MEMORANDUM FOR: Potential Applicants

FROM: Jennifer Seeger, Deputy Director
Division of State Financial Assistance

SUBJECT: **Homekey+ Program
2024 Notice of Funding Availability**

A handwritten signature in blue ink that reads "Jennifer Seeger".

The California Department of Housing and Community Development (HCD or Department), in collaboration with the California Department of Veterans Affairs (CalVet), is pleased to announce the **availability of approximately \$2.145 billion of Homekey+ grant funding** through this Notice of Funding Availability (NOFA).

Proposition 1, passed by California voters in March 2024, is a critical step in advancing the state's goals to reduce homelessness and protect our most vulnerable populations through important changes to the Mental Health Services Act (MHSA). Proposition 1 includes the Behavioral Health Services Act (BHSA) and the Behavioral Health Infrastructure Bond Act (BHIBA). Homekey+ is the Permanent Supportive Housing component of the BHIBA.

Homekey+ will support the development of Permanent Supportive Housing for Veterans and individuals with mental health or substance use disorder challenges who are at-risk of or experiencing homelessness. Building on the success of both [Roomkey](#) and approximately \$3.572 billion awarded over three rounds of [Homekey](#), Homekey+ continues a statewide effort to sustain and rapidly expand Permanent Supportive Housing for persons experiencing homelessness.

Like other programs administered by the State of California that serve people experiencing homelessness, Homekey+ requires the use of Housing First, which is an evidenced-based model that quickly and successfully connects individuals and families experiencing homelessness to permanent housing without preconditions and barriers to entry or continued tenancy, such as sobriety, treatment or service participation requirements. With safe, affordable housing, and supportive services to address Behavioral Health Challenges, California's most vulnerable residents will have the foundation they need to thrive.

The Homekey+ funding available in this NOFA is **to provide Permanent Supportive Housing for individuals or households with an individual who is Homeless, Chronically Homeless, or At Risk of Homeless, and who are also living with a Behavioral Health Challenge**. Homekey+ also establishes allocations for Veterans

and for Youth relative to that Target Population. Homekey+ is largely derived from Proposition 1 bond funds established by the BHIBA (AB 531, Chapter 789, Statutes of 2023).

For this NOFA, as detailed in the table below, an estimated \$1.033 billion in Proposition 1 bond funds is available for Veteran-serving Projects. Additionally, an estimated \$1.11 billion is available for Projects serving the Target Populations, of which \$805 million is derived from Proposition 1 and approximately \$307 million is available from the Homeless Housing, Assistance, and Prevention (HHAP) Homekey+ Supplemental funding, made available in the 2023-24 and 2024-25 state budgets.

Description of Project Type	Funds Available
Veteran-serving projects	\$1.033 billion
All other Target Population Projects	\$1.11 billion

Tribal Applicants: Please note that a separate Tribal Homekey+ NOFA of approximately \$121 million for tribal applicants is available on the Department's [Tribal Homekey+ Program website](#).

Homekey+ provides housing to persons with Behavioral Health Challenges. Although Homekey+ largely remains similar to prior Homekey rounds, there are important differences to note. Homekey+ will only fund Permanent Supportive Housing; Interim Housing is no longer an eligible use. Homekey+ Projects are supported by laws that allow for a streamlined, ministerial approval process, provided certain conditions are met. However, it is important to note that these conditions have changed significantly from prior rounds of Homekey, as described in Appendix C. In addition to Appendix C, there are a variety of other development streamlining paths in state law that Applicants may wish to consider, which will be available on the Homekey+ website at the time of application release.

A hallmark of prior rounds of Homekey has been producing housing quickly and cost-effectively, mostly through adaptive reuse. HCD will continue to retain and build upon these principles and will offer funding for Permanent Supportive Housing Projects that incorporate cost-containment strategies in new construction Projects. As with the rest of the Homekey+ NOFA, this new construction cost containment pilot will fund Permanent Supportive Housing only. Homekey+ also introduces new flexibility to fund shovel-ready Projects with prior HCD or other awards in need of gap financing to commence construction. Please see Sections 501 and 502 for the new construction and gap financing requirements.

Homekey+ Projects receiving an Award must complete construction within 12 months, starting 60 days from the date of the Award letter, with the exception of new construction and gap financing Projects, which must complete construction within 24 months, starting 60 days from the date of the Award letter (see NOFA Section 204 for more details on all program deadlines).

Appropriate services, as specified in Section 302 “Supportive Services Requirements”, are critical to serving eligible populations in this NOFA. All applicants will need to demonstrate coordination or efforts to coordinate with the county behavioral health department in their community. In addition, Veteran-serving Projects will need to have cultural competency and experience serving Veterans or commit to completing a certification training to gain these competencies.

Lastly, this NOFA prioritizes Projects that commit to sustainable operations. Applicants are encouraged to discuss operating match capacity and local services partnerships during the required pre-application consultation. The NOFA affords HCD the right to prioritize funding for applications that are complete and commit to greater amounts of operational match, regardless of the order of applications received, as outlined in Sections 400-403.

Homekey + Notice of Funding Availability (AMENDED)

Article I. Program Overview

Section 100. Notice of Funding Availability (NOFA)

The California Department of Housing and Community Development (HCD), in collaboration with the California Department of Veterans Affairs (CalVet), is pleased to announce the availability of approximately \$2.145 billion in Homekey+ funding. Homekey+ aims to sustain and rapidly expand the inventory of Permanent Supportive Housing (PSH) for Veterans, young people, and other individuals and their households, with mental health and/or substance use disorder challenges who are at-risk of or experiencing homelessness. All units must be reserved for individuals (and their households, if applicable) with a Behavioral Health Challenge regardless of whether they are serving Veterans, Homeless Youth, or other eligible populations under Title 24 CFR 578.3. Behavioral Health Challenge is defined in the California Welfare and Institutions Code Section 5965.02 to include but not be limited to a serious mental illness, as described in subdivision (c) or (d) of Section 14184.402, or a substance use disorder, as described in Section 5891.5. Enrollment in Medi-Cal or in any other health plan shall not be a condition for accessing housing or continuing to be housed. Please see Article VII of this NOFA under the Behavioral Health Challenge definition for the specific statutory language.

Recent estimates using Point-in-Time Count data from the Turner Center for Housing Innovation show that Black people in California experienced the highest rate of homelessness, about 205 people per 10,000—almost five times higher than the state’s overall homelessness rate of 44 per 10,000. Native Hawaiian and Pacific Islander, Native American and Indigenous, and multiracial people also experienced disparate homelessness rates compared to the state’s overall population. The pandemic made racial disparities even more apparent. California’s homeless population is also aging rapidly, with adults 50+ the fastest growing age group. However, California’s sustained investment in Veterans housing has resulted in significant reductions in the number of Veterans experiencing homelessness. In fact, California had the largest decrease in the country between 2010 and 2022. Homekey+, as with prior Homekey rounds, recognizes these trends and impacts and encourages Applicants to examine disproportionate impacts in their own communities and to develop strategies to address them, particularly for populations experiencing a Behavioral Health Challenge. Pursuant to Welfare and Institutions Code 8255, Homekey+ Projects are required to follow Housing First, which is an evidence-based model that connects homeless persons to permanent housing without preconditions or barriers to entry and continued tenancy, as outlined in Section 504 of this NOFA.

Homekey+ is an opportunity for Local Public Entities, including state and regional entities, to newly construct PSH, or acquire and convert to PSH a broad range of building types, including but not limited to hotels, motels, hostels, single-family homes and multifamily apartments, and manufactured housing.

There is approximately \$2.145 billion in Homekey+ funding that is derived from Proposition 1 bond funds established by the Behavioral Health Infrastructure Bond Act (BHIBA) (AB. 531, Chapter 789, Statutes of 2023), and the Homeless Housing Assistance and Prevention (HHAP) program Homekey Supplemental funding, made available in the 2023-24 and 2024-25 state budgets. For this NOFA, an estimated \$1.033 billion in Proposition 1 bond funds are available for Projects for Veterans with a Behavioral Health Challenge. Additionally, an estimated \$1.11 billion is available for Projects serving all eligible populations, of which, \$805 million is derived from Proposition 1 and approximately \$307 million is available from the HHAP Homekey+ Supplemental funding.

Section 101. Authorizing Legislation and Applicable Law

AB 140 (2021-2022 Reg. Sess.) and AB 531 (2023-2024 Reg. Sess.) provide the statutory basis for the Homekey+ Program. AB 140 added Section 50675.1.3 to the Health and Safety Code (HSC). AB 531 added Section 50675.1.5 to the HSC, and it added Chapter 4 (commencing with Section 5965) to Part 7 of Division 5 of the Welfare and Institutions Code.

AB 531 provides for the funding of Permanent Supportive Housing for individuals or households with an individual who is Homeless, Chronically Homeless, or At Risk of Homeless, and who are also living with a Behavioral Health Challenge. AB 531 also establishes allocations for Veterans and for Youth relative to that Target Population. AB 531 provides that such Homekey+ funds shall be disbursed in accordance with Section 50675.1.3 of the HSC, among other laws. AB 531 further provides an exemption pathway for Homekey+ Projects from the California Environmental Quality Act (CEQA). Please see Section 510 and Appendix C for details on this pathway.

HSC section 50675.1.3, subdivision (e) states: “The Department of Housing and Community Development may adopt guidelines for the expenditure of the funds appropriated to HCD, and for the administration of this program. The guidelines shall not be subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.”

Assembly Bill 129 (Chapter 40, Statutes 2023) and Assembly Bill 166 (Chapter 48, Statutes 2024) established Round 5 and 6, respectively, of the Homeless Housing Assistance Prevention (HHAP). In accordance with HSC Section 50232, subdivision (h), the administration of HHAP 5 funds is not subject to the rulemaking provisions of the Administrative Procedure Act (APA) ((Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code)). In accordance with HSC Section 50239, subdivision (h), the administration of HHAP 6 funds is not subject to the rulemaking provisions of the APA. HCD is utilizing money from HHAP 5 and HHAP 6 to supplement this NOFA. This funding will be awarded to eligible cities, counties, and Tribal Entities pursuing the eligible uses of Homekey+ and meeting the HHAP eligible applicant requirements detailed in Section 200.

This NOFA serves as HCD’s guidelines for the expenditure of Homekey+ funds and the administration of the Homekey+ Program. Under this NOFA, references to “Homekey+” means both the guidelines for Homekey+ funded by Proposition 1 and for HHAP. As such, this NOFA establishes the terms, conditions, forms, procedures, and other mechanisms that HCD deems necessary to exercise its powers and to perform its duties pursuant to the

Homekey+ Program. The matters set forth herein are regulatory mandates and are adopted as regulations that have the dignity of statutes. (*Ramirez v. Yosemite Water Company, Inc.* (1999) 20 Cal. 4th 785, 799 [85 Cal.Rptr.2d 844].)

The Multifamily Housing Program (MHP) (Chapter 6.7 (commencing with Section 50675) of Part 2 of Division 31 of the HSC), and as subsequently amended, is hereby incorporated by reference. In accordance with HSC Section 50675.1.3, subdivision (d), in the event of a conflict between this NOFA and the MHP, the provisions of this NOFA are controlling.

The MHP Final Guidelines (MHP Guidelines), effective May 18, 2023, and as subsequently amended, are hereby incorporated by reference. In the event of a conflict between any of this NOFA and the MHP Guidelines, the provisions of this NOFA are controlling.

California Code of Regulations (CCR) Title 25, Section 42 requires an onsite manager, maintenance, or other responsible person for rental housing of 16 or more units, as specified in Section 302 Supportive Services requirements, of this NOFA.

The following administrative notices, policies, and guidance are hereby incorporated herein by reference and shall be deemed to have the same force and effect as if set forth in full herein:

- The Program’s “Homekey Appraisal Guidelines” and as may be subsequently amended.

The [Uniform Multifamily Regulations](#) (UMRs) (Cal. Code Regs., tit. 25, § 8300 et seq.), effective November 15, 2017, and as subsequently amended, are hereby incorporated by reference, except to the extent that any UMR provision would be inconsistent with the provisions of this NOFA.

All other criteria and matters set forth within the NOFA shall also govern Tribal Entity applications submitted under this NOFA, unless and except to the extent expressly provided to the contrary by terms set forth within this NOFA and subject to any potential modification or waiver under or pursuant to Assembly Bill No. 1010 (Chapter 660, Statutes 2019), which is set forth in HSC §50406, subdivision (p).

Article II. Program Requirements

Section 200. Eligible Applicants

Each of the following entities may apply independently, or each entity may apply jointly with a nonprofit or for-profit corporation, a limited liability company (LLC), and/or a limited partnership (LP) as a Co-Applicant. This includes Applicants applying for gap financing. Under California Code of Regulations Title 25, Section 8313.2. HCD permits Co-Applicants to also be Special Purpose Entities (SPEs). A Special Purpose Entity (SPE) is an entity formed to develop, own, and operate a Project while isolating financial risk. The entity's sole asset is the property, and its sole purpose is to own and manage the property or assets. Please see Sections 300 and 301, and Article VII for more information and required SPE documents.

Eligible Applicants include the following, with the exception noted for HHAP in item (iii.):

- i. Cities, counties, cities and counties, and all other state, regional, and Local Public Entities, including councils of government, metropolitan planning organizations, Public Housing Authorities, and regional transportation planning agencies designated in Section 29532.1 of the Government Code.
- ii. Tribal Entities.

Tribal Entities are eligible under this NOFA but are also encouraged to apply for Homekey+ via a forthcoming Homekey+ Tribal Entity NOFA of approximately \$121 million, to be released under separate cover in November 2024 and available on the Department's [Tribal Homekey+ Program website](#), that will be developed exclusively for and in consultation with Tribes.

The requirements set forth in this NOFA are subject to AB 1010 (Stats. 2019, c. 660), which is set forth in HSC Section 50406, subdivision (p). Accordingly, and pursuant to HSC Section 50406, subdivision (p), **(a)** where the provisions of Tribal law, Tribal governance, Tribal charter, or difference in Tribal Entity or legal structure would cause a violation or not satisfy the requirements of this NOFA, said requirements may be modified as necessary to ensure program compatibility; and **(b)** where provisions of Tribal law, Tribal governance, Tribal charter, or difference in Tribal Entity legal structure or agency create minor inconsistencies (as determined by the Director of HCD or a duly authorized designee thereof) with the requirements set forth in this NOFA, HCD may waive said requirements, as deemed necessary, to avoid an unnecessary administrative burden. Matters set forth or otherwise provided for in this NOFA that may be modified or waived include, without limitation, threshold scoring requirements and any other matters set forth in HSC Section 50406, subdivision (p)(2). Tribal Applicants are accordingly encouraged to discuss any such potential modifications or waivers and their options in that regard at the pre-application consultation.

- iii. Pursuant to CA HSC Sections 50237 and 50241, HHAP Homekey+ Supplemental eligible applicants are:

Nothing in the Homekey+ NOFA precludes Applicants from pursuing Projects that include both Homekey+ and non-Homekey+ units, however, Homekey+ will only fund the units that meet the guidelines of the Homekey+ NOFA.

Prospective Applicants are further advised that Projects may contain a mix of eligible Homekey+ subpopulations, including Veterans, non-Veterans, Homeless Youth, etc.

- i. The list of eligible uses is as follows:
 - a. Acquisition or Rehabilitation, or Acquisition and Rehabilitation, of motels, hotels, hostels, apartments or homes, assisted living residences, manufactured housing, commercial properties, and other buildings with existing uses that could be converted to Permanent Supportive Housing (PSH).
 - b. Master leasing of properties for PSH.

 - 1. Previously funded Homekey Projects that will expand to create new PSH units, or
 - 2. Previously funded Interim to Perm Homekey Assisted Units are eligible for gap financing under Section 502 of this NOFA, if the units are currently occupied and need funding to convert from Interim Housing to PSH.
 - c. The Homekey+ program is intended to support the development of PSH units and will not fund congregate shelter.
 - d. Licensed behavioral health care facilities, which may be eligible for Proposition 1 funding through the Department of Health Care Services (DHCS).

Section 202. Eligible Projects

Homekey+ funds Permanent Supportive Housing (PSH) and will require a 55-year affordability term. HCD welcomes and will consider a variety of innovative housing solutions as eligible Projects, including excess state-owned property developments. The following list of eligible Projects is not exhaustive.

- i. Conversion of nonresidential structures to residential dwelling units.
- ii. Conversion of commercially zoned structures, such as office or retail spaces, to residential dwelling units.
- iii. Conversion of buildings with existing residential or interim uses that will be used to create PSH units.
- iv. Multifamily rental housing Projects.
- v. Scattered site housing on multiple contiguous or non-contiguous sites is permitted as long as the resulting housing has common ownership, financing, and property management.

- vi. PSH units in a shared housing setting. Shared housing is a structure shared by two or more households where each household resides in a separate private bedroom that can be locked and has a lease, with all the rights and responsibilities of tenancy.
- vii. Any of the Eligible Projects above, developed in excess state-owned properties.

Section 203. Allocations and Geographic Distribution

Unless otherwise indicated, all NOFA provisions and scoring criteria shall govern the allocations in this NOFA. HCD will deploy unused funds from any undersubscribed allocation and region to fund applications in the manner described in the Discretionary Reserve. HCD will also redeploy undersubscribed and unused funds, as specified at Section 400 of this NOFA. Table 2 shows the funding available in this NOFA by allocation.

Table 2: Homekey+ Funding Allocations

Allocation (% of appropriation)	Veterans	General Population	NOFA Total
Youth - 8%	\$85,200,000	\$102,320,000	\$187,520,000
Rural - 5%	\$53,250,000	\$63,950,000	\$117,200,000
Discretionary Reserve - 10%	\$106,500,000	\$127,900,000	\$234,400,000

Totals	\$1,033,050,000	\$1,111,756,000	\$2,144,806,000

i. Allocations

a. Youth At Risk of or Experiencing Homelessness

Pursuant to HSC Section 50675.1.3, subdivision (c), HCD shall allocate not less than eight percent (8%) of the Homekey+ funding appropriated, for Projects serving Homeless Youth, or Youth at Risk of Homelessness, as defined in 24 Code of Federal Regulations (CFR) part 578.3.

b. Rural Target Allocation

HCD will allocate five percent (5%) of the appropriated Homekey+ funding for Projects in Rural Area jurisdictions as set forth in HSC Section 50199.21.

c. Discretionary Reserve

HCD will allocate ten percent (10%) of available Homekey+ funds for a Discretionary Reserve to address the following:

1. Covering overages from other allocations, where there are funds available, but the funds are insufficient to fully fund the next eligible Project in the region or allocation.
2. Funding high scoring Projects from oversubscribed regions. Awards will not be made until application period closes to the extent funds are available.

d. Geographic Distributions

Homekey+ aims to equitably offer opportunities throughout the state for Eligible Applicants to apply to this NOFA. After distributing funds to the Homeless Youth, Rural Target and Discretionary Reserve Allocations, this NOFA allocates the balance of the funds geographically. The Homekey+ geographic regions outlined in Table 3 below are largely aligned with California’s Councils of Government (COGs).

Each region's share of the Homekey+ allocation is calculated based on its proportionate share of Veterans and other persons experiencing homelessness as indicated by the sheltered and unsheltered 2023 Homeless Point-in-Time Count (PIT), plus each region’s proportionate share of Extremely Low Income (ELI) renter households that are paying more than 50 percent of their income for rent (Severely Rent-Burdened), sourcing data from the 2022 American Community Survey (ACS) Integrated Public-use Microdata Sample. In order to most accurately account for need, the regional funding allocations in this NOFA consist of a distribution for Projects serving the general population and a distribution for Veterans. The Veteran PIT and Severely Rent-Burdened figures are deducted from the general population numbers as to not double count Veterans.

Section 204. Program Deadlines

Awardees will be subject to the following deadlines, summarized in Table 7. The dates begin 60 days after the Homekey+ Conditional Award letter date to allow time for Standard Agreement execution. If the due date falls on a weekend or holiday, then the due date becomes the next business day after the weekend or holiday. Construction Completion can be proven by a Temporary Certificate of Occupancy, Certificate of Completion, or Contractor scope of work with signed statement of completion. Occupancy completion is proven by Rent Roll or other forms of verification to prove units are occupied.

Table 7: Program Deadlines*

Eligible Uses	Break Ground (if applicable)	Complete Construction	Complete Expenditure	Complete Occupancy
New Construction and Gap Financing	6 months	24 months	27 months	27 months
All other Eligible Uses in Section 201	N/A	12 months	15 months	15 months

*Deadlines begin 60 days from date of Award letter and may only change upon HCD approval.

- i. New construction and gap financing Projects must break ground within 6 months.
- ii. All Eligible Uses in Section 201, except new construction and gap financing, must be completed in 12 months. New construction and gap financing projects must be completed in 24 months.
- iii. Capital Expenditure for all Eligible Uses in Section 201, except new construction and gap financing, must be completed within 12 months. Capital Expenditure for new construction and gap financing must be completed within 24 months. Any project type may request an expenditure deadline extension to Occupancy completion.
- iv. Full occupancy must be achieved 90 days upon completing construction. For acquisition of new construction projects with no Rehabilitation, occupancy must be achieved within six (6) months of acquisition. HCD reserves the right to recommend special conditions for longer occupancy timeframes for large Projects (over 75 units) up to an additional three (3) months.
- v. All Awards for Operating Expenses must be expended within ten (10) years from initial occupancy. HCD may, in its sole and absolute discretion, extend the expenditure deadline up to a total of 15 years.

HCD may, in its sole and absolute discretion, approve an extension of the acquisition, Rehabilitation, construction, and/or occupancy deadlines if the Grantee demonstrates, to HCD's satisfaction, that the relevant delay is caused by reasonably unforeseeable events, conditions, or circumstances. Construction labor shortages and supply chain issues do not constitute reasonably unforeseeable events, conditions, or circumstances for purposes of an extension request. Extension requests shall be submitted in electronic format on a form provided by HCD.

HCD may reimburse eligible costs incurred beginning on March 5, 2024, with the exception of operating costs. Applicants are encouraged to discuss their options at the required pre-application consultation.

Section 205. Capital Award and Match

Homekey+ will fund a maximum grant amount per door, pursuant to the conditions of this Section, which includes both the acquisition cost and any needed Rehabilitation or new construction. **The Award will be the lower of the following: (1) the maximum grant amount, or (2) the sum of the acquisition amount and any additional construction or Rehabilitation expenses, as supported by an appraisal and such other reasonable documentation required by HCD.** For new construction and conversion of office, commercial, or other non-residential structures into residential dwelling units, Homekey+ will fund a maximum grant amount per completed Assisted Unit serving the Target Population, or an amount as supported by an appraisal, whichever is lower. "Assisted Unit," as defined in Article VII, refers to units that are available to serve the Target Population after the construction or conversion of the property.

For PSH Projects that are not seeking gap funding under Section 502, HCD will contribute a baseline amount of \$200,000 per door for each Assisted Unit and Manager's Unit. This baseline contribution does not require capital match.

Note that Homekey+ will fund "doors" based upon the number of units at the time of acquisition which may differ from the number of units that are available in the final Project. For those Projects that undergo a conversion, the number of doors may need to be reduced in the Project to accommodate kitchenettes, additional bedrooms, space for Supportive Services, and other amenities.

In situations where units at acquisition are combined to make larger Assisted Units, Awards will be calculated according to the number of doors at acquisition. In situations where multi-bedroom (two or more bedrooms) units at acquisition are divided into smaller Assisted Unit sizes, Awards will default to the number of Assisted Units created after the conversion of the property. Manager's Units may be included in the calculation for the capital Award only.

i. Additional Contribution Amount – Capital Match

Beyond the baseline amount, the Eligible Applicant may leverage a 1:1 local match to provide up to \$100,000 in additional funds per door. For example, where the Applicant shows \$100,000 or more in matching funds, HCD will fund

no more than \$300,000 for an Assisted Unit serving the Target Population. Appendix A shows how maximum funding Awards from Homekey+ vary with different Applicant contribution levels. Capital match may be obtained from any source, including any federal, state, local, private, or philanthropic source.

For the purchase of Affordability Covenants and restrictions, and for master-leasing, HCD may size the Award per door based on a recent market study within the past year which conforms to guidelines adopted by the California Tax Credit Allocation Committee (TCAC), and/or a rent roll, and/or other supporting documentation. For these uses, the maximum Homekey+ contribution per door shall not exceed the maximum amounts referenced in this Section for acquisition, Rehabilitation, and new construction.

For relocation costs, HCD will pay for one-half of the relocation cost per door in addition to the capital Award. For example, if a Project includes \$15,000 in relocation costs, then HCD will pay for \$7,500 of that relocation cost.

Section 206. Operating Awards and Match

Homekey+ will fund a maximum operating grant amount per door, pursuant to the conditions of this Section:

- i. Where an Award for Operating Expenses is requested, the total amount of operating Award per Assisted Unit shall not exceed \$1,400 per month for the duration of the operating Award, as described below.
- ii. The total duration of the operating Award is tied to the amount of the Applicant's fully committed matching funds. Sources are only considered fully committed when an EFC meets the standard in Article VII demonstrating that a contract or commitment of funds is guaranteed at the time of application.
 - a. If Projects can demonstrate a commitment of three years of non-Homekey+ operating funds for Assisted Units, HCD will provide an operating Award sized for up to three years.
 - b. If Projects can demonstrate a commitment of four years of non-Homekey+ operating funds for Assisted Units, HCD will provide an operating Award sized for up to four years.
 - c. If Projects can demonstrate a commitment of five or more years of non-Homekey+ operating funds for Assisted Units, HCD will provide an operating Award sized for up to five years.
- iii. Operating Awards are determined based on need, exclusive of items referenced in subsection (v). The amounts and durations referenced in (i) and (ii) represent maximums. To be eligible to receive an operating Award based on need, the Applicant must submit documentation showing that additional sources of operating funding were sought but were unavailable to support Project operations. The Applicant must demonstrate that they:

- a. Identified all possible federal, state, and local sources of rental assistance and other operating assistance to support operating the Assisted Units; and
 - b. Submitted unfunded applications or other written requests to the appropriate entity to secure Project-based rental or other operating assistance to support operating the Assisted Units; or
 - c. Can provide other evidence from the appropriate entities that rental assistance and other operating assistance is not available to support operating the Assisted Units.
 - d. Applicants must also commit to continuing to seek operating funding in future years as funding becomes available. Applicants are encouraged to collaborate with their county behavioral health department to secure housing intervention services funded by the Behavioral Health Services Act, which becomes available in July 2026.
- iv. Awards for Operating Expenses may pay for a Project's necessary, recurring Operating Expenses in an amount approved by HCD. Operating Expenses should be included in the Project's submitted budget. Qualifying expenses can include a variety of expenses such as utilities, maintenance, management fees, taxes, licenses, and Supportive Services costs.
- v. Awards for Operating Expenses shall not pay for the following expenses:
- a. Costs associated with non-Assisted Units, including Manager's Units.
 - b. Debt service.
 - c. UMR-required reserve account initial and/or annual deposits.
 - d. Deposits to reserves beyond those required by HCD under the UMRs, including reserves required by other Project financing sources.
 - e. Distributions.
 - f. Developer fees.
 - g. Under no circumstances may Homekey+ operating funds be used for or in connection with a limited partner buyout, substitution, or assignment of ownership interest.
- vi. The Homekey+ funded portion of the Award for Operating Expenses must be expended no later than ten (10) years from initial occupancy as per Section 204, with the Grantee establishing a capitalized operating subsidy reserve (COSR) and expending the eligible Operating Expenses, as outlined in this

NOFA. HCD has the sole right to extend the expenditure deadline up to a total of 15 years. The deposit of the Homekey+ Award for Operating Expenses into the COSR does not count as expended.

- vii. Eligible Applicants are required to demonstrate a minimum three (3)-year commitment to provide operating funds for the proposed Project to qualify for the Homekey+ Award for Operating Expenses. As noted in (ii.), additional local match may result in additional Homekey+ funding, for a period up to five (5) years. Eligible Applicants may include funds from the Homekey+ Award for Operating Expenses in the Project budget for up to ten years from occupancy, as described in (vi.). Non-Homekey+ sources may be obtained from any source, including any federal, state, local, private, or philanthropic source. Applicants are encouraged to consider:
- a. HUD funded Project-based Vouchers (PBV), Housing Choice Vouchers (HCV), and Veterans Affairs Supportive Housing (HUD-VASH) Vouchers;
 - b. Mainstream Vouchers;
 - c. Foster Youth to Independence Vouchers (FYI);
 - d. Faircloth to Rental Assistance Demonstration (RAD) conversions;
 - e. Homeless Housing Assistance and Prevention Program (HHAP) funding;
 - f. Permanent Local Housing Allocation (PLHA) funding;
 - g. Transitional Housing Program (THP) or Transitional Housing Program Plus (THP-Plus) funding;
 - h. Mental Health Services Act (MHSA) funding;
 - i. Behavioral Health Services Act (BHSA) funding; and
 - j. HOME-ARP funding.

The preceding list of potential match sources is not exhaustive. Operating match requirements and the Project's potential match sources will be discussed during the required pre-application consultation.

Additionally, the following requirements apply to operating match contributions:

- viii. The Eligible Applicant must ensure the laws governing any funds to be used as matching contributions do not prohibit those funds from being used to match Homekey+ funds; and
- ix. If State General Funds are used to satisfy the matching requirements of another program, then funding from that program may not be used to fulfill the matching requirements of the Homekey+ program.

Section 207. Funding Limits

- i. In addition to the funding limits described throughout this NOFA, Homekey+ will implement additional funding limits as follows:
 - a. Any Co-Applicant that is not an Eligible Applicant will be limited to a maximum of four (4) Homekey+ Awards. At the sole discretion of the Director of HCD or the Director's designee, requests for an exemption to this limit may be approved based on factors including, but not limited to, CalVet consultation as applicable, Co-Applicant capacity and Co-Applicant performance on prior HCD awards.
 - b. Per Project Funding Limit:
 1. Single Family Scattered-Site Projects shall be limited to \$10 million total per Project, as detailed in Section 303.
 2. For other Projects, exclusive of gap financing projects described in Section 502, no more than \$35 million in total HCD sources may be used per Project.

The Project funding limits applies to Homekey+ capital and operating funds, and to all HCD sources of permanent loans for onsite development costs and operating costs. Grants from other HCD programs are excluded from this per Project funding limit.

At the sole discretion of the Director of HCD or the Director's designee, with CalVet consultation as applicable, per Project funding limit requests in excess of \$10 million for Single Family Scattered Site Projects and \$35 million for all other Projects, may be approved as an exemption to the Project funding limits, if the Project uniquely advances state policy priorities, is high scoring, is located in high or highest resource areas as identified in the [2023 Opportunity Maps – Adopted January 2023](#), and/or is located in a high-cost region. Applicants asserting the Project is in a high-cost area shall provide data from HUD, the United States Census Bureau, or another authoritative source to validate the assertion. All exemption requests shall not exceed ten percent (10%) above the per Project funding limit.

To request an exemption to the limits in 1 and 2, Applicants must submit justification at the time of application. The justification will be reviewed with the application package in accordance with Section 400. A form to request an exemption will be available on the Homekey+ website when the Homekey+ application is released.

- ii. HCD's [Repeal of Stacking Prohibition of Multiple Department Funding Sources memo](#) (Administrative Notice Number: 21-06), dated August 20, 2021, is hereby incorporated by this reference as if set forth in full herein, and it shall be applicable. Applicants must ensure that all HCD funding sources in the Project

are represented pursuant to the memo. Homekey+ Awards shall not be layered with other HCD funding sources in a manner that causes either the per unit or total Project funding to exceed the total development cost.

- a. Projects applying under gap financing Section 502, are excluded from the limits within the memo.

Section 208. Affordability Covenant

The Grantee shall duly encumber all Projects with a 55-year Affordability Covenant for Permanent Supportive Housing that (a) is recorded in first position against the Project real property for the benefit of the state, regional, local, or tribal Grantee, (b) restricts the use, operation, occupancy, and affordability of the Project in accordance with all applicable requirements of this NOFA and all other Homekey+ Program Requirements, (c) duly names HCD as a third-party beneficiary with the right and privilege, but not the obligation, of enforcement thereof, (d) incorporates the Homekey+ Program Requirements by reference, and (e) is otherwise in form and substance acceptable to HCD.

No exceptions will be made to the requirement to record the Affordability Covenant in first position.

The Affordability Covenant must be approved by HCD prior to disbursement and recorded as part of the escrow transaction. Upon its execution, the Affordability Covenant shall be binding, effective, and enforceable against all successors, transferees, and assignees, and it shall continue in full force and effect for a period of not less than 55 years after a certificate of occupancy or its equivalent has been issued for the Project, or if no such certificate is issued, from the date of initial occupancy of the Project.

Permanent Supportive Housing Projects located on Tribal trust land shall be duly encumbered with an Affordability Covenant containing all of the terms listed above excepting that they shall have an initial term of 50 years to match the period of affordability restrictions under the Low-Income Housing Tax Credit (LIHTC) program, commencing with the date of recordation of HCD's Affordability Covenant. Prospective applicants are advised to also review the Tribal Entity Homekey+ NOFA for Tribal applicants, which may have different requirements.

Article III. Threshold and Scoring Criteria

To be eligible to receive Homekey+ funding, all applications must meet the threshold requirements of this Section. HCD reserves the right to request clarification of unclear or ambiguous statements made in an application and other supporting documents.

- i. Applications may be submitted independently by an Eligible Applicant, as defined in Section 200 and Article VII. Alternatively, each Eligible Applicant may apply jointly with a Co-Applicant, as specified. No additions of Co-Applicants or special purpose entities will be considered subsequent to the date of application, including after Standard Agreement execution.
- ii. Projects must serve persons qualifying or households that include persons qualifying as members of the Target Population.
- iii. Applicants must submit a completed application workbook with all worksheets, documents and supplemental information.
- iv. Applications must include a Project-specific Supportive Services Plan, that shall be consistent with any representations made in the application, and it shall meet the Homekey+ Program Requirements noted in NOFA Section 302.

 - a. A duly executed resolution authorizing the entity to apply for funds and to participate in the Homekey+ Program in connection with each discrete Project; attested to by a person other than the person identified as the authorized signatory. If there is more than one authorized signatory identified, state whether one or all signatories are required to submit and execute program documents. If the application is being signed by a designee of the authorized signatory, the Applicant must also submit a designee letter or other proof of signing authority. The resolutions should materially comport with the Homekey+ resolution templates that will be available on the Homekey+ [website](#) when the application is released.
 - b. Organizational documents supporting the resolutions submitted with the application. Eligible Applicants are exempted from this requirement. Notwithstanding the foregoing, HCD reserves the right to request additional documentation at any point to verify any entity's authority and/or organizational structure. For a complete list of organizational documents, refer to Appendix B.

- vii. Applicants shall provide a written non-discrimination policy that complies with the requirements in Section 508.
- viii. Applications shall provide a statement how the Project will address equity that must answer the following question: What specific actions will the Applicant take to ensure equitable access to housing and services for groups that are overrepresented among residents experiencing homelessness in its jurisdiction and region? Examples of what applicants should consider include race, ethnicity, age (e.g. youth, elderly), disability status, LGBTQ+ status, etc. The response shall reference the latest Continuum of Care (CoC) Homelessness Management Information System (HMIS) demographics data to explain. Please see the Homekey+ [website](#) for the template at the time of Application release.
- ix. Applications shall provide a statement how the Project will engage the Target Population that must answer the following question: How did/will the Applicant engage with the Target Population to inform the design of the Project operations and Supportive Services? Please see Homekey+ [website](#) for guidance documents at the time of Application release.
- x. The Applicant shall have site control of the property at the time of application, and such control shall not be contingent on the approval of any other party. The status and nature of the Applicant's title and interest in the property shall be subject to HCD's approval. Site control may be evidenced by one of the following:
 - a. Fee title, evidenced by a current title report dated within 90 days of application submission showing the Applicant holds fee title, or for Tribal trust land, a title status report (TSR) or an attorney's opinion regarding chain of title and current title status.
 - b. A leasehold interest on the property with provisions that enable the lessee to make improvements on and encumber the property provided that the terms and conditions of any proposed lease shall permit compliance with all Homekey+ Program Requirements.
 - c. A leasehold estate held by a Tribal Entity in federal Tribal trust lands property, or a valid sublease thereof that has been or will be approved by the Bureau of Indian Affairs.
 - d. An executed disposition and development agreement, or irrevocable offer of dedication to a public agency.
 - e. A fully executed sales contract, or other enforceable agreement for the acquisition of the property.
 - f. A letter of intent, executed by a sufficiently authorized signatory of the Eligible Applicant, that expressly represents to HCD, without condition or reservation, that, upon successful application, the Eligible Applicant shall purchase or otherwise acquire a sufficient legal interest in the property to

accomplish the purpose of the award. The letter of intent must also be acknowledged by the party selling or otherwise conveying an interest in the subject property to the Eligible Applicant.

If this form of evidence is relied upon at the time of application, HCD may impose additional milestones, in the Standard Agreement, regarding increased evidence of eventual site control closer to the likely close of escrow.

- g. Other forms of site control that give HCD assurance (equivalent to items a. through f. above) that the Applicant will be able to complete the Project in a timely manner and in accordance with all the Program's objectives and requirements.
- h. For Applicants proposing sites that will require a use change, lot split or other local approvals for Permanent Supportive Housing, include a commitment and plan to facilitate or expedite those processes, to not delay expenditure and occupancy requirements.
- xi. Applicants shall provide a preliminary title report for each site, dated within 90 days of application submission.
- xii. Applicants shall provide a detailed development plan that supports acquisition of a site, completion of Rehabilitation or construction, occupancy, and fund expenditure before all program deadlines, factoring in entitlements, permits, procurement, potential construction delays and supply chain issues, and demonstrates evidence of strong organizational and financial capacity to develop the Project. Please see Homekey+ [website](#) for guidance at the time of application release.
- xiii. Applicants shall provide an appraisal prepared no earlier than 12 months prior to application submission date for all Projects seeking acquisition funds from Homekey+ or if property value will be used as local match. The appraisal must comply with the Homekey+ requirements outlined in the Homekey+ Appraisal Guidance document, which will be available on the Homekey+ [website](#).
- xiv. All Projects seeking funding for Rehabilitation must submit the following:
 - a. Rehabilitation narrative of current condition of structure(s) and overall scope of work; and
 - b. Physical Needs Assessment (PNA) or equivalent prepared by a qualified independent third-party contractor and dated within 12 months prior to application submission.
- xv. For Projects seeking funding for master leasing and purchase of Affordability Covenants, Applicant shall provide a market study prepared no earlier than 12 months prior to application submission which conforms to TCAC guidelines, and/or a rent roll, and/or other supporting documentation.
- xvi. All Projects seeking funding for Rehabilitation and new construction are

required to submit a Phase I Environmental Site Assessment (ESA) which was prepared or updated no earlier than 12 months prior to application submission.

- xvii. Relocation Assistance Narrative. Applicant shall submit a concise, sufficiently detailed narrative to demonstrate its consideration of, and early engagement with, applicable relocation assistance laws and requirements. An Applicant's unsupported conclusion that relocation law does not apply or that the Project Site is vacant does not sufficiently demonstrate such consideration and engagement. The Applicant must support any representation that relocation law does not apply or that the Project Site is vacant by including either an explanation that supports this representation or supporting documentation that establishes that the property is vacant. This Relocation Assistance Narrative will be evaluated by HCD to determine whether a relocation plan is required by law or whether a certificate of no-relocation can be issued. The Relocation Assistance Narrative does not take the place of these two documents. Grantee shall submit either a relocation plan or a certificate of no-relocation as a condition of disbursement. See Section 507 and Homekey+ [website](#) for more information and template, which will be uploaded when the application is released.

Applicant's Relocation Assistance Narrative shall include or identify the following:

- a. A diagrammatic sketch of the Project site that illustrates the boundaries of the Project Site and all existing improvements thereon.
- b. Clear, recent, high-resolution photographs of the Project site and all improvements thereon (e.g., exterior and interior photos of the buildings, parking lots, billboards).
- c. The Projected dates of any Homekey+-funded acquisition, construction, Rehabilitation, demolition, or similar development activities at the Project site.
- d. A description of any persons, businesses, or farm operations that will or may be displaced from the Project site by the foregoing development activities. Applicant shall specify whether any such displacement will be permanent or temporary.
 1. If no such displacement will occur, Applicant shall conclude the narrative by expressly confirming that Applicant's eligible use(s) of the funds will not result in the displacement of any persons, businesses, or farm operations from the Project site.
 2. If such displacement will occur, Applicant shall further develop the narrative by including the additional elements set forth at (e) – (i) below.
- e. A description and evidence of attempts made to maintain the tenure of

existing residents that may qualify under the criteria for the Target Population.

- f. A description of the aggregate relocation needs of the persons, businesses, or farm operations that will or may be displaced by the Homekey+ funded activities.
 - g. A brief description of how those relocation needs will be met, as well as the Applicant's projected timeline for fully meeting those needs, including the dates of planned notices to displaced persons, businesses, or farm operations.
 - h. An identification of the Applicant's relocation consultant and/or relocation services provider in connection with the Project site. Applicant shall also submit legible copies of its contract or letter of intent with or to the relocation consultant and/or relocation services provider.
 - i. Applicant's cost estimate (and associated funding strategy) for providing relocation assistance and benefits to the persons, businesses, or farm operations that will or may be displaced by the Homekey-funded activities.
- xviii. Enforceable Funding Commitments (EFCs) as defined by Article VII (xvii) for:
- a. Development costs with specific funding sources, including federal, state, local, private, or philanthropic sources for the proposed Project.
 - b. Rental subsidies, operations, and service costs with specific funding sources, including federal, state, local, private, or philanthropic sources for ongoing sustainability. For projects applying for a program operating Award (see Section 206) EFCs must be fully committed to match the numbers of years of the operating award. Please see Section 305(3)(a) for potential points and the Homekey+ [website](#) for EFC templates, which will be posted at the time of application release.
- xix. The Eligible Applicant or Co-Applicant applying for Homekey+ funding is the entity that HCD relies upon for experience and capacity, and will control the Project during acquisition, development, and occupancy. The Eligible Applicant or Co-Applicant shall demonstrate the following minimum experience and capacity requirements:
- a. Development, ownership, or operation of a Project similar in scope and size to the proposed Project; or development, ownership, or operation of at least two affordable rental housing Projects in the last 10 years, with at least one of those Projects containing at least one unit housing a tenant who qualifies as a member of the Target Population.
 - b. The property manager and LSP shall have three or more years of experience serving persons of the Target Population. If a property

manager or LSP is not yet selected for the proposed Project, the Eligible Applicant shall certify that this requirement will be reflected in any future solicitation or memorandum of understanding.

- c. Statement confirming experience administering a Project in accordance with the core components of Housing First (Welfare and Institutions Code Section 8255).
 - d. Current capacity to develop, own, and operate the proposed Project. For purposes of satisfying this requirement, an Applicant has “capacity” if it has adequate staff, capital, assets, and other resources to efficiently meet the operational needs of the Project; to maintain the fiscal integrity of the Project; and to satisfy all legal requirements and obligations in connection with the Project. Evidence of Permanent Supportive Housing experience and capacity must be reasonably acceptable to HCD in form and substance.
- xx. The Eligible Applicant and all Co-Applicants shall attend a pre-application consultation with HCD prior to applying, as required in Section 401.
- xxi. One-for-one replacement of assisted housing:
- a. If the acquired housing or site is to be redeveloped/repositioned as part of the Local Public Entity's overall goal to address the needs of the Target Population and the community, the Applicant shall provide as part of the application a commitment to ensure one-for-one replacement of units.
 - b. If acquired units will be subsequently combined to add kitchens, create larger units, and/or create units with additional bedrooms, the Applicant will provide such information in the application and ensure an approximate equivalence of square footage available for the benefit of Project residents.
 - c. If the acquired site is going to be demolished before any occupancy by the Target Population, no one-for-one replacement commitment needs to be provided. The unit mix will be evaluated based on the Project proposal.
 - d. The application shall include a site map indicating the original acquired housing location and all proposed housing location(s). If all proposed housing will be located within the neighborhood, no additional documentation is necessary.
 - e. If replacement housing is proposed outside the neighborhood of the acquired site, the application must also include a justification explaining why it is necessary to locate this replacement housing outside the neighborhood of the acquired site (i.e., offsite) and how doing so supports

and enables the Target Population to maintain housing.

Section 301. Additional Application Materials

In addition to requirements detailed in Section 300, to be eligible for Homekey+ funding, an application shall demonstrate to HCD the following:

- i. Applicants and Co-Applicants must be in good standing with the State of California and all agencies and departments thereof. By way of example and not limitation, an Applicant and Co-Applicant must be qualified to do business in the State of California and must be in good standing with the California Secretary of State and the California Franchise Tax Board. Applicants that are delinquent in meeting the material requirements of previous HCD Awards may, in HCD's reasonable discretion, fail threshold review. A Certificate of Good Standing, dated within 30 days of application due date, must be submitted with the application.
- ii. Completed Certification and Legal Disclosure Statement
- iii. Signature Block for all Applicants entities in Word Format
- iv. Payee Data Record STD204 (except for Eligible Applicants)
- v. Taxpayer Identification Number (FI\$Cal TIN Form)
- vi. EIN Verification (IRS form SS-4) (except for Jurisdictions)
- vii. Tax-Exempt State from IRS or FTB (if applicable)
- viii. CEQA Determination (if applicable)
- ix. NEPA Authority to Use Grant Funds (if applicable)
- x. Phase 2 Environmental Report if needed as stated in Phase I ESA report (if Applicable)
- xi. A letter from the local county behavioral health department describing the support for the Project (capital, operating or service commitments, referrals, stakeholder collaboration, etc.). If the letter can't be secured, Applicant must describe efforts to obtain the letter.

Section 302: Supportive Services Requirements

To be eligible to receive funding, all applications must include a Project-specific Supportive Services plan, that shall be consistent with any representations made in the application, and it shall meet the Homekey+ Program Requirements. HCD in its sole discretion shall make the determination (1) if the Supportive Services plan is sufficiently complete to pass threshold and (2) if the Supportive Services plan and property management plan is compliant with Housing First and other evidence-based practices for each unique Target Population served by the Project. For example,

Projects serving Veterans must incorporate evidence-based practices specific to Veterans. Applications must include:

- i. A description of the Supportive Services to be offered, how frequently each service will be offered or provided depending on the nature of the service, who is anticipated to be providing the services, and the location, whether on or off-site, and general hours of availability of the Supportive Services. Applicants must ensure that the Supportive Services are made available to Homekey+ tenants in a manner that is voluntary, flexible, and individualized, so Homekey+ tenants may continue to engage with Supportive Services providers, even as the intensity of services needed may change. Furthermore, access to or continued occupancy in housing cannot be conditioned on participation in Supportive Services or on sobriety. Adaptability in the level of services should support tenant engagement and housing retention. Behavioral health treatment services co-located onsite of Homekey+ Project sites are allowable however, tenants in Homekey+ funded housing cannot be mandated to receive behavioral health services as a condition of housing, pursuant to Housing First.
 - a. The following Supportive Services shall be made available to Homekey+ tenants based on tenant need. The lead service provider for the Project shall coordinate the provision of, referral, or linkage to services needed by individual tenants. The following required services must be provided onsite at the Project or offsite at another location easily accessible to tenants. Easily accessible to tenants means access does not require walking more than one-half mile and shall include a plan and budget for transportation to off-site Supportive Services where tenants are not able to walk less than one-half mile:
 1. A Lead Service Provider (LSP) meeting the experience requirements described in Section 302(c) of this NOFA should be selected prior to application submittal. If the LSP has been selected, a formal commitment must be established and maintained between the Applicant and the LSP. The commitment may be a commitment letter(s) or MOU, and must detail roles and responsibilities of all parties and must be consistent with organizational charts and the property management plan detailed in Section 302(ii). If the LSP has not been selected at the time of application submittal, the commitment must be submitted to the Department prior to Standard Agreement execution. If the LSP and Applicant are the same organization, the Applicant shall provide a document signed by an authorized signatory defining roles and responsibilities in implementing all elements of the Supportive Services plan. Designated Supportive Services staff shall not also be property management staff. HCD may request additional information to further demonstrate the distinction between roles (see Section 305 for potential points). In the event of a change to the LSP, the Applicant or Grantee shall provide the new formal commitment to the Department no later than 30 days after the date that the new LSP

commits Supportive Services to the Project.

For Projects with Assisted Units serving Target Populations that require intensive services, specifically including high acuity Homeless and Chronically Homeless populations, services to be provided must include at a minimum, on-site comprehensive case management as well as on or off-site mental health care, physical health care and substance use services. Where one or more of the Restricted Units are limited under HCD Regulatory Agreements to occupancy, comprehensive case management shall be provided with staffing at ratios of full-time Case Managers directly providing services to tenants, as indicated below in Table 8.

NOTE: Co-locating outpatient behavioral health treatment services onsite of Homekey+ Project sites are potentially allowable however, tenants in Homekey+ funded housing cannot be mandated to receive behavioral health services as a condition of housing, pursuant to Housing First. Additionally, these outpatient services should be available to individuals outside of Homekey+ housing to prevent creating unlicensed residential Mental Health or Substance Use Disorder treatment programs.
6. Support in linking to physical health care, including but not limited to access to routine and preventive health and dental care, medication management and medication assisted treatment, and wellness services.
7. Benefits counseling and advocacy, including but not limited to assistance in accessing and maintaining SSI/SSD, enrolling in and maintaining Medi-Cal and CalFresh;

15. Projects serving 16 or more units in a single site must include an onsite manager, maintenance, or other responsible person, as required by California law 25 CCR §42. Applicants seeking an exemption from this requirement must demonstrate that they will provide an equivalent number of desk or security staff, who are not tenants, capable of responding to emergencies for the hours when property management staff is not working.
16. Physical health care, including but not limited to access to routine and preventative health and dental care.
17. Potential out-placements, should they become appropriate alternatives for current Homekey+ residents, either because a higher level of care is required (i.e., residential treatment facilities and hospitals), or because Permanent Supportive Housing is no longer required (i.e., other affordable housing or market rate housing).

Applications may include up to five (5) sites each. Additional funding may be approved at the discretion of the Director or his/her designee, as specified in Section 207. Applicants for this Project type must meet all requirements identified in Homekey+ NOFA Sections 202(vi), 202(v), and UMR Section 8303(b). Additionally, applications must:

- i. Submit all documents required in Article III with the following exceptions:

 - 1. Evidence of site control for each site, as defined in Section 300(x).
 - 2. A preliminary title report for each site, dated within 60 days of submittal, as defined in Section 300(xi).

 8. Meet the minimum points score required in Section 305 of 100 points.
- c. Eligible Projects under this Project type must submit updates to the following threshold documents, previously submitted at the time of application as required by Article III, ninety (90) days from the date of the Conditional Award to be considered for an Award. Updates are limited to those pertaining to the identification of Project sites. Failure to meet these requirements will rescind the Conditional Award:

Section 304. Recording, Income and Underwriting Requirements

- i. Homekey+ may fund all units in a Project or a portion of the units. If seeking Homekey+ funding for a portion of the units in a Project, Applicants must identify committed sources for the non-Homekey+ units. The non-Homekey+ units are not required to serve the Homekey+ Target Population and may therefore be restricted at higher AMI levels, which may help promote Project feasibility.
- ii. If, at the time of acquisition, an existing tenant's household income is at or below 50 percent AMI, but the tenant does not qualify as a member of the Target Population, the tenant may remain in place and the unit may still be funded by Homekey+. An Applicant may not include units in the Homekey+ application intended for Veterans if the existing tenant household is not a Veteran or a member of a Veteran's household. When, in the course of normal tenant turnover, the ineligible household moves from the unit, the unit shall thereafter be occupied by the Target Population. There should be no more than 49 percent of the Assisted Units that do not meet the Target Population at the time of acquisition. An existing household who meets the Target Population definition or was a member of the Target Population at the time they moved into the property will not be counted towards the 49 percent cap. Evidence confirming that existing tenants qualify as either at or below 50 percent AMI or Target Population will be required of the Applicant.
- iii. At year 15 from the recordation of the Affordability Covenant, in circumstances where the Grantee has not waived their right and Grantee has exhausted available operating funding and demonstrated to HCD that the Project is no longer feasible, HCD may approve an increase in income levels, to the minimum extent required for fiscal integrity, in five percent increments of Assisted Units up to 50 percent AMI.
 - a. HCD reserves the right to set restrictions on the unit mix, rent levels, and other factors deemed necessary. To the maximum extent possible, these changes shall minimize the impact on the lowest income Project residents and shall be phased in as gradually as possible. If, following any increase in rents and income limits, or modification of Target Population

occupancy requirements, new resources become available, or market demand changes, allowing reversion to the former income and rent limits or Target Population occupancy requirements, HCD may re-impose these income limits and rent limits or Target Population occupancy requirements, in whole or in part, subject to an analysis of Project feasibility.

- iv. In addition to Section 300 above, Applicants purchasing Affordability Covenants and restrictions will also be evaluated on the following requirements:
 - a. The Grantees that purchase Affordability Covenants and restrictions for existing residential units shall restrict those units to individuals and households with an individual with Behavioral Health Challenges and who are Homeless or who are At Risk of Homelessness, as defined in 24 CFR part 578.3. Such restriction shall run for 55 years.
- v. In addition to Section 300 above, master leasing Projects will also be evaluated on the following requirements:
 - a. The Grantee shall provide a 15-year plan from the recordation of the Affordability Covenant to cover operations and service costs for the Project with specific funding sources (government/philanthropic/private).
- vi. As described in Section 101, the Project shall comply with the UMRs (Cal. Code Regs., tit. 25, § 8300 et seq.), to the extent those regulations are consistent with Homekey+ requirements, and shall meet the following Homekey+ underwriting requirements:
 - a. In analyzing Project feasibility, Projects planning to use Tenant Based Vouchers (TBV) for rental income/subsidy sources shall limit projected TBV revenue sources to no more than 50% of the Project's assisted housing units in the application. Nothing in this NOFA shall be construed to conflict with or limit the operation of state law prohibiting discrimination against tenants based on source of income. Refer to section 508 for non-discrimination policy requirements.
 - b. Projects that do not have debt service, Project cashflow shall not exceed 12 percent of Operating Expenses in the first 15 years of operations.

Section 305. Scoring Criteria

In addition to meeting the other minimum Homekey+ Program Requirements outlined in Article III, Applicants must score a **minimum of 100 points to be eligible for funding**. Points earned from the application scoring criteria will be incorporated into the project report and the Standard Agreement. Applicants should select criteria based on what accurately represents the Project and is achievable. By earning these points, the Applicant commits to the deliverable throughout the tenure of Homekey+ Project. Scores will be based on the following:

Article IV. Application Submission, Review, and Award Process

Section 400. Application Process and Submission

For Over the Counter (OTC) processing, except for the prioritization criteria enumerated below, applications will be accepted and evaluated on a first-come, first-served basis at any time from the release of the application until the final application due date, or until the available funds are exhausted, whichever occurs first. Funds will be awarded to Applicants that successfully meet threshold criteria and the minimum point score, with HCD reserving the right to prioritize applications that demonstrate Project readiness and committed long-term sustainable operating sources, regardless of the timestamp of the application submission.

Homekey+ application materials must be submitted electronically to HCD's [website](#). Applications must be on HCD's forms and HCD's forms cannot be altered or modified by the Applicant. Excel forms must be submitted in Excel format, not as a PDF document. Supplemental documents should follow program guidance documents or templates provided on the Homekey+ website.

Electronic Submission - Requirements for uploading the Homekey+ application and required supporting documentation, including naming conventions, are described in the Homekey+ application instructions/checklist tab. Per Section 102, Applicants must upload all complete application materials to HCD's website no later than 5:00 p.m. Pacific Time on the due date.

HCD reserves the right to prioritize the review and awarding of applications based on the following criteria:

- i. Demonstrate Project Readiness by providing a completed and accurate application workbook; providing all required support documentation and application materials at time of application submission; identifying all Special Purpose Entities and other entities that will be a party to the Project and Standard Agreement; and confirming that all Project entities are appropriately listed as Co-Applicants and are formed at the time application; and
- ii. Applications have a minimum of 10 points in Section 305(3)(a) of the Application Scoring Criteria to demonstrate to HCD the Project has operating and rental subsidies to support long-term operations for the Project.
- iii. Applications not achieving a minimum score of 10 points in Section 305(3)(a), but which have higher scores than other submitted applications.

Application packages that do not meet the above-mentioned criteria may be placed on hold for Award consideration by HCD and may not be considered for funding.

- i. Applications will be prioritized as described in Section 203 and Section 400.
- ii. HCD will evaluate applications for compliance with the minimum Homekey+ Program Requirements set forth in this NOFA.

- iii. After each Applicant has been certified to meet the minimum Homekey+ Program Requirements, each Project must receive a minimum overall score of 100 points, as outlined in Section 305, to be considered for a funding Award.
- iv. Each Applicant and Co-Applicant shall submit an authorizing resolution that, in HCD's reasonable determination, materially comports with the Program's requirements and is legally sufficient. In addition, each Co-Applicant shall submit a complete set of its organizational documents (including any amendments thereto). HCD will not execute the Standard Agreement until it receives the foregoing documentation, as specified.
- v. Applicant shall self-acknowledge the ability to obtain the insurance coverages outlined in Section 606 of this NOFA.
- vi. The application is a public record, which may be available for public review pursuant to the California Public Records Act (CPRA) (Division 10 (commencing with Section 7920.000) of Title 1 of the Government Code). After final Homekey+ Awards have been issued, HCD may disclose any materials provided by the Applicant to any person making a request under the CPRA. HCD cautions Applicants to use discretion in providing information not specifically requested, including but not limited to bank account numbers, personal phone numbers, and home addresses. By providing this information to HCD, the Applicant is waiving any claim of confidentiality and consents to the potential disclosure of submitted material upon request.
- vii. HCD reserves the right to do the following:
 - a. Score an application as submitted even if information is missing from the application.
 - b. Consult with CalVet on any Veteran serving Project's Application.
 - c. Request clarification of unclear or ambiguous statements made in an application or request additional clarifying documentation or information; and
 - d. Upon the final application due date or the date when funds are exhausted, whichever is earlier, deploy unused funds from an undersubscribed allocation to fund other Eligible Applicants for other subsets of the Target Population.
- viii. HCD will review, and score based on information provided in the application. If there is a significant departure from the application after a Project has been awarded, HCD may re-evaluate the Project's score, reduce the grant amount, or assign negative points to the Applicant.

Section 401. Required Pre-Application Consultation and Technical Assistance

HCD requires all Eligible Applicants and Co-Applicants to engage in a pre-application consultation with HCD prior to applying. The consultation will allow the prospective Applicant to provide basic information about the proposed Project, along with other applicable programmatic considerations, including those related to site acquisition; operating match requirements; the CEQA, land use and land entitlements; local county behavioral health department coordination and other services partnerships; and long-term financing approaches. Applicants will be able to request a pre-application consultation using the pre-application survey to meet with Homekey+ program staff prior to applying. Information on pre-application consultations will be available and posted on the Homekey+ [website](#).

Section 402. Award Process

HCD will send a Conditional Award Commitment and Acceptance of Terms and Conditions letter (Conditional Award letter) to the successful Applicant. This Conditional Award may only be accepted by timely delivery of a fully executed Acceptance of Terms and Conditions of Conditional Award form to the Department. Funds will be disbursed after the Standard Agreement has been fully executed and approved by HCD and after the Grantee has satisfied all conditions precedent to disbursement.

Please see Section 102 for further details on Standard Agreement and fund disbursement timelines.

HCD must be notified and invited to participate in any and all groundbreakings, grand openings, and press conferences related to the Award by emailing HCD Homekey@hcd.ca.gov. Awardees must follow all marketing/promotional guidelines from HCD. Please see Appendix D for details on communication procedures.

Section 403. Appeals

- i. Basis of Appeals.
 - a. Applicants may appeal HCD's written determination that an application is incomplete, has failed threshold review, or has otherwise been determined to provide an insufficient basis for an Award.
 - b. At the sole discretion of HCD, HCD's written determination may include a request for clarifying and/or corrective information. For purposes of this Section, "clarifying information" includes information and/or documentation that resolves ambiguities in any application materials that will inform HCD's determinations.
 - c. No Applicant shall have the right to appeal a decision of HCD relating to another Applicant's application (e.g., eligibility, Award).
 - d. If the Applicant is subject to negative points assessment, HCD shall notify the Applicant in writing within the point score letter and will provide

opportunity to appeal negative points assessment, or any disagreed points assessment, pursuant to the appeals process as set forth in the NOFA. Any request to appeal HCD's decision regarding an application shall be reviewed for compliance with the Guidelines and the NOFA. All decisions rendered shall be final, binding, and conclusive, and shall constitute the final action of HCD.

- e. Any request to appeal HCDs decision regarding an application shall be reviewed for compliance with this NOFA. All decisions rendered shall be made by the Branch Chief or his/her designee. The decision shall be final, binding, and conclusive, and shall constitute the final action of HCD.
- f. The appeal process provided herein applies solely to decisions of HCD made pursuant to this NOFA.

ii. Appeal Process and Deadlines.

- a. Process: To file an appeal, Applicants must submit to HCD, by the deadline set forth below, a written appeal which states all relevant facts, arguments, and evidence upon which the appeal is based. Furthermore, the Applicant must provide a detailed reference to the area or areas of the application that provide(s) clarification and substantiation for the basis of the appeal. No new or additional information will be considered if this information would result in a competitive advantage to an Applicant. Once the written appeal is submitted to HCD, no further information or materials will be accepted or considered thereafter. Appeals are to be submitted to HCD at homekeyappeals@hcd.ca.gov according to the deadline set forth in HCD's written determination letter.
- b. Filing Deadline: Appeals must be received by HCD no later than 5:00 p.m. five (5) business days from the date of HCD's written determination letter made in response to the application.

Article V. Additional Program Requirements

Section 500. Veterans Assisted Units

- i. Homekey+ Projects proposing to serve Veterans may also serve other qualifying members of the Target Population. The Veterans units will be funded from the Veterans allocation, and the remaining units will be funded from the other applicable allocation(s).
- ii. The remaining units should still be used to house the most vulnerable Veterans, and the Grantee is required to demonstrate a good faith effort to place the Target Population in Veteran units. Good faith efforts include 1) adequate marketing of vacant units for at least 90 days prior to the commencement of initial lease-up or at least 60 days after a unit turns over, 2) partnering with local homeless and Veterans service providers to identify the Target Population, 3) coordination with the local Continuum of Care to receive prioritized Target Population referrals, 4) coordination with the U.S. Department of Veterans Affairs to identify the Target Population, and 5) documented contacts with the Target Population, along with their Case Manager(s), who were referred to the Project with vacant Veteran units and choose not to lease the unit.
- iii. HCD reserves the right to review documentation that substantiates the timing and frequency of such good faith efforts, including the date that the Grantee was notified of the vacancy, whenever such documentation exists and provide a descriptive timeline in the absence of documents to evidence activities such as phone calls and meetings. Documentation by the Grantee of these good faith efforts, along with information about Applicants that were not matched with a unit, is required as part of the Secondary Tenant process.
- iv. If units cannot be filled with Veterans at or below 30% AMI, Secondary Tenants can be housed. Secondary Tenants are defined in statute as either: Veterans experiencing homelessness with an income of up to 60% of the AMI. Rents for any redesignated units are determined by income that corresponds to the Secondary Tenant's household income.
- v. Upon vacancy, the Grantee is required to redesignate the next vacant unit as a PSH unit available to Veterans with incomes at or below 30% AMI with the goal of returning the Project into compliance with the unit mix required by the Project's Standard Agreement.
- vi. For new construction the vacancy period will be measured from the date the Certificate of Occupancy or Temporary Certificate of Occupancy is issued and for Rehabilitation Projects the vacancy period will be measured from the date the Notice of Completion is issued. Vacancy for previously occupied Homekey+ units during regular Project operations will be measured from the

- vii. date the Grantee or their operator takes possession of the unit. The Grantee or their operator may use the time from abandonment noticing timeframes and unlawful detainers at its discretion.
- viii. In no instance shall a Project have less than 30% of its Veterans units leased to 30% AMI households*. In no instance shall a Project have less than 30% of its Veterans units leased to 30% AMI households*.
- ix. HUD-VASH Special Rule: On August 13, 2024, HUD published the “Section 8 Housing Choice Vouchers: Revised Implementation of the HUD Veterans Affairs Supporting Housing Program (VASH)”¹ (“special rule”) that provides a new requirement to exclude Veterans’ service-connected disability benefits from household income calculations for the purpose of determining income eligibility. This rule for VASH applicants applies for both Project-based and tenant-based vouchers. Homekey+ income determinations for VASH applicants must exclude Veterans’ service-connected disability income and therefore are excluded from the Homekey+ Secondary Tenant alternative requirements and process. Eligible HUD-VASH program tenants are not considered Secondary Tenants and are not counted against the cap on the number of Veteran units that can be leased to Secondary Tenants under this policy.

The purpose of this is to resolve issues with matching unhoused Veterans with vacant PSH units restricted to Veterans, while retaining the program’s original intent of serving the highest need Veterans experiencing homelessness.

**Veterans who are experiencing homelessness that are eligible to occupy veteran 30% AMI units after excluding VA service-connected disability benefits are recognized as eligible tenants. They are not treated as Secondary Tenants.*

- x. Each Veteran Project shall establish a goal of no amount less than five percent of total construction costs for work performed, or supplies provided to be spent with entities certified by the California Department of General Services (DGS) as a Disabled Veteran Business Enterprise (DVBE).

Pursuant to a five percent DVBE goal on total construction, each Project shall identify a DVBE Specialist who shall coordinate directly with CalVet in the identification and use of DVBEs.

Upon the commencement of construction, the Project shall submit a report to the Department and CalVet on DVBE plan implementation. This report will include: (A) The total amount budgeted for construction costs; (B) The names and addresses of DVBE contractors, subcontractors and/or suppliers that have received or are scheduled to receive payment.

¹ Section 8 Housing Choice Vouchers: Revised Implementation of the HUD Veterans Affairs Supporting Housing Program Development, 89 Fed. Reg. 65769 (Aug. 13, 2024) (amending 24 CFR Parts 982 and 983).

Upon completion of construction, the DVBE Specialist shall submit a report to the Department and Calvet detailing actual payments to DVBEs.

If the lead applicant is an established [DVBE Reciprocity Partner \[dgs.ca.gov\]](https://dgs.ca.gov) with DGS before the start of construction, then the Project shall only submit to the Department and Calvet a report detailing actual payments to DVBEs upon completion of construction.

Section 501. New Construction Cost Containment

A hallmark of Homekey has been producing housing quickly and cost-effectively, mostly through adaptive reuse. HCD will continue to retain and build upon these principles by requiring that Applicants seeking funding for new construction incorporate cost-containment strategies and commit to Total Development Cost (TDC) per unit caps.

New construction cost containment Projects will be eligible for the same Award structure as outlined in Section 205, but in addition must agree to and provide evidence that the Project can be completed based on the applicable TDC per unit cap. The TDC per unit cap is inclusive of the Homekey+ Award and all other capital sources and expenditures, with the exceptions of land costs, COSRs, and other required reserves.

TDC per unit caps will be the lesser of: \$450,000 per unit, OR the [2024 TCAC Basis Limits](#) for the applicable county where the Project is located and unit size.

Like other Homekey+ Project types, Awards will be in the form of a grant and will provide up to 80% of the funds upfront. Unlike other Homekey+ Project types which must complete construction within 12 months starting 60 days from the date of Award, all new construction Projects awarded must commence construction within 6 months, starting 60 days after the Homekey+ Award, and have a temporary certificate of occupancy (TCO) no later than 24 months, starting 60 days from the date of Award. The remaining 20% of funds will be disbursed upon submission of the TCO.

Applicants are advised that Homekey+ new construction Projects are not contemplated to be paired with tax credits or other highly competitive sources which are not secured by the date of application, in light of the above 6-month and 24-month deadlines. Rather, like other Homekey+ Project types, the Project must be fully funded and ready to proceed following a Homekey+ Award.

Applicants are further advised that construction shall not be contingent or reliant on any reasonably foreseeable externalities or timelines not disclosed in the application. Grantees unable to meet critical milestone dates within applicable cure periods will be in breach of the Standard Agreement and may be subject to negative points under HCD's Negative Point Policy.

As with all Homekey+ applications, a Local Public Entity must be the lead entity and may apply with a Co-Applicant developer.

Section 502. Gap Financing

Consistent with the Homekey principles of flexibility and innovation, HCD will accept gap financing applications from Projects which meet, or could meet, the population targeting requirements of Homekey+, but have not started construction. The intent is to move Projects forward that are otherwise “shovel ready” and thereby quickly increase the number of units available.

Projects within this use must be submitted by the application due date listed in the program timeline table above. At the close of the application period, the applications will be prioritized as follows:

- i. Projects with an Existing HCD Award Commitment with a pending disencumbrance per HCD’s disencumbrance policy within 6 months of the date of this NOFA.
- ii. Projects with an Existing HCD Award Commitment with at least one prior unsuccessful application for tax credit/bonds ranked by total HCD funds committed.
- iii. All other HCD funded Projects ranked by total amount of HCD funds committed.
 - a. All prior Homekey Projects awarded as “interim to permanent”, seeking funding to convert interim units to Permanent Supportive Housing, fall into this category. Only Projects that complied with the terms of the original Homekey “interim to permanent” award by completing construction and are currently achieving full on-site occupancy as interim housing will qualify for this funding. HCD at its sole discretion will determine compliance.
- iv. All other Projects that are stalled due to an unsuccessful tax credit/bond application ranked by total amount of public resources committed (may include resources such as local or federal funding, donated land, etc.).

HCD will rank projects within each priority based on total gap per unit. Depending on total demand for this typology, HCD reserves the right to prioritize funding for Priority (i.), above, either in full or partially, and to not fund or fund a subset of, otherwise eligible Projects from ii, iii, and/or iv above. All prospective Applicants are encouraged to use cost containment strategies to seek the lowest amount of gap financing possible that will allow the Project to commence and complete construction.

Qualifying HCD funding programs include the following:

- a. Affordable Housing and Sustainable Communities Program
- b. Community Development Block Grant Program – Disaster Recovery
- c. HOME American Rescue Plan

- d. HOME Investment Partnerships Program
- e. Homekey
- f. Housing for a Healthy California Program Article I
- g. Infill Infrastructure Grant Program
- h. Joe Serna, Jr. Farmworker Housing Grant Program
- i. Local Government Matching Grants Program
- j. Multifamily Housing Program
- k. Multifamily Super NOFA
- l. National Housing Trust Fund
- m. No Place Like Home Program – competitive and non-competitive HCD-administered funds and Alternative Process County funded Projects
- n. Permanent Local Housing Allocation Competitive Allocation
- o. Veterans Housing and Homelessness Prevention Program

All prior HCD award(s) must not have expired, or been terminated, disencumbered, or otherwise held to be void.

As with all other Homekey+ Projects, a Local Public Entity is required as a lead Applicant. In addition, the gap financing application must include all Sponsors in connection with Existing HCD Award Commitment(s). Homekey+ gap financing funds are not intended to supplant Performing Debt. The amount and terms of Performing Debt shown in the Homekey+ gap financing application must generally remain the same or be higher and more restrictive than the amount and terms shown in previous HCD applications unless there are extenuating circumstances that are clearly explained in writing by the Applicant and agreed to in writing by HCD.

For the purposes of this gap financing Projects only, Homekey+ will award no more than \$450,000 per unit, inclusive of any Operating Award needed to buy down units originally contemplated as higher than 30% AMI. Any amount over \$450,000 per unit will be required to provide an Enforceable Funding Commitment at the time of application.

Applicants may seek gap financing for all units or a portion of units. If Applicants seek gap financing for only a portion of units, an alternative, non-Homekey+ source is required at the time of application to fill any capital gaps associated with the non Homekey+ units. All units funded by Homekey+ will be required to serve the Target Population.

Funds shall be used only for expenses that would be categorized as Project costs by the federal low-income housing tax credit program, including, but not limited to, commercial costs and reasonable reserves. HCD reserves the right to disallow costs that do not constitute reasonable Project costs, as determined by HCD in its sole and absolute discretion.

Gap financing applications should request the full capital amount needed to proceed with and complete construction, thereby avoiding the need to apply for tax credits or seek other sources of funds.

Homekey+ gap financing awards are not intended to supplant local public agency funds. Accordingly, any local agency resources shown as committed in the applications for any Existing HCD Award Commitments must be included in the financing proposed in the Homekey+ gap financing application at the same or higher level of funding as previously identified.

Homekey+ Gap Financing Terms, Deadlines, and Restrictions

Requests for reducing Performing Debt or the term of the Performing Debt will be reviewed on a case-by- case basis and are not a guaranteed approval. Reduced principal loan amounts of Performing Debt must include a corresponding reduced amount in the development budget.

- i. Gap financing awards will be in the form of a grant. All Homekey+ gap financing awarded Projects must commence construction no later 6 months, starting 60 days from the date of the Homekey+ Conditional Award letter. For the purposes of the Homekey+ Award, commencement of construction means the first land-disturbing activity associated with a Project, including land preparation such as clearing, grading, and filling, or the first alteration of any wall, ceiling, floor, or other structural part of a building, whether or not that alteration affects the external dimensions of the building. HCD may, in its sole and absolute discretion, extend this deadline due to conditions beyond the control of the Sponsor, for a period not to exceed 90 days.
- ii. The Homekey+ gap financing awarded Project must receive, and submit evidence to HCD, a temporary certificate of occupancy (TCO) within 24 months, starting 60 days from the Homekey+ Award.
- iii. All Homekey+ gap financing Grantees are prohibited from applying for or receiving a tax credit allocation on a Homekey+ funded Project for a period of 20 years from the Homekey+ Conditional Award date for that Project. This prohibition will be memorialized in the Homekey+ Standard Agreement and in amendments to the Standard Agreements for any Existing HCD Award Commitment.
- iv. If, following a Homekey+ application and award, a Sponsor syndicates and sells a portion of their ownership interest to a partner or equivalent party seeking tax losses associated with the Project, nine-tenths of the gross proceeds of that sale shall be remitted to HCD. Negative points may be assessed to the Sponsor in the event the Project is sold or refinanced with a distribution of net equity.

Section 503. Article XXXIV

Homekey+ provides permanent supportive housing for persons (including Veterans and Youth) who are homeless, chronically homeless, or at risk of homelessness, and who are living with a Behavioral Health Challenge. As such, article XXXIV, section 1 of the California Constitution is not applicable to Homekey+ funded development, consistent with Health and Safety Code sections 37000-37002.

Section 504. Housing First

The Eligible Applicant shall certify to employ the core components of Housing First, as set forth at Welfare and Institutions Code Section 8255, subdivision (b), in its property management and tenant selection practices. Projects shall accept tenants regardless of sobriety, participation in services or treatment, history of incarceration, credit history, or history of eviction in accordance with practices permitted pursuant to Housing First practices, including local Coordinated Entry System prioritization protocols, or other federal or state Project funding sources.

Section 505. Tenant Referrals

Referrals to Homekey+ Assisted Units shall be made through the local Coordinated Entry System (CES), or another comparable prioritization system based on greatest need for housing and services, to determine the most appropriate referral. Homekey+ units should be reserved for serving the Target Population where households are more appropriately served by PSH, including referrals from persons exiting encampments. Households with lower levels of need may be better served by other housing and less intense service interventions.

Applicants must demonstrate efforts to coordinate with their local county behavioral health department, to ensure the referral process to the Homekey+ units is aligned with the requirements of this NOFA.

If referrals will be made using a prioritization system other than CES, the Applicant must describe the plan for tenant referrals in detail, including which agency is responsible for managing the referral approach and what stakeholders are involved in the prioritization process. Awardees are encouraged to consider an alternative referral system consisting of referrals for persons exiting encampments, incarceration, or treatment facilities. Prioritization for Homekey+ units should be based on greatest need factors and assessments established by the local jurisdiction in collaboration with the Continuum of Care (CoC). CoC collaboration in Project and Supportive Services design is also strongly encouraged to help target and serve those with the greatest need.

Section 506. Participation in the Homeless Management Information System (HMIS)

Pursuant to Assembly Bill 977 (Statutes of 2021-22), Grantees who have been awarded HCD funding under the Homekey+ program must enter Universal and Common Data Elements as defined by HUD, on the individuals and families served into the Homeless

Management Information System (HMIS). For more information about this requirement visit [Homelessness Program Data Reporting | California Department of Housing and Community Development](#)

Any health information provided to, or maintained within, the statewide Homeless Management Information System shall not be subject to public inspection or disclosure under the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1 of the Government Code). “Health information” means “protected health information” as defined in Part 160.103 of Title 45 of the Code of Federal Regulations, and “medical information,” as defined in subdivision (j) of Section 56.05 of the Civil Code.

Section 507. Relocation

In addition to the Relocation Assistance Narrative required in Section 300 submitted at the time of application, before the Homekey+ Award will be disbursed, Grantee must submit either:

- i. An HCD-approved relocation plan; or
- ii. An HCD-issued Certification Regarding Non-Application of Relocation Benefits and Indemnification Agreement (certificate of no-relocation), which has been duly executed and approved by HCD.

Grantee must comply with all applicable federal, state, and local relocation law. Pursuant to relocation law, a Grantee must have a relocation plan prior to proceeding with any phase of a Project or other activity that will result in the displacement of persons, businesses, or farm operations. To ensure that displaced persons and entities do not suffer a disproportionate impact as a result of Projects which benefit the public, all notices to vacate and relocation services must be provided to them in accordance with applicable law.

HCD will identify its form, substance, and submittal requirements for these relocation documents in the Homekey+ application materials. Where the Grantee’s activities will or may result in displacement, the Grantee’s development budget shall include enough funds to pay all costs of relocation benefits and assistance. Any modifications to the foregoing process requirements must be approved in advance by HCD in writing.

Section 508. Non-Discrimination and Accessibility

Grantees shall adopt a written non-discrimination policy requiring that no person shall, on the grounds of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, age, medical condition, genetic information, citizenship, primary language, immigration status (except where explicitly prohibited by federal law), arbitrary characteristics, and all other classes of individuals protected from discrimination under federal or state fair housing laws, individuals perceived to be a member of any of the preceding classes, or any individual or person associated with any of the preceding classes be excluded from participation in, be denied the benefits

of, or be subjected to discrimination under, any program or activity funded in whole or in part with program funds made available pursuant to this NOFA.

Grantees shall comply with the Fair Housing Amendments Act (42 U.S.C § 3601 et seq.), the California Fair Employment and Housing Act (Gov. Code, § 12900 et seq. and Cal. Code of Regs. Tit. 2, §§ 12264 – 12271), the Unruh Civil Rights Act (Civ. Code, § 51), Government Code section 11135, Government Code section 8899.50, Government Code § 65583 et seq., Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), and all regulations promulgated pursuant to those statutes, including 24 C.F.R. Part 8, 24 C.F.R. Part 100 and its design and construction requirements, including ANSI A117.1 Standards and the March 6, 1991 Fair Housing Accessibility Guidelines, in conjunction with the June 28, 1994 Supplement to Notice of Fair Housing Accessibility Guidelines: Questions and Answers About the Guidelines, 28 C.F.R. Part 35, and 28 CFR Part 36.

Grantees shall comply with the requirements of the Americans with Disabilities Act of 1990 (U.S.C § 12101 et seq.). All developments shall adhere to the accessibility requirements set forth in California Building Code Chapter 11A and 11B and the Americans with Disabilities Act, Title II and Title III. In addition, developments shall adhere to either the Uniform Federal Accessibility Standards (UFAS), 24 C.F.R. Part 8, or HUD's modified version of the 2010 ADA Standards for Accessible Design (Alternative 2010 ADAS), HUD-2014-0042-0001, 79 F.R. 29671 (5/23/14) (commonly referred to as "the Alternative Standards" or "HUD Deeming Notice"). Accessible units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout the Project and be available in a sufficient range of sizes and amenities consistent with 24 CFR part 8.26.

Applicants are further advised that while Homekey+ incorporates the [MHP guidelines](#), as explained in Section 101, as a courtesy and point of emphasis, HCD directs prospective Applicants to Section 7314 (a) and (b) of the MHP guidelines, which further articulates Fair Housing, Nondiscrimination, and Accessibility requirements. HCD also suggests Applicants review its April 2021 Affirmatively Furthering Fair Housing document at this [link](#).

Section 509. Prevailing Wages

Applicant's contemplated use of Homekey+ funds is subject to California's prevailing wage law (Lab. Code, § 1720 et seq.). Applicant is urged to seek professional legal advice about the law's requirements. Prior to disbursing the Homekey+ funds, HCD will require a certification of compliance with California's prevailing wage law, as well as all applicable federal prevailing wage law, or a certification that the development is exempt from prevailing wage as defined in Government Code 65913.4(a)(9). The certification must verify that prevailing wages have been or will be paid, and that labor records will be maintained and made available to any enforcement agency upon request. The certification must be signed by the general contractor(s) and the Grantee. The Department will not disburse funds for Rehabilitation or construction until the certification is signed by the general contractor.

Section 510. Environmental Clearances

Projects, including phased Projects, that satisfy the requirements HSC 50675.1.5, shall be exempt from the California Environmental Quality Act (CEQA) Projects under this section are considered a “use by right”, which are specifically exempt from CEQA (CA Public Resources Code section 21000 *et seq.*). (HSC 50675.1.5(e)(2)(A)). Moreover, HSC 50675.1.5(c) specifically exempts HCD actions taken to “provide financial assistance or insurance for the development and construction of Projects” from CEQA review. HCD encourages Eligible Applicants to fully engage with HCD’s technical assistance and to review the CEQA exemption set forth at HSC section 50675.1.5 and the provision for land use consistency and conformity set forth at HSC section 50675.1.3, subdivision (i).

Applicants should consult with their counsel for legal advice in construing application of the foregoing exemptions to their Project. It is entirely within an Applicant’s discretion to determine whether to use the statutory CEQA exemption, whether the exemption applies to the Applicant’s proposed activity, or whether some other mechanism applies and could be used to satisfy obligations under CEQA.

Applicants must provide National Environmental Act (NEPA) clearance, as applicable. According to the National Environmental Policy Act (NEPA), Grantees must consider environmental impacts early in the planning process before decisions are made, and actions are taken. The Project must assess environmental impacts if a Project has applied for HUD assistance (HOME, CDBG, PBVs, Choice Neighborhoods Grant, ShelterCare Plus, etc.). HUD’s regulations prohibit grant recipients and their partners/contractors from committing or spending HUD or non-HUD funds on an activity that could limit the choice of reasonable alternatives before completing the environmental review process. The prohibition of choice-limiting actions does not apply to commitments of non-federal funds before the Project has applied for HUD funding. When an application is submitted for a federal grant/loan, all activity must stop until the environmental review process is complete.

There is no flexibility or waiver of NEPA environmental review requirements. The Project must receive an Authority to Use Grant Funds (AUGF) before the Project proceeds with the acquisition or physical activities, including non-HUD-funded activities. A choice-limiting action can result in a violation that jeopardizes HUD funding for the Project.

The prohibition on choice-limiting actions prohibits physical activity, including acquisition, Rehabilitation, and construction, as well as contracting for or committing to any of these actions before completion of the environmental review. Some examples of choice-limiting actions are:

- Acquisition
- Rehabilitation
- Demolition
- Site improvements (including site clearance/grubbing)
- Leases or Transfers
- Entering into contracts such as construction bidding
- A change in Project conditions or unexpected conditions arise

Choice-Limiting Actions are not:

- Plans or designs
- Activities necessary to support an application for federal, state, Tribal, or local permits
- Option agreement on a proposed property (make sure that the contract is contingent on environmental review clearance and don't close escrow before the review process is complete)

HCD does not determine which Projects will require NEPA clearance. Applicants shall provide HCD a status of any required NEPA review at the time of application. For more information, visit the [HUD Exchange](#), review HCD's Environmental Review Guidance by clicking [here](#), or contact HCD's Environmental Services Team at NEPA@hcd.ca.gov.

Section 511. Land Use

HSC Section 50675.1.5 outlines the criteria by which a Homekey+ Project shall be a use by right and subject to a streamlined, ministerial review process. Appendix C provides the full list of criteria for 50675.1.5. Applicants should consult with their counsel for legal advice in the application of the law to their Project. HCD may also request documentation that Applicants have considered the law in their development planning.

Section 512. State Requirements

All Assisted Units and other Units of the Projects must meet all applicable state and local requirements pertaining to rental housing, including but not limited to, requirements for minimum square footage, and requirements related to maintaining the property in a safe and sanitary condition.

Section 513. Grantee Liability

This provision shall remain applicable notwithstanding any Department-approved transfer or assignment of interest, or any designation of a third party for the undertaking of all or any part of the Scope of Work in the Standard Agreement.

Article VI. Project Operations

Section 600. Project Oversight

As specified by HCD and upon request, Grantees shall provide progress reports in connection with completed milestones and any updates to the timeline for completion of the Project. Grantees shall promptly notify HCD upon any changes to the Project development, changes to the Project and changes in Grantee organization, authorization, or capacity.

Section 601. Reporting

Grantees shall submit a Homekey+ annual report (annual report) to HCD following Standard Agreement execution. The annual report will be due no later than March 31 for the prior calendar year of January 1 to December 31. The annual report will continue to be required for at least five years following full occupancy of the Project and until the Homekey+ operating subsidy has been fully expended. The report shall be in such form and contain such information as required by HCD in its sole and absolute discretion. At minimum, the Annual Report shall include the following data:

evaluation. Any requested data or information shall be submitted in electronic format on a form provided by HCD.

The Grantee shall ensure that the expenditure of Homekey+ funds is consistent with the requirements of the Program. HCD shall monitor the expenditures to ensure that those expenditures comply with this NOFA.

Grantees receiving an Award for Veteran Assisted Units shall submit any additional information as requested by HCD or CalVet, including but not limited to staffing and training details, tenant demographic and veteran-oriented data, and tenant survey results.

Section 602. Disbursement of Grant Funds

HCD may disburse funds to cover Homekey+-critical expenditures that were incurred prior to Homekey+ application pursuant to Section 204. Homekey+ program funds will be disbursed to the Grantee after HCD has approved the relocation plan or issued a certificate of no-relocation, received a request for funds from the Grantee, received and approved an Affordability Covenant for recordation at close of escrow, and approved a fully executed Standard Agreement between the Grantee and HCD. The Grantee cannot request funds for rehabilitation or construction until they have provided a certification of compliance with prevailing wage laws signed by the Grantee and their selected general contractor, as detailed in Section 509.

The Standard Agreement will set forth the general conditions of disbursement, any conditions precedent to disbursements (e.g., proof of recordation of the Affordability Covenant, documentation requirements for pre-Standard Agreement expenditures or conditional performance measures), and HCD's remedies upon an event of default. The Standard Agreement will also identify which of the Co-Grantees will be the designated payee.

Homekey+ funds awarded to an Applicant may not be transferred to another entity to expend on an eligible use unless that other entity is a signatory on the Standard Agreement.

All Homekey+ funds must be wired to an escrow company. The Applicant shall identify the name and address of the escrow company, the name of the escrow officer, the escrow number, and any other information requested by HCD. The appropriate Affordability Covenant must be on file and approved by HCD to be included in the escrow transaction for recordation. The Grantee may only request awarded operating funds, if applicable, after providing confirmation that construction and/or Rehabilitation on the Project is completed, and the Project is ready to begin leasing up. HCD reserves the right to disburse funds prior to construction completion if the Grantee sufficiently demonstrates need for Homekey+ operational funds prior to construction completion.

Section 603. Legal Documents

Upon the Award of Homekey+ funds to a Project, HCD shall enter into one or more agreements with the Grantee, including a Standard Agreement, which shall encumber funds from the Homekey+ program, subject to specified conditions. The agreement or agreements shall include, but not be limited to:

Likewise, each co-Grantee will remain jointly and severally liable to HCD for compliance with and the performance of all Program requirements regardless of any HCD- approved transfer or assignment of interest, and notwithstanding the co- Grantees' identification of a designated payee.

The agreement will also include such other provisions as are necessary to ensure adherence to the objectives and requirements of the program.

Section 604. Sales, Transfers, and Encumbrances

An Applicant(s) shall not sell, assign, transfer, encumber, or convey the awarded Project, or any interest therein or portion thereof, without the express prior written approval of HCD, which may be granted, delayed, or withheld in HCD's sole and absolute discretion. All Applicants and Co-Applicants must be signatories on the Standard Agreement and may not be removed, even upon an approved transfer to another entity.

Section 605. Defaults and Grant Cancellations

Funding commitments may be canceled by HCD under any of the following conditions:

- i. The objectives and requirements of the Homekey+ program cannot be met, and the implementation of the Project cannot proceed in a timely fashion in accordance with the timeframes established in the Standard Agreement or the regulatory agreement.
- ii. In the event of a breach or violation by the Grantee, HCD may give written notice to the Grantee to cure the breach or violation. If the breach or violation is not cured to the satisfaction of HCD within a reasonable time period, HCD, at its option, may declare a default under the relevant document and may seek legal remedies for the default including the following:

State of California Health and Safety Code Section 50675.1.5: Streamlined Ministerial Review Process (excerpt from Homekey+ authorizing statute)

50675.1.5. (a) (1) Notwithstanding any other law, projects to provide housing pursuant to paragraph (1) or (2) of subdivision (a) of Section 5965.04 of the Welfare and Institutions Code, shall be a use by right and shall be subject to the streamlined, ministerial review process, pursuant to subdivision (b), if it meets all of the following criteria:

(A) It is located in a zone where multifamily residential use, office, retail, or parking are a principally permitted use.

(B) At least 75 percent of the perimeter of the site adjoins parcels that are developed with urban uses.

(C) It satisfies the requirements specified in subparagraphs (B) to (K), inclusive, of paragraph (6) of subdivision (a) of Section 65913.4 of the Government Code.

(D) It is not on a site or adjoined to any site where more than one-third of the square footage on the site is dedicated to industrial use.

(E) The development will meet the following objective zoning standards, objective subdivision standards, and objective design review standards:

(i) The applicable objective standards shall be those for the zone that allows residential use at a greater density between the following:

(I) The existing zoning designation for the parcel if existing zoning allows multifamily residential use.

(II) The zoning designation for the closest parcel that allows residential use at a density deemed appropriate to accommodate housing for lower income households in that jurisdiction as specified in paragraph (3) of subdivision (c) of Section 65583.2 of the Government Code.

(ii) The applicable objective standards shall be those in effect at the time that the development application is submitted to the local government pursuant to this section.

(iii) A development proposed pursuant to this section shall be eligible for the same density bonus, incentives or concessions, waivers or reductions of development standards, and parking ratios applicable to a project that meets the criteria specified in subparagraph (G) of paragraph (1) of subdivision (b) of Section 65915 of the Government Code.

(F) No housing units were acquired by eminent domain.

(G) The housing units will be in decent, safe, and sanitary condition at the time of their occupancy.

(H) The project meets the labor standards contained in Sections 65912.130 and 65912.131 of the Government Code.

(I) The project provides housing for persons who meet the criteria specified in subdivision (a) of Section 5830 of the Welfare and Institutions Code and their families.

(J) Long-term covenants and restrictions require the housing units to be restricted to persons who meet the criteria specified in subdivision (a) of Section 5830 of the Welfare and Institutions Code for no fewer than 30 years.

(2) (A) For purposes of this subdivision, parcels only separated by a street or highway shall be considered to be adjoined.

(B) For purposes of this subdivision, “dedicated to industrial use” means any of the following:

- (i) The square footage is currently being used as an industrial use.
- (ii) The most recently permitted use of the square footage is an industrial use.
- (iii) The site was designated for industrial use in the latest version of a local government’s general plan adopted before January 1, 2022.

(b) The project shall be subject to the following streamlined, ministerial review process:

(1) (A) If the local government determines that a development submitted pursuant to this section is consistent with the objective planning standards specified in this section, it shall approve the development.

(B) If a local government determines that a development submitted pursuant to this section is in conflict with any of the objective planning standards specified in this section, it shall provide the development proponent written documentation of which standard or standards the development conflicts with, and an explanation for the reason or reasons the development conflicts with that standard or standards, within the following timeframes:

- (i) Within 60 days of submission of the development proposal to the local government if the development contains 150 or fewer housing units.
- (ii) Within 90 days of submission of the development proposal to the local government if the development contains more than 150 housing units.

(C) If the local government fails to provide the required documentation pursuant to subparagraph (B), the development shall be deemed to satisfy the required objective planning standards.

(D) (i) For purposes of this section, a development is consistent with the objective planning standards if there is substantial evidence that would allow a reasonable person to conclude that the development is consistent with the objective planning standards.

(ii) For purposes of this section, a development is not in conflict with the objective planning standards solely on the basis that application materials are not included, if the application contains substantial evidence that would allow a reasonable person to conclude that the development is consistent with the objective planning standards.

(E) The determination of whether a proposed project submitted pursuant to this section is or is not in conflict with the objective planning standards is not a “project” as defined in Section 21065 of the Public Resources Code.

(2) Design review of the development may be conducted by the local government’s planning commission or any equivalent board or commission responsible for design review. That design review shall be objective and be strictly focused on assessing compliance with criteria required for streamlined, ministerial review of projects, as well as any reasonable objective design standards published and adopted by ordinance or resolution by a local jurisdiction before submittal of the development to the local government and shall be broadly applicable to developments within the jurisdiction. That design review shall be completed as follows and shall not in any way inhibit, chill, or preclude the ministerial approval provided by this section or its effect, as applicable:

(A) Within 90 days of submittal of the development proposal to the local government pursuant to this section if the development contains 150 or fewer housing units.

(B) Within 180 days of submittal of the development proposal to the local government pursuant to this section if the development contains more than 150 housing units.

(c) Division 13 (commencing with Section 21000) of the Public Resources Code shall not apply to actions taken by HCD of Housing and Community Development, the State Department of Health Care Services, or a local agency to provide financial assistance or insurance for the development and construction of projects built pursuant to this section.

(d) The applicant shall file a notice of exemption with the Office of Planning and Research and the county clerk of the county in which the project is located in the manner specified in subdivisions (b) and (c) of Section 21152 of the Public Resources Code.

(e) For purposes of this section, the following definitions shall apply:

(1) “Objective zoning standards,” “objective subdivision standards,” and “objective design review standards” mean standards that involve no personal or subjective judgment by a public official and are uniformly verifiable by reference to an external and uniform benchmark or criterion available and knowable by both the development applicant or proponent and the public official before submittal. These standards may be embodied in alternative objective land use specifications adopted by a City or county, and may include, but are not limited to, housing overlay zones, specific plans, inclusionary zoning ordinances, and density bonus ordinances.

(2) “Use by right” means a development project that satisfies both of the following conditions:

(A) The development project does not require a conditional use permit, planned unit development permit, or other discretionary local government review.

(B) The development project is not a “project” for purposes of Division 13 (commencing with Section 21000) of the Public Resources Code.

APPENDIX D: Homekey+ Grantee Publicity Guidelines

Grantees are required to acknowledge HCD in all publications, websites, signage, invitations, and other media-related and public-outreach products and events related to the Homekey+ Project. HCD staff will provide their respective logo file(s) and guidance on their usage directly to the Grantees.

- i. Long-form written materials, such as reports, must include the following standard language about HCD and Homekey+:
 - a. Housing stability is vital to mental health wellness. With safe, affordable housing and Supportive Services to address Behavioral Health Challenges California's most vulnerable residents will have the foundation they need to thrive. With funding allocated from the passage of Proposition 1 and HHAP Supplemental funds, HCD will expand on the success of its Homekey program through Homekey+ to help support the development of PSH for Veterans and individuals (or households with individuals) who are At Risk of or experiencing homelessness and with mental health or substance use challenges.
- ii. Informational materials that do not qualify as long-form, but include at least a paragraph of text, such as press releases, media advisories, short case studies, some flyers, etc., should include the following language:
 - a. Long version: Homekey+ is funded by almost \$2.145 billion from Proposition 1 bond and HHAP supplemental funds, allowing HCD to expand on the success of its Homekey program to help support the development of Permanent Supportive Housing for Veterans and individuals At Risk of or experiencing homelessness and with mental health or substance use challenges.
 - b. Short version: Funded by Proposition 1 and HHAP, Homekey+ creates Permanent Supportive Housing for Californians with Behavioral Health Challenges.
- iii. Grantees may at times produce promotional materials that are primarily visual in nature, such as banners, signage, certain flyers, and sharable images for social media. In such cases, when including the boilerplate language acknowledging Homekey+ support is not practical, Grantees should instead include the official logo of HCD preceded by the words "Funded by."
- iv. Grantees are required to identify a point of contact for all press inquiries and communications needs related to the Project and provide the name, phone number, and email address of this individual to HCD.

- v. Grantees are encouraged to distribute a press release after grant decisions are made public by the HCD or Governor's Office and any embargo lifted, and for other major milestones throughout the lifecycle of the Project. All press releases must be approved by HCD prior to distribution, and HCD must be alerted and invited to participate in any and all groundbreaking, grand openings, and press conferences related to the Award by emailing HCD Homekey@hcd.ca.gov.
- vi. Grantees are required to prepare one or more two- to four-page documents that provide a summary of the Project components and tell the story of the Homekey+ development process and/or implementation. All such materials must be approved by HCD prior to distribution. These materials may be displayed on the Homekey+ website.
- vii. Applicants and Grantees are encouraged to use social media to share the process of creating a Homekey+ proposal and to inform the public throughout implementation. @California_HCD and @CAbcsh should be tagged on all posts related to the Homekey+ grant. Use of the hashtags #Homekey+ and #WhereFoundationsBegin is encouraged.
