**I. Background and Summary of Changes**

On January 27, 2020, the U.S. Department of Housing and Urban Development (HUD) allocated \$1,017,399,000 in Community Development Block Grant-Disaster Recovery (CDBG-DR) funds to the State of California to support California’s unmet recovery needs, related to the Federal Emergency Management Agency (FEMA) Major Disaster Declarations DR-4407 and DR4382 for the 2018 wildfire season. The funds were released in two allocations: Public Law 115-254 Unmet Needs allocation of \$491,816,000 and Public Law 116-20 Unmet Needs allocation of \$525,583,000.

The California Department of Housing and Community Development (HCD) manages CDBG-DR funds, in accordance with the goals and objectives set forth in the state’s initial HUD-approved Action Plan for 2018 disasters (“18DR-Action Plan”). This is the sixth amendment to this Action Plan.

This non-substantial amendment proposes one clarification to the Workforce Development Program allocation. The Workforce Development Program Notice of Funding Availability (NOFA) closed on February 29, 2024. Based on initial budgets, there were under subscriptions and over subscriptions in the regional allocations. This action plan amendment reallocates the funding based on the original methodology to the jurisdictions to meet unmet needs submitted through the NOFA.

**Add:** The economic revitalization local assistance budget is updated to \$40,694,942.60 to reflect the methodology for local assistance.

**2. Allocation Methodology (page 157)**

**Add:** The Workforce Development NOFA closed on February 29, 2024. Based on applications and budgets provided, HCD has reallocated funding to meet the subrecipient unmet needs. The reallocation utilizes the original allocation mode and corrects a mathematical error in the original allocation budget. As the program moves into implementation, HCD may reallocate funds in two ways:

- between regional allocations based on expenditures and remaining project needs
- apply the same formula to reallocate leftover funds to other regions that are in need

If funds are reallocated, the process and updated allocation tables will be updated in policies and procedures.
