### 2. **National Objectives**

All Projects approved under this Agreement must be eligible and must meet the low-to-moderate-income households National Objective ("LMH National Objective") of the HUD regulations authorized under Title I of the Housing and Community Development Act of 1974, Section 104(b)(3), as amended, and 24 CFR Part 570.483. While proposed projects may be mixed-income units, CDBG-DR funds must only be applied to the affordable units for occupancy by LMI households. All Senior Housing Projects and all rehabilitation Projects must have at least 51% affordable units in order to meet the LMH National Objective, unless otherwise waived by HUD.

Upon completion of the Project(s) funded under this Agreement and prior to the funding expiration date of this Agreement, the Sponsor must document that the Project(s) met the LMH National Objective. The Department shall review the actual National Objective achievements of the Project. If the Sponsor does not or cannot satisfactorily document the National Objective achievement of a Project, the Project may be deemed ineligible and repayment of funds may be required of the Sponsor.

### 3. **Affordable Rents and Tenant Income Limits**

- A. The maximum Affordable Rents (inclusive of all utility costs) must not exceed the Multifamily Tax Subsidy Projects (MTSP) Regular Income and Rent Limits published by HCD annually for each County.
- B. For Deeply Affordable Units, the maximum rent must not exceed the levels set for thirty percent (30%) income level.
- C. DR-MHP units may only be leased to Households with an Annual Income that is not more than 80% of the AMI.

### 4. **Affordability Period and Regulatory Agreement**

## EXHIBIT D

- A. Projects shall be rent and income restricted and must remain affordable for a minimum affordability period of 55 years beginning upon the Department's receipt of the Project Completion Report as defined in Section 30(A)(4) herein, except as may be approved by the Department.
- B. The affordability restrictions for the Project will be evidenced and enforced by way of the DR-MHP Regulatory Agreement, in form and substance provided by the Department. Sponsor must record against each real property in the official records of the County in which each Project is located. The DR-MHP Regulatory Agreement shall have priority over other liens, encumbrances and other matters of record except as may be approved by the Department. Exceptions to the position of the DR-MHP Regulatory Agreement must be approved in writing and in advance by the Department.
- C. The DR-MHP Regulatory Agreement shall remain in effect at all times during the affordability period. The DR-MHP Regulatory Agreement shall also remain in effect during the affordability period notwithstanding any partial or full prepayment of the Loan.
- D. A sale or transfer of the Project to another entity, in whole or in part and whether direct or indirect, during the affordability period is subject to the Department's review and approval in its sole discretion. The Department is likely to find a sale or transfer acceptable, provided any prospective purchaser or transferee acknowledges that they and the Project remain subject to the affordability restrictions and all other terms and conditions of the Project's DR-MHP Regulatory Agreement, which restrictions, terms, and conditions shall remain unmodified and in full force and effect during the term of that agreement and there is no change in the lien priority of that agreement.

### 5. **Duplication of Benefits**

A Duplication of Benefits (DOB) occurs when a program beneficiary receives financial assistance from multiple sources for a cumulative amount that exceeds the total need for the same recovery purpose of the DR-MHP Loan funds. The amount of the duplication is the amount of assistance provided in excess of the need. It is the Department's responsibility to ensure that the DR-MHP provides financial assistance only to the extent that the disaster recovery need has not been fully met by funds that have already been paid, or will be paid, from another source.

The Sponsor must report all funds obtained for the Project from any source from the date of the disaster until the Project is completed.

## EXHIBIT D

Additionally, the Department has performed a check for DOB prior to executing this Agreement to ensure that duplicative financial assistance is not provided for multifamily housing. The Department also reserves the right to perform additional DOB checks throughout the course of the Project's performance period, up to and through the closeout of each Project, to ensure there is no duplicative financial assistance throughout the course of the Project. Any person who knowingly makes a false claim or statement to HUD may be subject to civil or criminal penalties under 18 U.S.C. 287, 1001 and 31 U.S.C. 3729.

The Sponsor agrees to repay to the Department any financial assistance later received for the same purpose as the CDBG-DR funds from another source, and, that exceeds the total need for the particular recovery purpose.

### 6. **Sponsor Responsibilities**

- A. The Sponsor for the Project shall be responsible for all project management functions of the Project including project design and development, construction and/or rehabilitation, maintenance, selection of tenants, annual recertification of Household income and size, and management of the Project and units in accordance with local requirements, the most recent version of the DR-MHP Policies and Procedures Manual, and the requirements of the DR-MHP Regulatory Agreement and of this Agreement for the duration of the affordability period.
- B. The Sponsor for the Project shall be responsible for all repair and maintenance functions of the Project, including ordinary maintenance and replacement of capital items. "Ordinary maintenance and repair" means regular or usual care, upkeep or replacement of any part, or putting back together that which is deteriorated or broken, of an existing property, building or structure so that the Project is in decent, safe, and sanitary condition at all times. The Sponsor shall ensure maintenance of residential units, commercial space, and common areas in accordance with local health, building, and housing codes, and the management plan described below.
- C. If the Sponsor hires a separate entity to manage the property after construction is complete, the Sponsor for the Project shall ensure that the Project is managed by an entity approved by the Department that is actively in the business of managing affordable housing. Any management contract entered into for this purpose shall be subject to Department approval and must contain a provision allowing the Sponsor to terminate the contract upon thirty (30) days' notice. The Sponsor shall terminate said contract as directed by Department upon a determination that management does not comply with DR-MHP requirements and/or the provisions of any recorded regulatory agreement for the Project.

## EXHIBIT D

- D. The Sponsor shall develop a management plan for the Project subject to Department approval within 90 days of the commencement of construction. Any change to the plan shall be subject to the approval of the Department. The plan shall be consistent with program requirements and must include provisions addressing the following:
- 1) The role and responsibility of the Sponsor and the delegation of its authority;
  - 2) Personnel policy and staffing arrangements including key personnel and lines of authority;
  - 3) Plans and procedures for affirmatively marketing all housing units in a manner that ensures equal access to all persons in any category protected by federal, state or local laws governing discrimination, and without regard to any arbitrary factor, and achieving early and continued occupancy;
  - 4) Procedures for determining tenant eligibility and selecting tenants, as well as notifying applicants of eligibility and availability of a DR-MHP Assisted Unit, and for certifying and annually recertifying Household income and size;

  - 9) Policies and Procedures for managing funds that meet generally accepted accounting principles;
  - 10) A program for maintaining adequate accounting records and handling necessary forms and vouchers;

  - 14) Provisions for periodic update of the management plan;
  - 15) Appeal and grievance procedures;
  - 16) Policies and procedures for collections for tenant-caused damages, processing evictions and terminations; and
  - 17) If applicable, a final Supportive Services Plan for Projects serving Special Needs Populations, including Supportive Housing and/or providing Supportive Services to the general tenant population that includes details outlined in Section 2.3.8 of the DR-MHP Policies and Procedures.
- E. Annually, during the term of this Agreement, the Department shall perform monitoring of the Sponsor and Project to ensure compliance with federal and state requirements and timely project completion. The Sponsor shall be required to resolve any monitoring findings to the Department's satisfaction by the deadlines set by the Department.

Sponsor shall retain all books, records, accounts, documentation, and all other materials relevant to this Agreement and the initial development phase of a Project for a minimum period of five (5) years after the Department notifies the Sponsor that the grant agreement between HUD and the State of California ("2020 HUD-HCD Grant Agreement") has been closed. Subsequent to close-out of the grant agreement between HUD and the State of California, all records and books relevant to this Agreement and the operational phase of a Project shall be retained for the most recent five (5) year period, until five years after the affordability period terminates. All records must be maintained in such a manner as to ensure that the records are reasonably protected from destruction or tampering. All records shall be subject to inspection and audit by the Department, HUD, or its representative.

Should the Sponsor fail to perform its duties as described above, including a failure constituting a material default pursuant to this Agreement, such that the Project's ability to meet its stated goals under the Program is materially impaired or wholly prevented, or that materially impacts the delivery of an eligible and compliant project on a timely basis pursuant to this Agreement, such failure shall

## EXHIBIT D

constitute a default under this Agreement.

### 7. **Remedies, Appeals, and Termination for Noncompliance**

A. **Remedies for Noncompliance:** In addition to any other rights and remedies the Department may have under this Agreement, at law, or in equity, the Department may initiate remedies for noncompliance as identified in 2 CFR 200.338-339 at any time it has been determined that the Sponsor is no longer meeting the terms and conditions of this Agreement. Remedies for noncompliance may be required in addition to, in lieu of, or prior to termination. Such remedies for noncompliance with a federal statute or regulation, a state statute or regulation, an assurance, in a State plan or application, or elsewhere may include, as appropriate:

- 1) Temporarily withhold cash payments pending correction of the deficiency by the Sponsor.
- 2) Disallow all or part of the cost of the action not in compliance.
- 3) Wholly or partly suspend or terminate the Sponsor's DR-MHP Loan.
- 4) Withhold further and/or future awards for CDBG-DR funds and/or any other funds administered by the Department.
- 5) Request that the Federal Awarding Agency initiate suspension or debarment proceedings.
- 6) Take other remedies that may be legally available, such as:
  - a) In the case of costs incurred without meeting a National Objective, require repayment of all funds reimbursed and/or paid to the Sponsor, as appropriate.
  - b) In the case of Duplication of Benefits, require repayment of all CDBG-DR funds reimbursed and/or paid to the Sponsor where other financial assistance was received for the same purpose in excess of the need.
  - c) In the case of DR-MHP units, require repayment of all CDBG-DR funds reimbursed and/or paid to the Sponsor for any DR-MHP units that have not been rented to eligible tenants 18 months after the date of project completion.

In taking an action to remedy noncompliance, the Department will provide the Sponsor an opportunity for such hearing, appeal, or other administrative proceeding to which the Sponsor is entitled under any statute or regulation applicable to the action involved as per 2 CFR 200.342 or the [Department's](#)

## EXHIBIT D

[CDBG-DR Monitoring Plan](#) and associated exhibit(s). Sponsor shall contact the Department Contract Manager or designee for the current appeal exhibit(s).

Effects of suspension and termination. Sponsor costs resulting from obligations incurred by the Sponsor or any of the Sponsor's Contractors during a suspension or after termination of an Agreement are not allowable unless otherwise authorized by the Department in written notice or as allowable in 2 CFR 200.343. The enforcement remedies identified in this Section do not preclude a Sponsor or any of the Sponsor's contractors from being subject to 2 CFR Part 2424. CDBG-DR funds may not be provided to excluded or disqualified persons pursuant to 24 CFR 570.489(l) and 2 CFR 200.338-200.339.

The remedies available to the Department under this Agreement are cumulative and not exclusive.

- B. Appeals Process for Finding of Noncompliance: If Sponsor disagrees with a finding of noncompliance and/or any accompanying remedy and/or termination that are associated with such finding, the Sponsor may appeal the disputed decision to the Department in writing via U.S. Mail no later than thirty (30) calendar days from the date of HCD's issuance of the disputed decision. In the event the 30th day falls on a weekend or a recognized state or federal holiday, the Sponsor's written request for appeal shall be due by 5:00 pm Pacific Time the following business day.

There are two levels of appeal available to aggrieved Sponsors:

- Level I Request for Reconsideration, and
  - Level II Request for Official Review.
- 1) **Level I Request for Reconsideration**: A Sponsor must first submit a written Level I Request for Reconsideration to the Program Manager within thirty (30) calendar days from HCD's issuance of the underlying decision as described above. If the written request is timely submitted, the Program Manager then has ten (10) calendar days of receipt of such request within which to issue any stay requested by the Sponsor, in full or in part, and thirty (30) calendar days within which to issue a written reconsideration decision. Submitting a timely Level I Request for Reconsideration (and receiving a subsequent reconsideration decision from the Program Manager) is a necessary predicate to the Sponsor having a right to initiate a Level II Request for Official Review.
  - 2) **Level II Request for Official Review**: A Sponsor who disagrees with a Reconsideration decision may submit a Level II Request for Official Review to the Disaster Recovery Section Chief or Designee within thirty

## EXHIBIT D

(30) calendar days from the issuance of the underlying reconsideration decision, as described above. The Section Chief or Designee will conduct an independent review and has thirty (30) calendar days within which to issue a written Official Review decision, which shall be final and binding and not subject to further appeal.

Time is of the essence with regards to the Sponsor's obligation to timely file appeals or requests to the Department within the time periods set forth in this Appeals Process. As such, any appeal by Sponsor that is not timely made in strict accordance herewith shall be void and not considered, and the initial decision or finding shall automatically remain as originally issued.

- C. Termination for Noncompliance: DR-MHP Loan funds provided by this Agreement may be terminated in whole or in part as per federal regulation at 2 CFR 200.339 by HUD or by HCD if Sponsor fails to comply with the terms and conditions of the Agreement that include the terms and conditions of the federal award. All terminations shall include written notification setting forth the reason(s) for such termination, the effective date, and the portion to be terminated in the case of partial terminations and will follow termination notification requirements identified in 2 CFR 200.340.
- 1) **Termination Without Cause:** This Agreement may be terminated by the Department in whole or in part at any time without cause only with the consent of the Sponsor. In the case of a termination of the whole agreement, the parties shall agree upon termination conditions, including the effective date. In the case of a partial termination, the parties shall agree upon termination conditions, including the portion to be terminated and the effective date.
  - 2) **Termination With Cause:** This Agreement may be terminated by the Department in whole or in part at any time for cause by giving at least fourteen (14) calendar days' prior written notice to the Sponsor. Termination with cause includes termination prior to the end of the period of performance for failure to comply with the terms and conditions of this Agreement, and pursuant to 2 CFR 200.339(b), such termination shall be reported to the appropriate federal program integrity and performance system accessible through the System for Award Management. Termination with cause also includes, without limitation, a failure by Sponsor to comply with the Project Schedule, Project Performance Milestones, Reporting Requirements, and/or Special Conditions for a Project to use CDBG-DR funds.

## 8. Severability

## EXHIBIT D

- A. If any provision of this Agreement, or an underlying obligation, is held invalid by a court of competent jurisdiction, such invalidity, at the sole discretion of the Department, shall not affect any other provisions of this Agreement and the remainder of this Agreement shall remain in full force and effect. Therefore, the provisions of this Agreement are, and shall be, deemed severable.
- B. The Sponsor shall notify the Department immediately of any claim or action undertaken by or against it which affects, or may affect this Agreement or the Department and shall take such action with respect to the claim or action as is consistent with the terms of this Agreement and the interests of the Department.

### 9. **Waivers**

No waiver or any breach of this Agreement shall be held to be a waiver of any prior or subsequent breach. The failure of the Department to enforce, at any time, the provisions of this Agreement or to require, at any time, performance by the Sponsor of these provisions shall in no way be construed to be a waiver of such provisions nor to affect the validity of this Agreement or the right of the Department to enforce these provisions. All waivers by the Department must be in writing in order to be valid.

### 10. **Uniform Administrative Requirements**

The Sponsor, its agencies or instrumentalities, shall comply with the policies, guidelines and Administrative Requirements of 2 CFR Part 200 et al, as applicable, as they relate to the cost principles, audit requirements, acceptance and use of federal funds under this part.

- B. **Suspension and Debarment:** By executing this Agreement, Sponsor verifies and affirms that it has not been suspended or debarred from participating in or receiving federal government contracts, subcontracts, loans, grants, or other assistance programs. Sponsor further agrees to verify that its Developers and Contractors have not been suspended or debarred from participating or receiving federal government contracts, subcontracts, loans, grants, or other assistance programs. The Department reserves the right to request from Sponsor documented confirmation that neither Sponsor nor any of its partners, contractors and subcontractors have been suspended or debarred from receiving federal government contracts, subcontracts, loans, grants or other assistance programs, and are in good standing with the Department and the State of California.

## EXHIBIT D

### 11. **Compliance with State and Federal Laws and Regulations**

- A. The Sponsor further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available. Pursuant to 24 CFR 570.480(e), religious or faith-based organizations are eligible, on the same basis as any other organization, to participate in DR-MHP as provided in 24 CFR 570.200(j) and in 24 CFR 5.109(c).

In accordance with 2 CFR 200.207, Department reserves the right and authority to impose additional specific conditions issued under this Standard Agreement under any of the following circumstances:

- A. When, in HCD's sole discretion, HCD finds that Sponsor or Developer has a history of failure to comply with the general or specific terms and conditions applicable to the CDBG-DR funds allocated under this Agreement or to other awards of federally-funded grant or loan assistance passed through HCD.
- B. When Sponsor fails to meet expected performance goals under this agreement.
- C. When Sponsor poses an increased risk for noncompliance based on factors including, but not limited to, financial stability, quality of management systems, history of performance under federal awards, history of timeliness under federal awards, history of conformance with terms and conditions of previous federal awards, and reports and findings from audits.
- D. When, in HCD's sole discretion, such conditions are necessary to ensure timely and compliant performance under the federal award.

Such specific conditions, or special conditions, may include, withholding of authority to proceed to the next phase of a Project until receipt of evidence of acceptable performance within a given period of performance, requiring additional detailed financial

## EXHIBIT D

reports, requiring additional project monitoring, requiring the Sponsor or Developer to obtain technical or management assistance, establishing additional prior approvals, or any other condition HCD deems reasonable and necessary to safeguard federal funds.

Such additional specific award conditions, or special conditions, shall be provided in writing to the Sponsor and shall include the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the action needed to remove the additional requirement (if applicable), the time allowed for completion of the actions (if applicable), and the method for requesting reconsideration of the additional requirements imposed.

### 13. **Affirmatively Furthering Fair Housing**

The Sponsor shall affirmatively further fair housing, in accordance with the Civil Rights Act of 1964 (42 U.S.C 2000a, et seq.), Title VIII of the Civil Rights Act of 1968 (42 U.S.C. 3601 et seq.), and the Fair Housing Act (42 U.S.C. 3601, et seq.), according to 42 U.S.C. 5306, et seq. and in compliance with California Gov. - B. **Title VII of the Civil Rights Act of 1968 (The Fair Housing Act):** This act prohibits discrimination in housing on the basis of race, color, religion, sex and/or national origin. This law also requires actions which affirmatively promote fair housing.
- C. **Restoration Act of 1987:** This act restores the broad scope of coverage and clarifies the application of the Civil Rights Act of 1964. It also specifies that an institution which receives federal financial assistance is prohibited from discriminating on the basis of race, color, national origin, religion, sex, disability or age in a program or activity which does not directly benefit from such assistance.

- C. It will provide "Protections against denials, terminations, and evictions that directly result from being a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy."
- D. It will implement a 'low-barrier certification process' where a domestic violence survivor need only to self-certify in order to document the domestic violence, dating violence, sexual assault, or stalking, ensuring third party documentation does not cause a barrier in a survivor expressing their rights and receiving the protections needed to keep themselves safe.

The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. Part 75.

Noncompliance with HUD's regulations in 24 CFR Part 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
