CY 2023 Allocation

I. New in this NOFA

A. Affordable Ownership Worker Housing (AOWH) Requirements

Pursuant to Health and Safety Code Section 50470(b)(2)(A), twenty percent (20%) of the moneys collected and deposited in the Building Homes and Jobs Trust Fund shall be expended for Affordable Owner-Occupied Workforce Housing (AOWH).

The Department monitors compliance with this requirement both based on allocations adopted in required 5-year plans and any amendments to that plan as well as actual documented expenditures. Based on these indicators, HCD has determined that at the end of the current 5-year period applicable to CY 2019, 2020, 2021, 2022 and 2023 allocations, funds projected to be expended on AOWH are trailing behind the required 20 percent. As such, the Department will, for this final NOFA covered by the 2020-2025 plans, require a set percentage of funds requested to be for AOWH activities.

These requirements are detailed in Section III(B)(1) of this NOFA {Program Overview, Eligible Applicants, Affordable Owner-Occupied Workforce Housing Requirements}.

II. Overview and Timeline

The California Department of Housing and Community Development (Department or HCD) is announcing the release of the calendar year (CY) Allocation Permanent Local Housing Allocation (PLHA) Program's Local Government Formula Component Notice of Funding Availability (NOFA).

Funding for this NOFA is provided pursuant to Senate Bill 2 (SB 2) (Chapter 364, Statutes of 2017). SB 2 established the Building Homes and Jobs Trust Fund (Fund) and authorizes the Department to allocate 70 percent of moneys collected and deposited in the Fund, beginning in calendar year 2019, to Local governments for eligible housing and homelessness activities. The intent of the bill is to provide a permanent, on- going source of funding to Local governments for housing-related projects and programs that assist in addressing the unmet housing needs of their local communities.

This NOFA represents the fifth CY allocation of moneys deposited in the Fund for the prior CY and includes any remaining unawarded funds not requested by eligible Applicants for prior and available CYs.

Capitalized terms not otherwise defined in this NOFA shall have the meanings set forth in [PLHA Guidelines Section 101](#).

Applicants may apply at any time after the release of the NOFA, however, any Applicant requesting CY 2021 funds (see appendices A and D), must meet all threshold requirements set forth in the [PLHA Program Guidelines, Article III, Section 302](#), including housing element compliance and Annual Progress Report submittal requirements) and submit all required application materials no later than February 28, 2025. **Applicants located in Los Angeles and Ventura Counties must meet these requirements by April 1, 2025.**

Awards will be made on a rolling basis as they are received, reviewed, and determined to have meet all threshold requirements. If an application is submitted and determined to be incomplete (including housing element compliance and Annual Progress Report submittal), the Applicant will be alerted to the deficiencies that need to be addressed and the application will be rejected. No award will be made until those deficiencies are addressed to the satisfaction of the Department. Once addressed, the Applicant will need to resubmit the entire application package for reconsideration.

Please note that per state statute, any CY 2021 funds unawarded by June 30, 2025 will revert to the Housing Rehabilitation Loan Fund established to be used for the Multifamily Housing Program.

III. Program Requirements

The following is provided as a summary for the allocation of the PLHA formula funds to Local governments and is not to be considered a complete representation of the eligibility, threshold, or other requirements, terms, and conditions. All Applicants should fully review the [PLHA Program Guidelines](#) for full requirements.

This 2024 NOFA represents the fifth year of funding under the PLHA program for the Entitlement and Non-Entitlement Local government Formula Component as detailed below:

Revenue Collection Period	NOFA Issuance	Allocation Application and Award Deadlines
CY 2019	2020	Reverted to MHP as of 6/30/2023
CY 2020	2021	Reverted to MHP as of 6/30/2024
CY 2021	2022	Must apply for funds by February 28, 2025 (Applicants located in Los Angeles and Ventura counties must apply by April 1, 2025), and be awarded by June 30, 2025 or funds will revert to MHP
CY 2022	2023	Must apply for funds by February 28, 2026, and be awarded by June 30, 2026, or funds will revert to MHP
CY 2023	2024	Must apply for funds by February 28, 2027, and be awarded by June 30, 2027 or funds will revert to MHP

**Please note, application deadlines for reverting funds may be established in future NOFA amendments*

A. Eligible Applicants

An Applicant must be an Entitlement Local government, a Non-Entitlement Local government, or a Local or Regional Housing Trust Fund delegated by the Local government pursuant to the [PLHA Guidelines Article III, Section 300](#).

1. Delegation of Formula Allocation

Per [PLHA Guidelines Section 300 \(c\) and \(d\)](#), a Local government may delegate to another Local government or Local Housing or Regional Housing Trust Fund to submit an application and administer on its behalf its formula allocation of Program funds, provided that the parties enter into a legally binding agreement and the funds are expended for eligible Activities and consistent with Program requirements. The delegating entity shall be identified in the application. The administering entity shall be responsible for all Program requirements.

Upon delegating its entire formula allocation to another Local government or to a Local or Regional Housing Trust Fund, the Local government that delegated their allocation is no longer involved in the PLHA application or administration of the PLHA grant for the full term of the PLHA Plan, which extends through 2023. The delegated Local government or Trust Fund assumes full responsibility for compliance with statute and for meeting all the Department's requirements, including any penalties for non-compliance.

A Local government can subgrant a portion of its allocation to another entity, as permitted by [PLHA Guidelines Section 302\(c\)\(3\)](#). When a Local government subgrants a portion of its allocation to another entity, the Local government remains fully accountable and responsible for compliance with statute and for meeting all of the Department's requirements, including any penalties for noncompliance.

B. Eligible Activities

PLHA funds allocated to eligible Applicants must be used to carry out one or more of the eligible activities listed in the [PLHA Guidelines, Article III, Section 301](#). All services must be provided within the county containing the Local government recipient.

1. Affordable Owner-Occupied Workforce Housing Requirements

- a. First time Applicants requesting funds will be required to allocate 40 percent of funds requested to AOWH activities as defined below:
 - i. AOWH is defined as "owner-occupied housing that is affordable to persons and families of low or moderate income, as that term is defined in HSC

Section 50093, except in high-cost areas where moderate income shall include households earning up to 150 percent of AMI.”

ii. Eligible AOWH activities include the following:

Guideline Activity	Description	AOWH Applicability
2	Predevelopment, development, acquisition, rehabilitation, and preservation of Affordable rental and ownership housing, including Accessory Dwelling Units (ADUs), that meets the needs of a growing workforce earning up to 120% AMI, or 150% AMI in high-cost areas. ADUs shall be available for occupancy for a term of no less than 30 days.	Only those expenditures directly related to ownership housing will count towards the 20% requirement. Must be documented after expenditure of funds.
3	Matching portions of funds placed into Local or Regional Housing Trust Funds.	
4	Matching portions of funds available through the Low- and Moderate-Income Housing Asset Fund pursuant to subdivision (d) of HSC Section 34176.	
7	Accessibility modifications in Lower-income Owner-occupied housing.	All expenditures
8	Efforts to acquire and rehabilitate foreclosed or vacant homes and apartments.	Only those expenditures directly related to ownership housing will count towards the 20% requirement. Must be documented after expenditure of funds.
9	Homeownership opportunities, including, but not limited to, down payment assistance.	All expenditures

C. Allocation of funding and limits

Appendix A lists the dollar amount of the available PLHA funds by CY allocation. If a Local government applied for and received a CY allocation, there is a blank in the applicable column(s).

To avoid amending the Standard Agreement each year and to expedite the

disbursement of PLHA funds, the Standard Agreement and the Applicant's required resolution shall include a five-year estimate of PLHA formula allocations, as stated in Appendix B, as the maximum funding amount. The actual amounts may be lower, and the disbursements will be based on the actual allocation amounts.

D. Program Administrative, Activity Delivery Costs, and Reimbursement of Costs

Predevelopment expenses for construction projects funded by PLHA funds and costs to develop and prepare the PLHA application and Plan may be paid from the PLHA funds regardless of when the costs were incurred. Reimbursement of expenses to prepare the PLHA application and Plan are subject to the cap on administrative costs as detailed in the PLHA Program Guidelines. Other costs incurred more than one year prior to commitment by the Local government may not be paid from the PLHA funds.

E. Application review

An Applicant must submit a complete application and other documents consistent with the deadlines stated in this NOFA. Applications submitted in response to this NOFA must meet the threshold requirements set forth in this section and in [PLHA Guidelines Section 302](#).

F. Threshold requirements for First-Time Applicants

First-time Applicants who have not previously received an award under a prior Local government Formula Allocation NOFA must meet the following threshold requirements:

1. Housing Element Compliance.
 - a. The housing element of the Applicant and any delegates or subgrantees, if applicable, must have an adopted housing element that has been found by the Department to be in substantial compliance with the requirements of Article 10.6 (commencing with section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code, pursuant to Government Code section 65585 at the time of application. Additional information on verifying compliance with this requirement is outlined in Appendix C.
 - b. If an Applicant is applying on behalf of multiple jurisdictions or delegating or sub granting to another jurisdiction, the funds may only be awarded for use in a locality with an adopted housing element that has been found by the Department to be in substantial compliance with the requirements of Article 10.6 (commencing with section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code, pursuant to Government Code section 65585 at the time of application. If the Applicant is not compliant by time of application that will not prevent an award from being made for use in the localities that are determined to be compliant.

2. Annual Progress Report Submittal.

- a. The Applicant must have submitted to the Department the Annual Progress Report (APR) on the housing element for the corresponding calendar year based on the allocations for which the Applicant is applying by the application submittal date as follows:

Allocation Requested:	APR Reporting Period:
2021 allocation	CY 2021 APR
2022 allocation	CY 2022 APR
2023 allocation	CY 2023 APR

Additional information on verifying compliance with this requirement is outlined in Appendix C.

3. Application requests an allocation pursuant to [Section 200 of the PLHA Guidelines](#) and identifies the eligible activities to be undertaken. Activities must be carried out in the jurisdiction of the Applicant’s Local government. Jointly funded projects may be carried out as described in [PLHA Guidelines Section 301\(c\)](#).
- a. For first-time applicants, at least 40% of the funds requested in the application must be allocated to AOWH activities as defined in Section III(B)(1)(a)(2) above.
4. Submission of the application must be authorized by the governing board of the Applicant by resolution, and this resolution must be submitted as part of the application. The resolution should use the five-year estimate of funding, as listed in Appendix B.
- a. The resolution shall certify that, if funds are used for the development of an Affordable Rental Housing Development, the Local government shall make the PLHA assistance in the form of a low-interest, deferred loan to the Sponsor of the Project. The loan shall be evidenced through a Promissory Note secured by a Deed of Trust, and a Regulatory Agreement shall restrict occupancy and rents in accordance with the Local government-approved underwriting of the Project for a term of at least 55 years.
- b. If the Local government proposes to allocate funds for any Activity to another entity, the resolution must certify that the Local government’s selection process shall avoid conflicts of interest and shall be accessible to the public. See [PLHA Guidelines Section 302 \(c\)\(3\)](#).
- c. If the Local government proposes to use funds for the acquisition,

construction, or rehabilitation of for-sale housing projects, or units within for-sale housing projects, the resolution must certify that the grantee shall record a deed restriction against the property that will ensure compliance with one of the requirements stated in [PLHA Guidelines Section 302\(c\)\(6\)\(A\),\(B\) or \(C\)](#).

5. A Five-year Plan which details the following:
 - a. The manner in which the allocated funds will be used for eligible Activities.
 - b. A detailed description of the way the Local government will prioritize investments that increase the supply of housing for household with incomes at or below 60 percent of the AMI and a detailed description of how the Plan is consistent with the programs set forth in the Local government's housing element.
 - c. Evidence that the Plan was authorized and adopted by resolution by the Local government and that the public had an adequate opportunity to review and comment on the Plan's contents prior to the Plan resolution adoption. The Plan must be provided to the public for a public comment period, culminating with a public hearing at which the governing board may approve it. The draft Plan should be published for public review on the Applicant's website.
 - d. The resolution adopting the Plan should specifically identify the activities the Local government plans to engage in. The resolution is required to be submitted as part of the application. The resolution must specifically state the eligible activities from the Plan application.
 - e. The following information is required for each proposed Activity:
 - i. A detailed description of each Activity, pursuant to Section 301, and the percentage of funding being allocated to it. The description must include a minimum of 40 percent directed to Affordable Owner-Occupied Workforce Housing (AOWH).
 - ii. The projected number of households to be served at each income level and a comparison to the unmet share of the Regional Housing Needs Allocation at each income level.
 - iii. A description of major steps/actions and a proposed schedule required for the implementation and completion of the Activity.
 - iv. The period of affordability for each Activity. Rental Projects are required to have an affordability period of at least 55 years.
 - f. The Plan shall be for a term of five years, illustrating how the allocations from 2019, 2020, 2021, 2022, and 2023 will be used. Refer to instructions in the

“Plan” tab of the PLHA Application form.

6. If funds are used for acquisition, construction, or rehabilitation of for-sale housing projects or units within for-sale housing projects, then a deed restriction shall be recorded against the property as described in Section 302(c)(6)(A-C).
7. If funds are proposed to be used for development of an Affordable Rental Housing Development, a certification is required that the Local government shall make the PLHA assistance in the form of a low-interest, deferred loan to the Sponsor of the Project. The loan must be evidenced through a Promissory Note secured by a Deed of Trust, and a Regulatory Agreement is required to restrict occupancy and rents in accordance with the Local government’s approved underwriting of the Project for a term of at least 55 years. If any activity in the five-year PLHA Plan consists of loans being made to a homebuyer, homeowner, developer or owner of a project, a Program income reuse plan describing how repaid PLHA loans will be used for eligible activities specified in Section 301 must be included in the application. This reuse plan must also describe how interest earned from PLHA funds deposited in a Local government interest-bearing account will be used for eligible PLHA activities.

G. Threshold requirements for Previous Grantees

Applicants which have previously received an award of PLHA funds must meet all threshold requirements as outlined in the PLHA Program Guidelines Section 302.

Specifically, prior grantees requesting a new allocation of funds must demonstrate the following:

1. The housing element compliance status of the Applicant and delegates or subgrantees, if applicable, must have adopted a housing element that has been found by the Department to be in substantial compliance with the requirements of Article 10.6 (commencing with section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code, pursuant to Government Code section 65585 at the time of application.
2. The Applicant must have submitted to the Department the Annual Progress Report (APR) consistent with the CY allocation being requested as detailed below at the time of application:

2022 allocation	CY 2022 APR
2023 allocation	CY 2023 APR

3. Applicant must be current on all applicable Annual PLHA required reports at

time of award. Annual PLHA reports are due July 31 of each year reporting on the prior calendar year's activities, per [PLHA Guidelines Section 503](#).

4. Applicant has met commitment and disbursement requirements for previously awarded funds stated in [PLHA Guidelines Section 300\(e\)](#) and must not have incurred any penalties stated in [PLHA Guidelines Section 502](#).
5. Previous grantees will have already received Department approval for their five-year PLHA Plan which must include a list of the activities that the Local government plans to provide using the five years of funding contained in the Standard Agreement. In subsequent funding years, the PLHA Plan continues in force and effect unless the Local government amends their Plan.
 - a. If the Local government is proposing that more than 10 percent of the anticipated funds be allocated to a different activity, the Plan must be formally amended, including discussion and approval at a publicly noticed meeting of the Local government's governing board, and be submitted to the Department for approval.
 - b. Any amendment proposing to move more than 10 percent of funds that involve moving funds from an AOWH activity (see Section III(B)(1)(a)(ii) above) may only be moved to another AOWH activity.
 - c. Unless otherwise approved by the Department, all Applicants amending their plan, with the exception of (b) above, will be required to use 40 percent of each remaining unrequested allocation at the time of amendment for AOWH activities.

H. Administration and Reporting Requirements

All recipients of PLHA funds must meet the administration and reporting requirements set forth in [PLHA Program Guidelines, Article III, Sections 500, 501, and 503](#).

It is the Applicant's responsibility to ensure that the application is clear, complete, and accurate. The Department may request additional clarifying information and/or inquire as to where in the application specific information is located. However, missing or forgotten application information or documentation may cause the application not to pass threshold.

IV. Application Webinar

Applicants are strongly encouraged to view the PLHA webinar to gain information critical for preparing the application. The PLHA webinar recording is located on the Department's [PLHA webpage](#). Any questions on the program should be directed to the Program email at PLHA@hcd.ca.gov.

V. Appeals

A. Basis of Appeals

1. Applicants may appeal HCD's written determination that an application is incomplete, has failed threshold review, or has otherwise been determined to provide insufficient basis for an award (including scoring and tie breaker).
2. At the sole discretion of the Department, the Department's written determination may include a request for clarifying and/or corrective information. For purposes of this section, "clarifying information" includes information and/or documentation that resolves ambiguities in any application materials that will inform the Department's threshold, scoring and feasibility determinations.
3. No Applicant shall have the right to appeal a decision of HCD relating to another Applicant's application (e.g., eligibility, award).
4. Any request to appeal HCD's decision regarding an application shall be reviewed for compliance with the Guidelines and this NOFA. All decisions rendered shall be made by the Program Manager or his/her designee. The decision shall be final, binding, and conclusive, and shall constitute the final action of HCD.
5. The appeal process provided herein applies solely to decisions of HCD made pursuant to this NOFA.

B. Appeal Process and Deadlines

1. Process: To file an appeal, Applicants must submit to HCD, by the deadline set forth below, a written appeal which states all relevant facts, arguments, and evidence upon which the appeal is based. Furthermore, the Applicant must provide a detailed reference to the area or areas of the application that provide clarification and substantiation for the basis of the appeal. No new or additional information will be considered if this information would result in a competitive advantage to an Applicant. Once the written appeal is submitted to HCD, no further information or materials will be accepted or considered thereafter. Appeals are to be submitted to HCD at PLHA@hcd.ca.gov according to the deadline set forth in HCD review letters.
2. Filing Deadline: Appeals must be received by HCD no later than five (5) business days from the date of HCD's threshold review, or initial score letters, as applicable, representing HCD's decision made in response to the application.

C. Decision

Any request to appeal HCD's decision regarding an application shall be reviewed for compliance with the Guidelines and this NOFA. All decisions rendered shall be final,

binding, and conclusive, and shall constitute the final action of HCD.

VI. Other terms and conditions

A. Right to modify or suspend

The Department reserves the right, at its sole discretion, to suspend, amend, or modify the provisions of this NOFA at any time, including, without limitation, the amount of funds available hereunder. If such an action occurs, the Department will notify all interested parties and will post the revisions to the Department's website.

B. Disclosure of application

Information provided in the application will become a public record and available for review by the public, pursuant to the California Public Records Act (GC Section 7920.000 et seq.). As such, any materials provided will be disclosed to any person making a request under this Act. The Department cautions Applicants to use discretion in providing information not specifically requested, including, but not limited to, bank account numbers, personal phone numbers, and home addresses. By providing this information to the Department, the Applicant is waiving any claim of confidentiality and consents to the disclosure of submitted material upon request.

C. Conflicts

In the event of any conflict between the terms of this NOFA and either applicable state or federal law or regulation, the terms of the applicable state or federal law or regulation shall control. Applicants are deemed to have fully read and understand all applicable state and federal laws, and regulations pertaining to PLHA, and understand and agree that the Department shall not be responsible for any errors or omissions in the preparation of this NOFA.

Appendix C

Housing Element and Annual Progress Report (APR) Compliance Status

Housing element and Annual Progress Report (APR) compliance is a threshold requirement for PLHA.

The housing element and APR compliance status of the Applicant and delegates or subgrantees, if applicable, must be established prior to submittal of the application.

If an Applicant is applying on behalf of multiple jurisdictions or delegating or sub-granting to another entity, the funds may only be awarded for use in a locality that is compliant with its APR requirements and which has an adopted housing element that has been found by the Department to be in substantial compliance with the requirements of Article 10.6 (commencing with section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code, pursuant to Government Code section 65585 at the time of award. If the Applicant is not compliant by time of application that will not prevent an award from being made for use in the localities that have been compliant.

Please note, if PLHA awards are made within 120 days of the housing element due date, the Department may refer to the jurisdiction's compliance from the prior cycle.

To verify current housing element and APR compliance status, please consult the following resources:

Housing Element Compliance: [Housing Element Review and Compliance Report | California Department of Housing and Community Development](#)

Annual Progress Report Submittal: [Annual Progress Reports - Data Dashboard and Downloads | California Department of Housing and Community Development](#)

Please note that PLHA is an over-the-counter (OTC) program, allowing Applicants to apply at any point during the OTC application window. If a jurisdiction is currently out of compliance, that jurisdiction, may still apply and once it reaches compliance with the housing element and APR requirements, it will be eligible to apply for PLHA funds.

However, if a Local government is requesting CY 2021 funds, they must apply no later than February 28, 2025 (April 1, 2025 for Local governments in Los Angeles or Ventura counties), and demonstrate they have met all threshold requirements, including housing element compliance and APR submittal requirements by no later than at the time of application submittal to avoid reversion.

For questions about Housing Element Compliance, please email housingelements@hcd.ca.gov. For inquiries on the status of APR submittal, please email APR@hcd.ca.gov.

Appendix D Urban County Jurisdictions

The jurisdictions listed below are not eligible to receive a direct allocation of PLHA funds though they can still benefit from the Permanent Local Housing Allocation Program funds based upon an application through their designated Urban County.

An Urban County may apply on the behalf of the Local governments listed below, and the Urban County's allocation can provide funding for eligible activities within the boundaries of these Local governments, as well as the unincorporated area of the designated Urban County.

If an Urban County is applying on behalf of multiple jurisdictions, the funds may only be awarded for use in localities that are compliant with their APR and housing element requirements as detailed in Appendix C. A locality is compliant with its housing element requirements when it has an adopted housing element that has been found by the Department to be in substantial compliance with the requirements of Article 10.6 (commencing with section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code, pursuant to Government Code section 65585 at the time of award. If the Urban County is not compliant by time of award that will not prevent an award from being made for use in the localities that are compliant.
