 3 **fewer** people and a **3% reduction** from the baseline.

Goal Narrative:

By increasing our staffing capacity, we may be able to provide on going case management services beyond the period of the rental subsidy to support struggling households.

Baseline Data: % of people who return to homelessness within 2 years after having exited homelessness to permanent housing	Outcome Goals July 1, 2022 - June 30, 2025		
	Change in % of People	Change as % of Baseline	Target % of people who return to homelessness within 2 years after having exited homelessness to permanent housing
4%	-3%	-75%	1%

Underserved Populations and Populations Disproportionately Impacted by Homelessness

Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:	Describe the trackable data goal(s) related to this Outcome Goal: <i>Note: Meeting the trackable data goals for the underserved populations is not required for eligibility for Bonus Funds.</i>
Local data demonstrates that all populations of unsheltered persons struggle to remain housed once a rental subsidy is no longer available. The chronically homeless population with multiple barriers to remaining safe and stably housed will be our focus population; this population contains persons with co-occurring disorders and/or a disability.	Reduction in the rate of return to homelessness

Outcome Goal #6. Increasing successful placements from street outreach.

Goal Statement:

By the end of the performance period, HDIS data for the Dos Rios CoC will show **120** total people served in street outreach projects exit to emergency shelter, safe haven, transitional housing, or permanent housing destinations annually, representing **120** more people and a **100%** increase from the baseline.

Goal Narrative:

By retaining funding for street outreach, we will have capacity to conduct outreach, meet supportive service needs, and build rapport and case management relationships that will aid in moving persons off the street and into shelter/housing,

Outcome Goals July 1, 2022 - June 30, 2025

Baseline Data: Annual # of people served in street outreach projects who exit to emergency shelter, safe haven, transitional housing, or permanent housing destinations.	Change in # of People	Change as % of Baseline	Target Annual Estimate of # of people served in street outreach projects who exit to emergency shelter, safe haven, transitional housing, or permanent housing destinations.

By June 2024

Entities with Lead Responsibilities

Trinity County Housing Department

Measurable Targets

3 additional staff to provide outreach, comprehensive case management, housing navigation and landlord engagement.

4. Reducing the length of time persons remain homeless.

5. Reducing the number of persons who return to homelessness after exiting homelessness to permanent housing.

6. Increasing successful placements from street outreach.

Focused on equity goals related to underserved populations and populations disproportionately impacted by homelessness.

Strategy	Performance Measure to Be Impacted (Check all that apply)
Strategic uses of other sources of funding	
Description	
Secure funding to support rental subsidies, landlord incentives, security and pet deposits, move-in furniture, and utility assistance for the target population.	
Timeframe	
June 2023-July 2025	
Entities with Lead Responsibilities	
Trinity County Housing Department and Crisis Response Team	
Measurable Targets	
Secure \$500,000 in flexible funding to support RRH, move in costs, and landlord incentives	

1. Reducing the number of persons experiencing homelessness.

2. Reducing the number of persons who become homeless for the first time.

3. Increasing the number of people exiting homelessness into permanent housing.

4. Reducing the length of time persons remain homeless.

5. Reducing the number of persons who return to homelessness after exiting homelessness to permanent housing.

6. Increasing successful placements from street outreach.

Focused on equity goals related to underserved populations and populations disproportionately impacted by homelessness.

Table 6. Funding Plan Strategic Intent

Eligible Use Category Intended to be Supported with HHAP-4	Approximate % of TOTAL HHAP-4 ALLOCATION to be used on this Eligible Use (%)	Approximate % of TOTAL HHAP-4 ALLOCATION to be used under this Eligible Use as part of the Youth Set Aside? (%)	Activities to be Supported with HHAP 4	How is this a strategic use of HHAP 4 resources that will address needs and gaps within the homelessness response system?	How were these decisions to invest HHAP 4 into these activities informed by the planned uses of other state, local, and/or federal funding sources (as documented in the Landscape Analysis in Part I)?
5. Systems support	30%	0%	Maintenance of a housing delivery system, including coordinated entry, HMIS, local CoC meetings, crisis response team meetings, coordination and collaboration with partners	Expanding and strengthening cross system collaborations to establish a true, collaborative crisis response system that provides a more comprehensive response to homelessness in the County.	We must align housing solutions and crisis response with data/outcomes in order to gauge our success towards exiting persons out of homelessness. Other funding sources do not have systems support as an eligible activity.
3. Street outreach	35%	5%	Street outreach costs of providing essential services necessary to connect with and proving information and referrals to persons on the street, including gas/vehicle lease costs, transportation, food, clothing, toiletries, OTC medicine, pre-paid phone, staff phone costs, etc.	Improve access to supportive services, as well as physical and behavioral health services for unsheltered persons. In order to decrease the number of people experiencing unsheltered homelessness, we need to build rapport and address the basic needs of each individual, from over the counter medication, to specialized food, to hygiene and wound care, clothing, blankets and other necessities.	Most revenue streams do not include Outreach as an eligible activity and HHAP allows for flexibility to meet the unsheltered where they are.
1. Rapid rehousing	28%	5%	Rapid rehousing rental and utility assistance, security and pet deposits, landlord incentives to support persons who are experiencing homelessness	Due to the lack of affordable housing and master lease programs, in order for our service providers to negotiate with landlords for leases with our program participants at FMR rates, we must offer incentives and pet deposits. These incentives help to reduce the length of time a person experiences homelessness and builds the capacity of our homeless response system.	Most revenue streams do not include incentives as an eligible activity so leveraging RRH funds that includes incentives encourages faster housing placement
10. Administrative (up to 7%)	7%	0%	Grant administration activities, rent/utilities for office space	All revenue streams share a portion of the administrative costs to run homeless/housing programs and services	All revenue streams share a portion of the administrative costs to run homeless/housing programs and services
Total:	100%	10%			

Table 7. Demonstrated Need

Complete ONLY if you selected Interim Housing/Congregate/Non-Congregate Shelter as an activity on the Funding Plans tab.

Demonstrated Need	
# of available shelter beds	0
# of people experiencing unsheltered homelessness in the homeless point-in-time count	340
Shelter vacancy rate (%) in the summer months	0
Shelter vacancy rate (%) in the winter months	0
% of exits from emergency shelters to permanent housing solutions	0
Describe plan to connect residents to permanent housing.	
<p>The County does not have an emergency shelter and it is extremely costly to place the target population in motels, not to mention the lack of available motels. Most chronically homeless persons are not ready to go from the street to a long term housing situation and need time to build trust while in non-congregate sheltering situations. Establishing a non-congregate shelter in Trinity County would give program participants the opportunity to be safe in a shelter, in a room by themselves, while they build trust and work on any barriers that they wish to. Trinity County's chronically homeless population have significant challenges to being housed, including untreated behavioral health and physical health conditions which would prevent them from living alone or without some sort of support or ongoing care. These conditions can be treated in an environment where supportive services are available daily. Once health conditions or circumstances approve and participants opt for longer term housing, the housing navigator would work to establish opportunities for placement.</p>
