MEMORANDUM FOR: All Potential Tribal Applicants

FROM: Jennifer Seeger, Deputy Director

Division of State Financial Assistance

SUBJECT: Tribal Homekey+

2024 Notice of Funding Availability

The California Department of Housing and Community Development (Department) is pleased to announce the availability of approximately **\$121 million of Tribal Homekey+ Program (Program) grant funding** through this Notice of Funding Availability (NOFA) for Tribes and Tribal Entities.

Proposition 1, passed by California voters in March 2024, is a critical step in advancing the state's goals to reduce homelessness and protect our most vulnerable populations through important changes to the Mental Health Services Act (MHSA). Proposition 1 includes the Behavioral Health Services Act (BHSA) and the Behavioral Health Infrastructure Bond Act (BHIBA).

Tribal Homekey+ is the Permanent Supportive Housing component of the BHIBA. This funding represents the Department's ongoing investment in Tribal housing opportunities and continues a statewide effort to sustain and rapidly expand permanent supportive housing for households and individuals who are experiencing homelessness or at risk of homelessness and are living with a behavioral health challenge. Rather than utilizing a set-aside within the standard Homekey+ Program, this NOFA operates independently and is tailored to meet the specific affordable housing needs of California Tribes.

The \$121 million in Tribal Homekey+ funding includes \$32.3 million Homeless Housing, Assistance and Prevention (HHAP) supplemental funding and \$89.4 million derived from the BHIBA (Assembly Bill 531 (2023), Senate Bill 326 (2023), and Proposition 1 (2024) which was approved by California voters on March 5, 2024. Funds offered under this NOFA and the criteria specified herein are available solely and exclusively to eligible Tribal Entities based on extensive programmatic feedback and engagement with Tribal Entities.

The Department will accept applications on a continuous, over-the-counter basis beginning late January 2025, and remain open-ended until all funds are awarded. Applicants must submit a complete application available at Tribal Homekey+ Program website.

Due to the potential for Program oversubscription, Eligible Applicants are encouraged to submit their completed application as early as possible.

Throughout January 2025, the Department will hold a series of workshops and one webinar to review the Tribal Homekey+ NOFA and application process. Potential applicants are strongly encouraged to attend these workshops.

Please note that **all applicants are required to schedule one pre-application technical assistance meeting with the program.** To register, please go to the Department's <u>Tribal Homekey+ Program website.</u>

Tribal Homekey+ Notice Of Funding Availability November 2024

Article I. Program Overview

Section 100. Notice of Funding Availability (NOFA)

The California Department of Housing and Community Development (HCD) is pleased to announce the availability of approximately \$121 million in Tribal Homekey+ Program funding to sustain and rapidly expand the inventory of Permanent Supportive Housing (PSH) for individuals and their households, if applicable, with a Behavioral Health Challenge regardless of populations served. Behavioral Health Challenge is defined in the California Welfare and Institutions Code Section 5965.02 to include but not be limited to a serious mental illness, as described in subdivision (c) or (d) of Section 14184.402, or a substance use disorder, as described in Section 5891.5. Enrollment in Medi-Cal or in any other health plan shall not be a condition for accessing housing or continuing to be housed.

This NOFA is offered exclusively to eligible Tribes and Tribal Entities, as defined in Article VII of this NOFA, located within the State of California. HCD recognizes that Tribes and Tribal Entities have encountered significant barriers to access of funding sources; barriers which this NOFA is designed to substantially reduce or eliminate, where possible.

Funding available under this NOFA provides an opportunity for Tribes and Tribal Entities to develop multifamily Rental Housing Developments, including acquisition and rehabilitation of existing housing, new construction of apartments, townhomes, or single-family rental homes, including manufactured housing, or conversion of non-residential space to residential housing. Projects developed using Tribal Homekey+ funding shall provide Permanent Supportive Housing for people experiencing homelessness, or At Risk of Homelessness, and are living with a Behavioral Health Challenge.

The \$121 million in Tribal Homekey+ grant funding includes \$32.3 million Homeless Housing, Assistance and Prevention (HHAP) supplemental funding and \$89.4 million derived from Assembly Bill 531 (2023), Senate Bill 326 (2023), and the Behavioral Health Infrastructure Bond Act (Proposition 1, 2024) which was approved by California voters on March 5, 2024.

Section 101. Authorizing Legislation and Applicable Law

- A. AB 140 (2021-2022 Reg. Sess.) and AB 531 (2023-2024 Reg. Sess.) provide the statutory basis for the Homekey+ Program. AB 140 added Section 50675.1.3 to the Health and Safety Code (HSC). AB 531 added Section 50675.1.5 to the HSC, and it added Chapter 4 (commencing with Section 5965) to Part 7 of Division 5 of the Welfare and Institutions Code.
- B. AB 531 provides for the funding of permanent supportive housing for persons who are homeless, chronically homeless, or At Risk of homelessness, and who are also living with a Behavioral Health Challenge. AB 531 also establishes allocations for Veterans and for Youth relative to that Tribal Homekey+ Population. AB 531 provides that such Homekey+

- funds shall be disbursed in accordance with Section 50675.1.3 of the HSC, among other laws. AB 531 further provides an exemption pathway for Homekey+ Projects from the California Environmental Quality Act (CEQA).

In accordance with HSC section 50239, subdivision (h), the administration of HHAP 6 funds is not subject to the rulemaking provisions of the APA. HCD is utilizing money from HHAP 5 and HHAP 6 to supplement this NOFA. This funding will be awarded to eligible cities, counties, and Tribal Entities pursuing the eligible uses of Homekey+ and meeting the HHAP Eligible Applicant requirements detailed in Section 200.

 - 2. If the State General Funds are used to satisfy the matching requirements of another program, then funding from that program may not be used to fulfill the matching requirements of the Homekey+ program.
- G. Where additional non-Tribal Homekey+ operating or rental subsidies are needed to ensure fiscal integrity of the project, the Applicant must identify the source and amount of these subsidies in a letter of intent, Memoranda of Understanding (MOU) or similar at time of Application submittal. Subsidies must be fully committed prior to initial occupancy as evidenced by a contract or resolution, as applicable.

- H. Applicants must also commit to continuing to seek operating funding in future years as such funding becomes available, including Behavioral Health Services Act funding that becomes available in 2026.
- I. The Department may waive the Applicant match requirement, in whole or in part, if the Applicant demonstrates that alternate funds are not available. Match requirement waivers may be limited based upon availability of Program funds and will be subject to the sole approval and discretion of the Program.
- J. Applicants are encouraged to discuss the match requirements and potential match sources during the pre-application technical assistance meetings.

- F. All proposed uses of Program funds are eligible pursuant to section 201 of this NOFA.
- G. The application is complete at time of submittal, as described in this subparagraph, including all required documents and third-party reports, or where outstanding documents and reports can be obtained within a reasonable time, as specified by the Department. The initial plan shall be reasonably detailed and comprehensive, as determined by the Department in its sole and absolute discretion. A final, Department approved SSP shall be required prior to occupancy of the project. SSP requirements are specified in section 301, below.

The letter of intent may also be acknowledged by the party selling or otherwise conveying an interest in the subject property to the Applicant if the selling party has been identified at time of application. If this form of evidence is relied upon at the time of application, the Department shall impose additional milestones, in the Standard Agreement, regarding increased evidence of eventual site control not more than six months following execution of the Standard Agreement; or
- h. Other forms of site control that give the Department assurance (equivalent to items a. through g. above) that the Applicant will be able to complete the Project in a timely manner and in accordance with all the Tribal Homekey+ Program objectives and requirements. (*Please refer to Article III, Section 302 of this NOFA for single-family scattered site project requirements.*)

Reasonable access should also include a plan for transportation to off-site Supportive Services where tenants are not able to walk less than one-half mile.
- b. Description of how the Supportive Services will be culturally and linguistically competent for the Tribal Homekey+ population. Designated Supportive Services staff must not be combined with property management staff. HCD may request additional information to further demonstrate the distinction between roles.

h. HCD may request necessary updates to the Supportive Services plan or related documents, including fully executed written agreements. All updates must be approved prior to occupancy as determined by milestones listed in the Standard Section 302. Single-Family Scattered Site Housing Requirements

Section 303. Feasibility and Fiscal Integrity of Project

- A. Applications submitted pursuant to this Tribal Homekey+ NOFA shall be subject to the provisions of 25 CCR, commencing with section 8300, except as specified herein. Commonly known as the Uniform Multifamily Regulations (UMR) uniform-multifamily-regulations-2017.pdf, these regulations provide uniform standards and program rules for multifamily rental housing projects assisted by the Department. In the event of a conflict between this NOFA and the UMR, the provisions of this NOFA are controlling. Because feasibility and the fiscal integrity of the project are threshold requirements, as set forth in section 300 of this NOFA, key provisions are summarized below. Applicants are encouraged to become familiar with and refer to the UMR while preparing an application.
- B. Section 8308. Capitalized Operating Reserve
 - An Operating Reserve shall be established to defray operating shortfalls that may occur after occupancy of the project. The initial deposit must be funded with development funds in an amount equal to at least 4 months of Operating Expenses (not including supportive services), 4 months of mandatory Replacement Reserves and 4 months of mandatory debt service, if applicable.

C. Section 8309. Replacement Reserve

- A Replacement Reserve shall be established to repair or replace failed capital items or when extraordinary maintenance costs for infrequent major repairs or replacements are too costly to be absorbed by the project's annual operating budget. The reserve shall be funded from development sources, operating income, or a combination of both.
- 2. For new construction projects, an initial deposit equal to the lesser of .6 percent of cost of structures or \$500 per unit is required. For Rehabilitation projects and initial amount of \$500 per unit shall be assumed but may be adjusted based upon a third-party physical needs assessment.

D. Section 8310.Underwriting Standards

The Department shall consider the following when analyzing a project's fiscal integrity:

- 1. Residential Vacancy rate of 10 percent.
- 2. Operating expenses are reasonable when considering the size, scope and unique needs of the tenant population.
- 3. The first-year debt coverage ratio (DCR) shall not be less than 1.10:1, nor higher than 1.20:1, OR project first-year cash flow after debt service and required reserve deposits equal to or less than 12 percent of operating expenses. Projects receiving operating or rental subsidies may be structured to allow for breakeven operation.
- 4. The project must demonstrate a positive cash-flow for 15 years. Please note that this is a minimum requirement. To ensure long-term fiscal integrity, Applicants should also be aware of, and have a plan to address shortfalls occurring after 15 years.
- The development budget must include construction contingencies equal to at least 5
 percent of construction costs for new construction projects or at least 10 percent of
 construction costs for Rehabilitation projects.

E. Rents and Unit Mix:

The rents and unit mix are determined based upon the household sizes and income of the potential residents and must be supported by a Market Study or Market Analysis, as applicable. To the extent possible, rents should be aligned with household income. Applicants are encouraged to discuss the proposed rents and unit mix during technical assistance meetings.

- 1. Restricted Rents refers to the maximum gross rent permitted based upon the units' income restriction. Restricted rents are reduced by the applicable utility allowance to determine the net rent counted as Operating Income.
- 2. Proposed Rents refers to the proposed net rents charged to tenants and is not reduced by the utility allowance. To the extent possible, proposed rents should be comparable to the restricted net rents.

- 3. Subsidies may include rental assistance, such as Section 8 or Tenant Based Rental Assistance (TBRA), or operating subsidies intended to cover operating shortfalls. The application must identify the type, source, and dollar amount of the annual subsidy. In the case of project-based rental assistance, the contract rent must be included.
- F. Operating Budget: The Operating Budget includes the anticipated income and costs to operate the project for the first year after initial occupancy. Costs must be reasonable and sufficient, based on the project size and needs of the Tribal Homekey+ population.

Section 304. Other Requirements

- A. All Units must serve people experiencing homelessness, or At Risk of Homelessness, and are living with a Behavioral Health Challenge and must meet the AMI to be eligible for funding.
- B. Tribal Homekey+ may fund all units in a proposed project or a portion of the units. If seeking Tribal Homekey+ funding for only a portion of the units in a project, Applicants must identify committed sources for the non-Tribal Homekey+ units by evidence of funding commitment prior to construction start. The non-Tribal Homekey+ units are not required to serve the Tribal Homekey+ Population.
- C. If, at the time of acquisition, an existing tenant's household income is at or below the Extremely Low Income (ELI) limit, but the tenant does not qualify as a member of the Tribal Homekey+ Population served, the tenant may remain in place and the unit may still be funded by Tribal Homekey+. When, during normal tenant turnover, the ineligible household moves from the unit, the unit shall thereafter be occupied by the Tribal Homekey+ Population. There should be no more than 49 percent of the Assisted Units that do not meet the Tribal Homekey+ Population. An existing household who meets the Tribal Homekey+ Population at the time they moved into the property will not be counted towards the 49 percent cap. Evidence confirming that existing tenants qualify as the Tribal Homekey+ Population will be required of the Applicant.
- D. At year 15 from the recordation of the use restriction, in circumstances where the Grantee has exhausted available operating funding and demonstrated to the Department that the Project is no longer feasible, the Department may approve an increase in income levels, to the minimum extent required for fiscal integrity, in five (5) percent increments of Assisted Units up to 60 percent AMI.
- E. The Department reserves the right to set restrictions on the unit mix, rent levels, and other factors deemed necessary. To the maximum extent possible, these changes shall minimize the impact on the lowest income Project residents and shall be phased in as gradually as possible. If, following any increase in rents and income limits, or modification of Tribal Homekey+ Population occupancy requirements, new resources become available, or market demand changes, allowing reversion to the former income and rent limits or Tribal Homekey+ Population occupancy requirements, the Department may re-impose these income limits and rent limits or Tribal Homekey+ Population occupancy requirements, in whole or in part, subject to an analysis of Project feasibility.

Section 502. Tenant Selection

- A. Referrals to Tribal Homekey+ Assisted Units shall be made through the local Coordinated Entry System (CES). Where a CES is not available, or the Grantee is a Federally Recognized Tribe, another comparable prioritization system, based on the greatest need, shall be used. If referrals will be made using a prioritization system other than CES, the Applicant must describe the plan for tenant selection, and it shall be reasonably detailed and comprehensive, as determined by the Department in its sole and absolute discretion.
- B. For projects located within Indian Country, Federally Recognized Tribes may use their own TAOS that provides for Tribal preference, or other comparable priority system, which has been duly adopted and set forth in a Tribal Resolution or ordinance. For projects located outside Indian Country, Federally Recognized Tribes may use their TAOS to the extent authorized by law.

Section 503. Data Collection Systems

- A. All Tribal Homekey+ Grantees shall support Continuum of Care (CoC) participation in the statewide Homeless Data Integration System (HDIS), and in accordance with state and federal law (including all applicable privacy law), disclose relevant data to the local Homeless Management Information System (HMIS).

- C. State relocation is not applicable to projects located in Indian Country;
- D. Except for funds awarded for predevelopment costs, disbursement of Tribal Homekey+ funds shall be conditioned upon receipt of one of the following, as may be applicable pursuant to subsection A, above:

 - 2. For projects where relocation is not required, a Department issued Certification Regarding Non-Application of Relocation Benefits and Indemnification Agreement, which has been duly executed and approved by the Department; or
 - 3. Certification of relocation compliance under federal law.
- E. The Department will identify its form, substance, and submittal requirements for these relocation documents in the Tribal Homekey+ application materials. Any modifications to the foregoing process requirements must be approved in advance by the Department in writing.

Section 505. Accessibility and Non-Discrimination

- A. As applicable, all developments shall adhere to the accessibility requirements set forth in California Building Code Chapter 11A and 11B and the Americans with Disabilities Act (ADA), Title II. In addition, developments shall adhere to either the Uniform Federal Accessibility Standards (UFAS), 24 C.F.R. Part 8, or HUD's modified version of the 2010 ADA Standards for Accessible Design (Alternative 2010 ADAS), HUD-2014-0042-0001, 79 F.R. 29671 (5/27/14) (commonly referred to as "the Alternative Standards" or "HUD Deeming Memo"). Part 100, 24 C.F.R. Part 8, and 28 C.F.R. Part 35.

Section 506. Prevailing Wages

- A. There are two prevailing wage laws that govern minimum labor standards for public works, the Federal Davis Bacon Act (DBA) and the California Prevailing Wage Law (PWL). Where both DBA and PWL apply, the higher of the wage standards is generally required.
- B. NAHASDA applies DBA to public work projects including federally assisted projects (loans and grants) and requires that Federally Recognized Tribes that do not have their own Tribal Wage Determination (TDW) pay prevailing wage rates as determined by the Secretary of Labor through the DBA.
 - 1. NAHASDA exemption: Federally Recognized Tribes using any portion of their Indian Housing Block Grant allocation for an affordable housing project may apply the Tribe's duly adopted Tribally Determined Wage (TDW). The TDW is included in the Tribe's contracts and agreements for the development and operation of affordable housing in place of DBA. For a TDW to be applied to the Project instead of the DBA and HUD wage determination, a Tribe must submit the following information to the Department:
 - a. a duly adopted Tribal Resolution or Ordinance authorizing the use of the TDW; and,
 - b. the methodology used to calculate the TDW in compliance with 24 C.F.R. Part 1000.16, which demonstrates that the TDW requires the payment of not less than those wage rates the Tribe determines to be prevailing.
 - c. When submitted in accordance with this NOFA, the Tribe is exempt from compliance with DBA and HUD wage determined rate requirements in their contract or agreement, to the extent authorized by law.
 - d. Where a project located outside of Indian Country is solely funded with state funds, PWL applies.
- C. Applicant's contemplated use of Tribal Homekey+ funds is subject to PWL (Lab. Code, § 1720 et seq.,) certification of compliance with PWL, as well as all applicable DBA. The certification must verify that prevailing wages have been or will be paid, and that labor records will be maintained and made available to any enforcement agency upon request. The certification must be signed by the general contractor(s) and the Grantee.

Section 507. Environmental Clearances

- A. Awarded projects including phased projects that satisfy the requirements of HSC 50675.1.5, shall be exempt from the California Environmental Quality Act (CEQA).
- B. CEQA requirements do not apply to Indian Country.
- C. Applicants should consult with their legal counsel regarding application of the foregoing exemptions to their Project. It is entirely within an Applicant's discretion to determine whether to use the statutory CEQA exemption, whether the exemption applies to the Applicant's proposed activity, or whether some other mechanism applies and could be used to satisfy obligations under CEQA.
- D. National Environmental Policy Act (NEPA): For Projects receiving federal funds subject to review under the NEPA, a copy of the Project's Authority to Use Grant funds must be provided prior to the start of construction. It is not necessary to have the Authority to Use Grant Funds at time of application.

Article VI. Program Operations

Section 600. Program Oversight

- A. As specified by the Department and upon request, Grantees shall provide progress reports in connection with the development plan and any updates to the timeline for completion of the Project. The development plan should include the Project's completion milestones and any updates or substantial changes.

After the initial/final disbursement of funds, Grantees shall submit an annual Tribal Homekey+ Program and Expenditure Report to the Department for five years, beginning 2026, except where a longer term is specified in the Standard Agreement. The report will be due no later than March 31 for the prior calendar year of January 1 to December 31. The annual report shall be in such form and contain such information as required by the Department in its sole and absolute discretion. At minimum, the report shall include the following data:
 - 1. The amount of funds expended for the project.
 - 2. The location of any properties for which the funds are used.
 - 3. The number and size of habitable housing units produced, or planned to be produced, using the funds.
 - 4. The number and demographics of individuals housed, or likely to be housed, using the funds.
 - 5. The number of units, and the location of those units, for which operating subsidies have been, or are planned to be, capitalized using the funds.
 - 6. Any lessons learned from the use of the funds.
 - 7. Proposed changes to the program to address lessons learned.
- B. An explanation of how funding decisions were made for acquisition, conversion, or rehabilitation projects, or for capitalized operating subsidies, including what metrics were considered in making those decisions. If a project received an award for an operating subsidy, Grantees shall also report their operating expenditures in the annual report.
- C. In addition to the foregoing, the Grantee shall submit to the Department such periodic reports, updates, and information as deem necessary by the Department to monitor compliance and/or perform Program evaluation. Any requested data or information shall be submitted in electronic format on a form provided by the Department.

- D. The Grantee shall ensure that the expenditure of Tribal Homekey+ funds is consistent with the requirements of the Program. The Department shall monitor the expenditures to ensure that those expenditures comply with this NOFA.
- E. The Department may request the repayment of funds or pursue any other remedies available, at law or in equity, for failure to comply with Program requirements.

Section 602. Disbursement of Grant Funds

- A. The Department may disburse funds to cover Tribal Homekey+ expenditures that were incurred beginning January 1, 2024, in accordance with section 202 of this NOFA, as approved by the Department.
- B. Tribal Homekey+ Program funds will be disbursed to the Grantee after the Department has approved the relocation plan or issued a certificate of no-relocation, received a request for funds from the Grantee, received and approved an Affordability Covenant for recordation at close of escrow and an approved Standard Agreement signed by the Grantee and the Department. Upon meeting the requirements of this paragraph, the Grantee may request up to 100 percent of the awarded funds for disbursement, subject to conditions or limits specified in the Standard Agreement.
- C. The Standard Agreement will set forth the general conditions of disbursement, any conditions precedent to disbursements (e.g., documentation requirements for pre-Standard Agreement expenditures or conditional performance measures), and the Department's remedies upon an event of default. The Standard Agreement will also identify the payee. Except for acquisition funds, if Grantees wish to receive the grant award outside of escrow, they must identify, and memorialize in the Standard Agreement, which Grantee will serve as the designated payee for all award amounts. Acquisition funds shall be disbursed through escrow only.
- D. All Homekey+ funds must be wired to an escrow company. The Applicant shall identify the name and address of the escrow company, the name of the escrow officer, the escrow number, and any other information requested by HCD. The appropriate Affordability Covenant must be on file and approved by HCD to be included in the escrow transaction for recordation. The Grantee may only request awarded operating funds, if applicable, after providing confirmation that construction and/or rehabilitation on the project is completed, and the project is ready to begin leasing up. HCD reserves the right to disburse funds prior to construction completion if the Grantee sufficiently demonstrates need for Homekey+ operational funds prior to construction completion

Section 603. Legal Documents

- A. Upon the award of Tribal Homekey+ funds to a Project, the Department shall enter into one or more agreements with the Grantee(s), including a Standard Agreement, Affordability Covenant, and a lease rider in the event of a leasehold interest, which shall encumber funds from the Tribal Homekey+ Program, subject to specified conditions. The agreement or agreements shall include, and not be limited to:

Specifically, the Grantee will remain liable to the Department for compliance with and the performance of all Program requirements regardless of any Department-approved transfer or assignment of interest. Likewise, each co-Grantee will remain jointly and severally liable to the Department for compliance with and the performance of all Program requirements regardless of any Department-approved transfer or assignment of interest, and notwithstanding the co-Grantees' identification of a designated payee;
- 11. Limited waiver of sovereign immunity (see attached Appendix A); and,
- 12. Jurisdiction and venue (see attached Appendix A).
- B. The Standard Agreement will also include such other provisions as are necessary to ensure adherence to the objectives and requirements of the Tribal Homekey+ Program.

Section 604. Sales, Transfers, and Encumbrances

Section 605. Defaults and Grant Cancellations

Funding commitments may be canceled by the Department under any of the following conditions:

Upon its execution, the Affordability Covenant shall be binding, effective, and enforceable against all successors, transferees, and assignees, in accordance with Section 208 of this NOFA, after a certificate of occupancy or its equivalent has been issued for the Project, or if no such certificate is issued, from the date of initial occupancy of the Project.
- B. "Applicant" means the "Eligible Applicant," as that term is defined in this NOFA, as well as the Eligible Applicant's nonprofit or for-profit corporation Co-Applicant(s), if applicable. As allowed or required by context, the term "Applicant" shall refer to all such entities in their individual and/or collective capacity.
- C. "Area Median Income" or "AMI" means the most recent applicable county median family income published by the California Tax Credit Allocation Committee (TCAC) or the Department; it also includes the greater of the median income for the United States or the median income of the counties or their equivalent in which the Grantee is located. Applicants may determine which AMI is most appropriate for the Project, subject to Program requirements.
- D. "Assisted Unit" means a unit that is affordable to a lower income household as a result of a loan or grant provided pursuant to HSC 50675. In order to ensure consistency with the Low-Income Housing Tax Credit Program, occupancy of assisted units shall be limited to households whose income does not exceed the limits specified by the California Tax Credit Allocation Committee.
- E. "At Risk of Homelessness" has the same meaning as defined in Title 24 C.F.R. Part 578.3, or as defined in the Tribal Admissions and Occupancy standards.
- F. "Behavioral Health Challenge" has the same meaning as defined within the California Welfare and Institutions Code to include but not limited to mean a serious mental illness, as described in subdivision (c) or (d) of Section 14184.402, or a substance use disorder, as described in Section 5891.5."

[INSERT TRIBE] does not waive sovereign immunity for lawsuits by third parties or disputes between the parties not arising from this Agreement. This waiver does not allow, and the Department separately agrees not to bring, any claims, actions, or lawsuits against any [INSERT TRIBE] individual, including [INSERT TRIBE] officials, employees, agents, and others acting on behalf of [INSERT]. Appendix D: Tribal Homekey+ Grantee Publicity Guidelines

Grantees are required to acknowledge HCD in all publications, websites, signage, invitations, and other media-related and public-outreach products and events related to the Tribal Homekey+ Project. HCD staff will provide their respective logo file(s) and guidance on their usage directly to the Grantees.

- A. Long-form written materials, such as reports, must include the following standard language about HCD and Tribal Homekey+:
 - 1. Housing stability is vital to mental health wellness. With safe, affordable housing and supportive services to address Behavioral Health Challenges California's most vulnerable residents will have the foundation they need to thrive. With funding allocated from the passage of Proposition 1 and HHAP Supplemental funds, HCD will expand on the success of its Tribal Homekey program through Tribal Homekey+ to help support the development of PSH for individuals (or households with individuals) who are At Risk of or experiencing homelessness and with mental health or substance use challenges.
- B. Informational materials that do not qualify as long-form, but include at least a paragraph of text, such as press releases, media advisories, short case studies, some flyers, etc., should include the following language:
 - Long version: Tribal Homekey+ is funded by almost \$2.145 billion from Proposition 1 bond and HHAP supplemental funds, allowing HCD to expand on the success of its Tribal Homekey program to help support the development of permanent supportive housing for individuals At Risk of or experiencing homelessness and with mental health or substance use challenges.
 - 2. Short version: Funded by Proposition 1 and HHAP, Tribal Homekey+ creates permanent supportive housing for Californians with Behavioral Health Challenges.
- C. Grantees may at times produce promotional materials that are primarily visual in nature, such as banners, signage, certain flyers, and sharable images for social media. In such cases, when including the boilerplate language acknowledging Tribal Homekey+ support is not practical, Grantees should instead include the official logo of HCD preceded by the words "Funded by."
- D. Grantees are required to identify a point of contact for all press inquiries and communications needs related to the Project and provide the name, phone number, and email address of this individual to HCD.
- E. Grantees are encouraged to distribute a press release after grant decisions are made public by the HCD or Governor's Office and any embargo lifted, and for other major milestones throughout the lifecycle of the project. All press releases must be approved by HCD prior to distribution, and HCD must be alerted and invited to participate in any and all groundbreakings, grand openings, and press conferences related to the Award by emailing HCD https://example.com/hcd.ca.gov.

- F. Grantees are required to prepare one or more two- to four-page documents that provide a summary of the Project components and tell the story of the Homekey+ development process and/or implementation. All such materials must be approved by HCD prior to distribution. These materials may be displayed on the Homekey+ website.
- G. Applicants and Grantees are encouraged to use social media to share the process of creating a Homekey+ proposal and to inform the public throughout implementation.

 @California_HCD and @CAbcsh should be tagged on all posts related to the Homekey+ grant. Use of the hashtags #Homekey+ and #WhereFoundationsBegin is encouraged.
