

Protect your Home from Wildfires!

Hardening and Mitigation Retrofits:

- Debris clearance, demolition, landscaping, retrofits, etc. that increase the level of protection from future wildfires and disasters.
- Defensible space and home hardening activities that increase resilience and reduce or eliminate long-term risks and impacts of future disasters. Activities that assist in bringing a home and property up to code with [Wildland Urban Interface](#) (WUI) standards.

Program Highlights:

- Federal grant funding up to \$50,000 per household for the Program to provide mitigation and home hardening for low-to moderate-income homeowners in eligible counties.
- Home does not need to have experienced damage in the 2020 disaster to be eligible.
- Program manages all landscaping, construction, inspection, and permitting start to finish.

Eligible Participants Must:

- Be a U.S. citizen or a qualified alien.
- Have legally owned and occupied a single-family dwelling in an eligible county as their primary residence.
- Have disaster mitigation and/or home hardening needs on the property.
- Be current on property taxes or have an approved payment plan or tax exemption.
- Be income eligible (up to 80% of area median income). Visit hcd.ca.gov/recoverca to check income limits in eligible counties.

Eligible Counties Are: Butte, Fresno, Los Angeles, Napa, Santa Cruz, Shasta, Siskiyou, Solano, and Sonoma

**Note that homeowners/properties that have received funding from the California Wildfire Mitigation Program (CWMP) are not eligible to receive assistance from this OOM Program.*

Homes that sustained damages or were destroyed in eligible 2020 disasters may be eligible for up to \$500,000 in ReCoverCA Housing Programs - Owner-Occupied Rehabilitation and Reconstruction funds. Please see the website for more information.
